Corruption and Anti-corruption

2013-03-01 Peter Larmour Corruption and Anti-Corruption deals with the international dimensions of corruption, including campaigns to recover the assets of former dictators, and the links between corruption, transnational and economic crime. It deals with corruption as an issue in political theory, and shows how it can be addressed in campaigns for human rights. It also presents case studies of reform efforts in Philippines, India and Thailand. The book explains the doctrines of a well-established

A Dictionary of Cebuano Visayan

2016-01-27 John Wolff This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of
