The Seven Principles for Making Marriage Work 2015-05-05 John Gottman, PhD NEW YORK TIMES BESTSELLER • Over a million copies sold! “An eminently practical guide to an emotionally intelligent—and long-lasting—marriage.”—Daniel Goleman, author of Emotional Intelligence The Seven Principles for Making Marriage Work has revolutionized the way we understand, repair, and strengthen marriages. John Gottman’s unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential.

When I Got Busy, I Got Better 1994 Al-Anon Family Group Headquarters, Inc

Intimacy in Alcoholic Relationships 2018 Over 1,300 Al-Anon members willingly shared their stories. They tell how their views and practices of intimacy, including sexual intimacy, were affected by alcoholism, and how Al-Anon's tools and spiritual principles helped them change these views and practices. Courageous members share their thoughts, feelings, and experiences. "Intimacy in Alcoholic Relationships", is the hope that many other members can find hope and inspiration in expanding their recovery.

Drunkard 2008-06-19 Neil Steinberg "A compelling read, sad and wistful and breathtakingly forthright."—Chicago Magazine Chicago Sun-Times columnist Neil Steinberg loved his job, his wife, and his two young sons. But he also loved to drink. Drunkard is an unflinchingly honest account of one man's descent into alcoholism and his ambivalent struggle to embrace sobriety. Sentenced to an outpatient rehab program, Steinberg discovers that twenty-eight days of therapy cannot reverse the toll taken by decades of hard drinking. As Steinberg claws his way through recovery, grieves the loss of the drink, and tries to shore up his faltering marriage, he is confronted by the greatest test he has ever faced, and finds himself in the process. Steinberg's gripping memoir is a frank and often painfully funny account of the stark-yet-common realities of a disease that affects millions.

Hope for Today 2002 Al-Anon Family Group Headquarters, Inc Hope for Today: Al-Anon's newest daily reader brings fresh insight and much-needed support to anyone affected by a loved one's addiction.

Strengthening Forensic Science in the United States 2009-07-29 National Research Council Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Drinking Woman 2016-12-20 Edith Lynn Hornik-Beer What is it like today for the woman with a drinking problem? How does she know when she has crossed the fine line between social drinking and addiction? What can she do to help herself, and what can her family do to help her? Through an extensive and intimate series of interviews in halfway houses, women’s groups, and with individuals across the country, Edith Lynn Hornik-Beer has uncovered the social dynamics that create problem-drinking among women. She has also visited with spouses and children who have suffered because of a wife’s and/or a mother’s addiction. She has gathered a list of resources which will help a woman with a drinking problem pick up the pieces. Visit www.answersforthedinkingwoman.com as well as www.answersforteens.com for more information and to sign up for the blogs.

Waiting For His Heart 2012-09-01 Joy McClain God tells us to love our enemies. But what about loving and honoring a husband who chooses to walk away from his family, setting up residence in a prison of addiction? Seldom is there a faith with the tenacity that the author displayed during her twenty-two years of praying, enduring tremendous trials and sorrow. “I will honor my vow, no matter what,” were words spoken by this young bride, believing in the promise of new life and vows spoken. The “no matter what” took this family on such a seemingly discouraging journey that even Christian family and friends believed restoration was impossible. Joy learned to place her complete hope in Christ alone, believing that God’s mercy and grace is sufficient to reach even the darkest and most hardened heart – including her own. A beautiful, transparent portrait of redemption as marriage is viewed as a living, breathing example of Christ and His bride. Readers will be encouraged and equipped to persevere through deep marital waters.

Ending Discrimination Against People with Mental and Substance Use Disorders 2016-09-03 National Academies of Sciences, Engineering, and Medicine Estimates indicate that as many as 1 in 4 Americans will experience a mental health problem or will misuse alcohol or drugs in their lifetimes. These disorders are among the most highly stigmatized health conditions in the United States, and they remain barriers to full participation in society in areas as basic as education, housing, and employment. Improving the lives of people with mental health and substance abuse disorders has been a priority in the United States for more than 50 years. The Community Mental Health Act of 1963 is considered a major turning point in America's efforts to improve behavioral healthcare. It ushered in an era of optimism and hope and laid the groundwork for the consumer movement and new models of recovery. The consumer movement gave voice to people with mental and substance use disorders and brought their perspectives and experience into national discussions about mental health. However over the same 50-year period, positive change in American public attitudes and beliefs about mental and substance use disorders has lagged behind these advances. Stigma is a complex social phenomenon based on a relationship between an attribute and a stereotype that assigns undesirable labels, qualities, and behaviors to a person with that attribute. Labeled individuals are then socially devalued, which leads to inequality and discrimination. This report contributes to national efforts to understand and change attitudes, beliefs and behaviors that can lead to stigma and discrimination. Changing stigma in a lasting way will require coordinated efforts, which are based on the best possible evidence, supported at the national level with multiyear funding, and planned and implemented by an effective coalition of representative stakeholders. Ending Discrimination Against People with Mental and Substance Use Disorders: The Evidence for Stigma Change explores stigma and discrimination faced by individuals with mental or substance use disorders and recommends effective strategies for reducing stigma and encouraging people to seek treatment and other supportive services. It offers a set of conclusions and recommendations about successful stigma change strategies and the research needed to inform and evaluate these efforts in the United States.

The Alcoholic Husband Primer 2016-06-09 Wren Waters Alcoholism has been called a "family disease" and yet the family, in particular the wife, of the alcoholic seems to go unseen by the addiction and recovery communities. And what support, advice and programs there are for the women married to alcoholics tend to be alcoholic-centric. "The Alcoholic Husband Primer" is advice for the wives of alcoholics based on their needs - not the needs of the alcoholic. It doesn't label women as "co-dependent." It doesn't accuse them of being "enablers." It's real, practical, everyday advice for the wives of alcoholics...written by the wife of an alcoholic.

Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section.

Understanding the High-Functioning Alcoholic 2009-02-27 Sarah A. Benton With a focus on recovery and treatment, this volume identifies the characteristics, behaviors, and experiences of the high-functioning alcoholic and highlights the struggles of those who cannot control their drinking even as they succeed in other areas of their lives.

Courage to Change—One Day at a Time in Al-Anon II 2018-08-01 Al-Anon Family Groups More daily inspiration from a fresh, diverse perspective. Insightful reflections reveal surprisingly simple things that can transform lives.

The Too-Good Wife 2005-12-29 Amy Borovoy “Amy Borovoy has beautifully portrayed the dilemmas of being female in modern Japan, and the nuanced grace with which these women manage their particular difficulties. She has created an indelible portrait of the way women struggle with the eternal questions of being mothers and wives, in particularly Japanese ways, and the ways in which they reflect upon and manage their lives. It is a remarkable book.”—Tanya Luhrmann, Max Palevsky Professor in the Committee on Human Development, University of Chicago

Overcoming Your Alcohol Or Drug Problem 2006-06-15 Dennis C. Daley This expanded new edition of the successful Graywind Publications title provides the reader with practical information and skills to help them understand and change a drug or alcohol problem.

Communities in Action 2017-04-27 National Academies of Sciences, Engineering, and Medicine In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. Communities in Action: Pathways to Health Equity seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

Opening Our Hearts 2007 "We can find hope from those who have walked this path before us. As we begin to heal from our losses, we in turn offer this same hope to others. Through our willingness to face our loss openly and honestly, we discover our strength and resilience - not despite it, but because of it"--Publisher.

A New Map for Relationships 2016-08-20 Martin E. . Hellman Dorotheie and Martin Hellman reveal the secrets that allowed them to transform an almost failed marriage into one where they reclaimed the true love that they felt when they first met fifty years ago. Surprisingly, they found that working on interpersonal and international challenges at the same time accelerated progress on both.

Clinical Case Studies for the Family Nurse Practitioner 2011-11-28 Leslie Neal-Boylan Clinical Case Studies for the Family Nurse Practitioneris a key resource for advanced practice nurses and graduatestudents seeking to test their skills in assessing, diagnosing, andmanaging cases in family and primary care. Composed of morethan 70 cases ranging from common to unique, the book compilesyears of experience from experts in the field. It is organizedchronologically, presenting cases from neonatal to geriatric carein a standard approach built on the SOAP format. Thisincludes differential diagnosis and a series of critical thinkingquestions ideal for self-assessment or classroom use.

TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019) 2019-11-19 U.S. Department of Health and Human Services Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.

One Day at a Time in Al-Anon 1989-12 Al-Anon Family Group Headquarters, Inc Alcoholism is a family illness, and changed attitudes can aid recovery. This daily readings guide for family and friends of alcoholics provides meditations and reminder, and visualizations that can provide a measure of comfort, serenity, and a sense of achievement.

Boundaries in Marriage 2009-05-18 Henry Cloud Learn when to say yes and how to say no in the context of your marriage relationship. In Boundaries in Marriage, Drs. Henry Cloud and John Townsend, counselors and authors of the New York Times bestseller Boundaries, teach us that healthy boundaries are the property lines that define and protect you and your spouse as individuals. Once you have them in place, a good marriage can become better, and a less-than-satisfying one can even be saved. Boundaries in Marriage will give you the tools and encouragement you need to: Set and maintain personal boundaries and respect those of your spouse Understand and practice two key ingredients to a successful marriage: freedom and responsibility Establish values that form a godly structure and architecture for your marriage Protect your marriage from different kinds of "intruders" Work with a spouse who understands and values boundaries--or with one who doesn't It's time to deepen your love by providing a better environment for it to flourish, and Drs. Cloud and Townsend are here to help. Discover how boundaries can make life better today!

The Freedom Writers Diary (20th Anniversary Edition) 2007-04-24 The Freedom Writers #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank’s diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students’ diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.
