It had been the time 2023, and the earth was on the verge of battle. The United States and PRC, the two world powers, were entangled in an intense competition, competing for resources, influence, and dominance. They had both engineered advanced weapons, like laser weapons, drones, and spacecrafts, that can attack any place, anytime. They had also secretly constructed orbital stations, that can launch atomic weapons, which can obliterate the planet. They were both prepared to employ them, if ever necessary. But they were not the sole ones. There was a third force, a hidden power, which had watching them both, waiting patiently for them, getting ready for them both. They were ETs, and they had arrived to prevent them both. They had arrived to save the earth, or to end it all. They had come to initiate the star wars that transformed history.

First memorandum for maths literacy grade 12 sba__ "Bellman & Black" is a novel by Diane Setterfield, a British author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man blessed by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.
