The Attributes of God

2006-12-01 Arthur W. Pink The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him--often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of Arthur W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, The Attributes of God also has enough depth and meat to satisfy the more experienced reader.

The Identity and Attributes of God

2019-03-08 Terry Lee Johnson The problem identified by the prophet Hosea in his day is still with us today - 'There is no...knowledge of God in the land' (Hos. 4:1). We were made to know God. We were saved to know God. Jesus said, 'This is eternal life that they know you, the only true God, and Jesus Christ whom you have sent' (John 17:3). Our chief end and purpose is to know God and thereby to honour and enjoy him. These pages explore God's identity. The God who is Father, Son, and Holy Spirit is also Creator, Governor, and Redeemer. This one true God is infinitely and unchangingly holy, just, good, and loving. This work is offered with the hope that it might promote the true knowledge of the true God. As Matthew Henry said, 'To know the perfections of the divine nature, the unsearchable riches of divine grace, to be led into the mystery of our redemption and reconciliation by Christ, this is food; such knowledge as this is a feast to the soul.'

2007-02-14 A. W. Tozer The most important question For A. W. Tozer, no question is more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons at Southside Alliance Church in Chicago, this first volume of The Attributes of God examines ten attributes of God. It also includes a study guide for an in-depth look at each attribute: Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you. "If a sermon can be compared to light, then A.W. Tozer released a laser beam from the pulpit, a beam that penetrated the heart." — Warren Wiersbe, former pastor of The Moody Church

The Attributes of God Volume 2

2007-02-14 A. W. Tozer The most important question we can ask... For A. W. Tozer, there is no question more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons to the Avenue Road congregation in Toronto, this follow-up to The Attributes of God Volume 1 examines ten more attributes of God. It also includes a study guide for an in-depth look at each attribute: Self-Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The Knowledge of the Holy

2022-01-27 A. W. Tozer This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart. A superb aid to strengthening and deepening the spiritual life, each chapter begins with a prayer, lucidly discusses a divine aspect -- from God's infinity to God's love -- and relates that aspect to today's world, while pointing always to God's wonder and inscrutability." A. W. Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God. He argues persuasively that the cure lies in our rediscovery of God's majesty. "True religion confronts earth with heaven and brings eternity to bear upon time," says the author in his preface, "The messenger of Christ, though he speaks from God, must also, as the Quakers used to say 'speak to the condition' of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation." The message of this book is indeed both timeless and timely. Tozer is primarily concerned with the loss of the concept of 'majesty' from the popular mind and more importantly in the thinking of the church. He sees the church as having surrendered her once lofty concept of God - not deliberately, but little by little and without her knowledge. With this comes a further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence. Tozer attempts to address this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy. "It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate," he tells us.

Enjoying God

2017-09-19 R. C. Sproul Confused, angry, and hurt after the death of his father, a young R. C. Sproul began his personal search for ultimate truth with these piercing questions: Who are you, God? And why do you do the things you do? In Enjoying God, readers journey with R. C. Sproul to discover the attributes of God through the questions many of us have asked: Where are you, God? Can I trust you, God? and more. In this warm, personal account, Dr. Sproul communicates deep truths in a fresh and easy-to-understand style as he shares his passion to know God and urges the reader to dig deep and seek the God who is alive, who is real, and who loves each one of us.

The Attributes of God

2009-04-01 A. W. Pink Despite the ubiquity of the word "God" in our daily lives, how much time do we spend actually contemplating the nature of the divine? In this volume, author A.W. Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God. Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis.

They had secretly constructed orbital stations, which could launch nuclear missiles, that could destroy the earth. They were both prepared to utilize them, if ever necessary. First Love that Never Fades

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were inseparable, spending every day laughing, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was indestructible, and they vowed to keep in touch, to wait for each other, and to love each other forever. But life, as it often does, had a different path in store for them.
