Galactic Conflicts that Changed Past

It was the time 2023, and the earth stood at the brink of conflict. The USA and China, the pair of global powers, had been locked in a intense contest, competing for resources, dominance, and control. They had both developed high-tech weapons, including lasers, drones, and orbiters, that can hit any location, any time. They had covertly built space stations, that can fire nuclear missiles, that can destroy the planet. They were both ready to employ these weapons, if required. But they were the only ones. There was a 3rd power, a secret entity, which had been monitoring them both, waiting for them, getting ready for them both. They were the aliens, and they had come arrived to stop them both. They had arrived to protect the earth, or to finish it all. They had come to start the galactic wars that changed history.
