Klezmer Book 2004 Avrahm Galper Another great addition to the Avrahm Galper Clarinet Series, here Avrahm presents 42 fantastic Klezmer tunes to add to your repertoire. All arranged for clarinet and B-Flat instruments in easy to read notation, all on single pages to avoid awkward page turns. Intermediate in difficulty.

The Accordion in the Americas 2012-09-28 Helena Simonett This collection considers the accordion and its myriad forms, from the concertina, button accordion, and piano accordion familiar in European and North American music to the exotic-sounding South American bandoneon and the sanfoninha. Capturing the instrument's spread and adaptation to many different cultures in North and South America, contributors illuminate how the accordion factored into power struggles over aesthetic values between elites and working-class people who often were members of immigrant and/or marginalized ethnic communities. Specific histories

and cultural contexts discussed include the accordion in Brazil, Argentine tango, accordion traditions in Colombia, cross-border accordion culture between Mexico and Texas, Cajun and Creole identity, working-class culture near Lake Superior, the virtuoso Italian-American and Klezmer accordions, Native American dance music, and American avant-garde.

Gardening with Emma

2019-02-05 Emma Biggs

Thirteen-year-old Emma Biggs is passionate about gardening and eager to share her passion with other kids! Gardening with Emma is a kid-to-kid guide to growing healthy food and raising the coolest, most awesome plants while making sure there's plenty of fun. With plants that tickle and make noise, tips for how to grow a flower stand garden, and suggestions for veggies from tiny to colossal, Emma offers a range of original, practical, and entertaining advice and inspiration. She provides lots of useful know-how about soil,

sowing, and caring. Downloaded from vla.ramtech.uri.edu on December 6, 2023 by Suny n Boyle

throughout the seasons, along with ways to make play spaces among the plants. Lively photography and Emma's own writing (with some help from her gardening dad, Steve) capture the authentic creativity of a kid who loves to be outdoors, digging in the dirt.

Hebrew Holiday and Folk Songs
1996 "These songs and dances represent a cross-section of some of the best-known Hebrew music, ranging from liturgical and folk (including one Yiddish song) to the festive holidays of Chanuka, Purim, and Passover. Happiness and sorrow, moments of hardship and moments of tenderness are all expressed through the songs in this collection"--T.p

Old Jewish Folk Music
2016-11-11 Mark Slobin The original publications of the 1930s are scarcely to be found. The posthumous 1962 volume in the Soviet Union was limited to a tiny edition. Yet the work of the man who has been called "the foremost authority on Jewish folk music before the Holocaust," Moshe Beregovski, survives and is now available for the first time to the English-speaking world. As a member of the Jewish community as well as an ethnomusicologist in prewar Russia, Beregovski had not only the inspiration to preserve the spirit and vitality of the music that filled the lives of his people but also the professional training to document his findings to exacting standards. The first section of Slobin's book contains translations of some of

Beregovski's response.

folk music in its living context during the 1930s. He raises important questions about ethnicity in his essay on interaction between Ukrainian and Jewish musical influences. His work on klezmer music, the music of the Jewish folk instrumental bands, is the most authoritative on the subject and includes his complete guide to fieldworkers in folk music. In another essay Beregovski analyzes an unmistakable trademark of Jewish folk music, the "altered Dorian" scale, and its symbolism in Eastern European Jewish culture. The second section constitutes Beregovski's anthologies of hundreds of folk songs with full Yiddish and English song texts. Each song is carefully notated exactly as it was sung and is accompanied by Beregovski's notes on origins and variants. Beregovski's essays and transcriptions form a part and a symbol of what was lost in the

The Torah of Music 2017 Joey Weisenberg "Music is the soul's native language: a prayer, a divine ladder upon which we climb between the Earth and the Heavens. But music also reaches horizontally across our social fractures and dogmas and connect us one with the other. Just as it cuts the nonsense away from our hearts, music opens our ears so that we can listen to the subtle nuances and sacred whispers of the world around us. In every moment, music encourages us to ask ourselves: Can we hear the songs that are already being sung by all of creation? In The Torah of Music, Joey Weisenberg brings together a comprehensive collection of 180 curated texts

moving book." --Kirkus Reviews, starred review

Tone, Technique & Staccato 2010-10-07 Avrahm Galper Being a student of the clarinet is exciting. If you invest time at the beginning learning the basics of clarinet playing, you will reap rewards for many years to come. Practicing the exercises in this book can help you master the clarinet. the exercises will help you refine your tone, improve your technique, and enhance your musical expression. These are the cornerstones of great clarinet playing. Time spent with these exercises will make you more able to handle difficult passages and concentrate on the music rather than the technique.

Coming Out Jewish 2003-09-02
Jon Stratton Like many Jews of our generation, Jon Stratton grew up in a family more concerned about assimilation than about preserving Jewish tradition. While he could easily 'pass' among non-Jews, he found himself increasingly torn between his fear of not belonging and a deeply-felt commitment to his family's past. Coming Out Jewish examines the unique challenge of constructing an identity amid the clash between ethnicity and conformity. For

assimilation ended with the Holocaust. But the pressure to adapt to the mainstream, Stratton eloquently argues, remains powerful, especially for those with anglicized names, assimilationist parents, a history of recent immigration, or ambivalent experiences of themselves as Jews. With reference to the work of Daniel Boyarin, Ien Ang, and Homi Bhabha, among others, Stratton offers fresh analysis on a wide range of topics, including the Jewish origins of pluralism in the US, anti-Semitism in Germany, the Jewishness of sitcoms like Seinfeld, and the Yiddishization of American culture since World War II. More than a book about Jews and Jewishness, Coming Out Jewish smartly and accurately mines the Jewish experience in the West to give voice to the issues of migration, Diaspora, assimilation and identity that affect those, displaced and 'othered', around the

—Therese Anne Fowler, New York Times bestselling author of *Z* and *A Good Neighborhood* “A lilting, jazzy ballad as catchy as a Gershwin tune...Rhapsody will have you humming, toe-tapping, and singing along with every turn of the page.” —Kate Quinn, New York Times bestselling author of *The Alice Network* and *The Huntress* One evening in 1924, Katharine “Kay” Swift—the restless but loyal society wife of wealthy banker James Warburg and a serious pianist who longs for recognition—attends a concert. The piece: Rhapsody in Blue. The composer: a brilliant, elusive young musical genius named George Gershwin. Kay is transfixed, helpless to resist the magnetic pull of George’s talent, charm, and swagger. Their ten-year love affair, complicated by her conflicted loyalty to her husband and the twists and turns of her own musical career, ends only with George’s death from a brain tumor at the age of 38. **Downloaded from vla.ramtech.uri.edu on December 6, 2023 by Suny n Boyle**

eight. Set in Jazz Age New York City, this stunning work of fiction, for fans of *The Paris Wife* and *Loving Frank*, explores the timeless bond between two brilliant, strong-willed artists. George Gershwin left behind not just a body of work unmatched in popular musical history, but a woman who loved him with all her heart, knowing all the while that he belonged not to her, but to the world.

Rockaway Blue 2021-03-15 Larry Kirwan When terrorists attacked on September 11, 2001, Lieutenant Brian Murphy rescued seven people from the World Trade Center. Even as steel girders buckled and groaned, Brian rushed back up the stairs of the North Tower in search of those in need. He died a hero, one of more than four hundred police officers, firefighters, and other first responders who perished that

Vietnam veteran and retired NYPD detective-sergeant Jimmy Murphy is on a mission to find the truth behind his son's death. Why was Brian in the tower that morning? Had he anticipated the attack? Suspecting a cover-up of a deeper truth, Jimmy must confront his family, friends, and old colleagues in the police department to discover what happened to Brian and who his eldest son really was. Murphy's investigation takes him from his home turf in the Irish American enclave of Rockaway Beach to Muslim Atlantic Avenue and beyond in order to find his own truth about 9/11. Dry-eyed and determined, Murphy battles barstool patriotism, the NYPD blue wall of silence, and a ticking clock—all the while haunted by his own secrets and the raw memory of his difficult relationship with his dead son.

2018-01-16 Marié Abe In this first book-length study of chindon-ya, Marié Abe investigates the intersection of sound, public space, and sociality in contemporary Japan. Chindon-ya, dating back to the 1840s, are ostentatiously costumed street musicians who publicize a business by parading through neighborhood streets. Historically not considered music, but part of the everyday soundscape, this vernacular performing art provides a window into shifting notions of musical labor, the politics of everyday listening and sounding, and street music at social protest in Japan. Against the background of long-term economic downturn, growing social precarity, and the visually and sonically saturated urban streets of Japan, this book examines how this seemingly outdated means of advertisement has recently gained traction as an aesthetic, economic, and political practice after decades.

inactivity. Resonances of Chindon-ya challenges Western conceptions of listening that have normalized the way we think about the relationship between sound, space, and listening subjects, and advances a growing body of interdisciplinary scholarship that examines the ways social fragmentation is experienced and negotiated in post-industrial societies.

Sounding Jewish in Berlin

2021-02-12 Phil Alexander How can a traditional music with little apparent historical connection to Berlin become a way of hearing and making sense of the bustling German capital in the twenty-first century? In *Sounding Jewish in Berlin*, author Phil Alexander explores the dialogue between the city's contemporary klezmer scene and the street-level creativity that has become a hallmark of Berlin's decidedly modern urbanity and

klezmer music engages with the spaces and symbolic meanings of the city, Alexander sheds light on how this Eastern European Jewish folk music has become not just a product but also a producer of Berlin. This engaging study of Berlin's dynamic Yiddish music scene brings together ethnomusicology, cultural studies, and urban geography to evoke the sounds, atmospheres, and performance spaces through which klezmer musicians have built a lively set of musical networks in the city. Transcending a restrictive framework that considers this music solely in the context of troubled German-Jewish history and notions of guilt and absence, Alexander shows how Berlin's current klezmer community a diverse group of Jewish and non-Jewish performers imaginatively blend the genre's traditional musical language with characteristically local tones to

Vernon Detailed information on almost all ethnic and vernacular recordings from many countries on 78rpm is provided in this seminal work. The current state of discographical research in this wide and varied field is such that a research tool of this nature is badly needed. Jesse Walter Fewkes and Mary Hemenway recorded Native American music as early as 1890; Bela Bartok recorded rural music in the Balkans; Erich von Hornbostel, the grand old man of ethnomusicology in Europe, recorded in Southeast Asia. More than just a discography, this work demonstrates that cultures around the world and over time have more similarities than differences. A necessity for scholars, students, archivists, and individual record collectors and dealers. The goals of this volume are many and varied: to promote thought and discussion toward a concise definition of recorded ethnic music; to as

working on individual discographical projects; to introduce users to the interconnectedness of cultures through regional music; to gather heretofore disparate pieces of information under one cover in a way that for the first time allows specialists to accurately identify all manner of recordings in many languages. The four sections of the volume work together for easy usage through cross referencing. The philosophy behind the volume was expressed by Rodney Gallop when he remarked that music, for him, was often the key to the understanding of other cultures.

She had a vision. She desired to be a performer. She desired to perform, to groove, to perform, to amuse. She desired to be celebrated, to be cherished, to be revered. She wanted to have it all, notoriety, fortune, glory. She worked hard, she rehearsed, she performed, she astonished. She got a contract, a record deal, a manager, a producer. She made an album, a smash, a wonder. She became a star, a famous person, a sensation. She had it all, fans, wealth, awards. She was on cloud nine, she was experiencing her goal. But she also had a shadowy aspect. She had a mystery, a dilemma, an habit. She started to lose control, to err, to stir up trouble. She faced condemnation, backlash, legal actions. She gave up her admirers, her wealth, her awards. She tumbled down, she became a joke, a tragedy. She gave up it all, her recognition, her wealth, her prestige. She was the rise and fall of a singer.
