E ora fanno ciò che ci si aspetta da loro. Agatha si lascia imbellettare e vestire di rosa da Sophie che, ormai incapace di tenere a freno la cattiveria, è sempre più insopportabile. Finché l'amica, esasperata, si pente di avere scelto quel Lieto Fine e si rende conto di volere un principe per la sua storia. Basta quel piccolo momento di debolezza perché tutto ricominci da capo. And whose heart does Agatha's belong to--her best friend or her prince? Soman Chainani has created a spectacular world that Newbery Medal-winning author Ann M. Martin calls "a fairy tale like no other, complete with romance, magic, humor, and a riddle that will keep you turning pages until the end."

WARP, Book 3: The Forever Man

2015-09-15 Eoin Colfer Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick will someday, somehow, return to seek vengeance. Chevie has assured Riley on numerous occasions that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian London, he has been planning his revenge on Riley for half a century. But even the best-laid plans can go awry, and when the assassin decides to include Chevie in his retaliation, the three are tossed once more into the wormhole with no idea

where—or when—they will end up.

Grace grew up in Sandybridge, helping her parents sort junk from vintage treasures, but she always longed to escape to a bigger world. And she made it, travelling the world for her job, falling in love and starting a family. So why is she back in the tiny seaside town she'd long left behind, hanging out with Charlie, the boy who became her best friend when they were teenagers? It turns out that travelling the world may not have been exactly what Grace needed to do. Perhaps everything she wanted has always been at home - after all, they do say that's where the heart is...
