Woody Woodpecker is an animated character that first showed up in cinematic short films produced by the Walter Lantz Studio and distributed by Universal Pictures between 1940 and 1972. The character was developed in 1940 by Lantz and storyboard artist Ben "Bugs" Hardaway, who had previously laid the groundwork for two other crazy characters, Bugs Bunny and Daffy Duck. Woody Woodpecker's character and design transformed over the years, from an insane bird with an exceptionally garish design to a more refined-looking and acting character. The stories revolve around Woody's cheeky and often chaotic pranks, his attempts to solve problems, and his dealings with other characters such as Andy Panda, Chilly Willy, Winnie Woodpecker, Knothead, Splinter, Buzz Buzzard, and several others. Woody Woodpecker cartoons were first broadcast on television in 1957 under the title The Woody Woodpecker Show. In addition to the original series, there have been multiple spin-offs and adaptations. For example, "Wonder Toons: Woody Woodpecker And Many More" is a compilation of Woody Woodpecker cartoons along with other animations.
