The U.S. and China, the pair of world powers, were entangled in a fierce rivalry, competing for resources, power, and control. They had developed advanced arms, like laser weapons, unmanned aerial vehicles, and spacecrafts, that could attack any place, any time. They had secretly constructed space stations, which can launch nuclear missiles, that can destroy the world. They were both prepared to employ them, if at all necessary. But they were not the only ones. There was a third entity, a concealed entity, which had watching them both, waiting patiently for them both, getting ready for them. They were extraterrestrials, and they had arrived to halt them both. They had come arrived to protect the world, or to end it. They had come come to initiate the star wars which altered past.
