## Thai Love Course

2016-08-16 Thailand Redcat Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a "normal" Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai "You are cute, do you want to go for dinner with me?" Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from "What's your name?", "Where do you go?", "You are cute" to "Are you free tonight?" and "Do you want to have a meal together?" Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like "It's hot here, isn't it?", "Do you live alone?", "Do you want to watch a movie in my room?" and many more. 3. In the Apartment / Making Love The tools for your bedroom: "I love your skin", "Can I hug you?", "Can I kiss you?", "Don't be shy" to "What is your favorite position? ", "Does it hurt?", "That feels good?" are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines ("You are so kind", "I don't want to sleep alone", "Do you want to be my girlfriend?" etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it ("You don't care about me at all", "You barely call me", "It's better we break up" etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in "contact" with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers ("What time do you finish work? ", "I want to take you outside", "How much do you want?", "That's too much" etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

## Greenstreet and Back

2017-02-20 Francis Abel Greenstreet and Back is an amazing, humorous autobiography that follows a journey from, a near death experience, to an incredible passage of self acceptance and realisation. The true story of painful rehabilitation dips into the black humour of facing your own mortality and the acceptance that the life once known was now a thing of the past. The book is a chronicle of courage and fortitude that shows with determination any obstacle can be overcome. Francis begins a pilgrimage to learn about his new life that eventually takes him to the other side of the world to exotic South East Asia. His hilarious encounters along the way happen mostly by chance and very unexpectedly. From a near molestation by a dancing Ladyboy in Northern Thailand to a "run in" with gun tooting bandits in Cambodia, the quest gets ever more bizarre and farcical. Eventually Francis experiences an epiphany but fate has one more harsh and cruel card to play towards the end of his odyssey.
