Space Battles that Changed Chronicle

It had been the time 23, and the globe was at the edge of war. The U.S. and PRC, the pair of global powers, were entangled in a fierce competition, contending for assets, power, and control. They had developed high-tech weapons, like lasers, unmanned aerial vehicles, and spacecrafts, which can hit any place, any time. They had clandestinely constructed space stations, which can deploy nuclear missiles, that could annihilate the world. They were both prepared to utilize them, if ever needed. But they were not the only ones. There was a third power, a concealed power, which had monitoring them both, waiting for them both, getting ready for them. They were aliens, and they had come arrived to halt them both. They had come arrived to protect the earth, or to finish it. They had come arrived to initiate the space wars which transformed history.
