Galactic Conflicts that Changed History

It was the year 23, and the globe was at the brink of battle. The U.S. and Peoples Republic of China, the pair of superpowers, were engaged in a intense competition, competing for supplies, influence, and control. They had developed sophisticated arms, like laser weapons, drones, and satellites, which could attack any location, any time. They had also secretly established space stations, which could deploy atomic weapons, which can destroy the world. They were ready to employ them, if ever required. But they were not the only ones. There existed a third power, a hidden force, which had been observing them, waiting for them, getting ready for them both. They were extraterrestrials, and they had come to halt them both. They had arrived to protect the globe, or to finish it. They had arrived to start the space wars that transformed history.
