Corrupt

2023-11-07 Penelope Douglas Dreams might be a heart's desire, but nightmares are its obsession in the first novel of a dark romance series from New York Times bestselling author Penelope Douglas. Erika Fane's boyfriend's older brother is handsome, strong, and completely terrifying. The star of his college's basketball team gone pro, he's more concerned with the dirt on his shoe than he is with her. But she saw him. She heard him. The things that he did, and the deeds that he hid... For years, Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

White Gold

2006-06-13 Giles Milton Giles Milton's White Gold tells the true story of white European slaves in eighteenth century Algiers, Tunis, and Morocco. "An elegantly discursive retelling . . . customarily elegant prose." --Simon Winchester, The Boston Globe In the summer of 1716, a Cornish cabin boy named Thomas Pellow and fifty-one of his comrades were captured at sea by Barbary corsairs. Their captors--Ali Hakem and his network of Islamic slave traders--had declared war on the whole of Christendom. Pellow and his shipmates were bought by the tyrannical sultan of Morocco. Drawn from the unpublished letters and manuscripts of Pellow and survivors like him, Giles Milton's White Gold is a fascinating glimpse at a time long forgotten by history.

Debauchery a Harem Boy's Saga

2014-08-27 Young "Being deeply loved by someone gives you strength, while loving someone deeply gives you courage." Lao Tzu Debauchery is the triquel to A Harem Boy's Saga, a provocative story about a young man who was initiated into a clandestine sexual society through his UK boarding school. From there, he was spirited to the Middle East to attend the Bahriji (Oasis) School in The United Arab Emirates in preparation for Harem services for the wealthy elite. It is also a love story between the young man, his 'Big Brother, ' and his 'Valet, ' who served as his chaperones and mentors. This book follows the teenagers' erotic and exotic adventures and experiences at their third Arabian Household Harem, the Quwah. There, they became confidants to a prince, assistants in an international dance club venture, "Carousel," and apprentices and models in a controversial photography project, "Sacred Sex in Sacred Places." This story is an account of the author's experiences. Through these truths, often demonized by contemporary societies that deem such behaviors inappropriate, the author hopes to dispel condemnation and negativity related to sexuality, love, and personal freedom. A Harem Boy's Saga is a series of seven volumes.

Legendborn

2020-09-15 Tracy Deonn An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of The Belles). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape--until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts--and fails--to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets--and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down--or join the fight.

Kings of Quarantine

2022-09-16 Caroline Peckham Cruel. Heartless. Quarantined.The ruthless boys of Everlake Prep never saw lockdown coming.But the virus isn't their number one enemy.I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and

some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.
