It had been the year 23, and the earth was at the edge of battle. The U.S. and China, the pair of world powers, were engaged in a intense rivalry, contending for supplies, power, and supremacy. They had both engineered high-tech arms, like lasers, drones, and spacecrafts, that could attack any place, any time. They had secretly built orbital stations, that could fire atomic weapons, which can obliterate the world. They were both set to use them, if necessary. But they were the only ones. There was a third power, a hidden entity, which had observing them, waiting patiently for them, getting ready for them. They were aliens, and they had come to halt them. They had come arrived to protect the world, or to finish it. They had come come to start the star wars that changed chronicle.
