The Impact of Social Media on Mental Health

Social media has become an integral part of our lives, especially for the younger generation. We use it to communicate, to share, to learn, to entertain, and to express ourselves. But what are the effects of social media on our mental health? How does it affect our mood, our self-esteem, our relationships, our well-being, and our behavior? This book aims to answer these questions, by reviewing the latest research and evidence on the topic.
