Uncle Petros and Goldbach's Conjecture 2012-11-15 Apostolos Doxiadis
Uncle Petros is a family joke. An ageing recluse, he lives alone in a suburb of Athens, playing chess and tending to his garden. If you didn't know better, you'd surely think he was one of life's failures. But his young nephew suspects otherwise. For Uncle Petros, he discovers, was once a celebrated mathematician, brilliant and foolhardy enough to stake everything on solving a problem that had defied all attempts at proof for nearly three centuries - Goldbach's Conjecture. His quest brings him into contact with some of the century's greatest mathematicians, including the Indian prodigy Ramanujan and the young Alan Turing. But his struggle is lonely and single-minded, and by the end it has apparently destroyed his life. Until that is a final encounter with his nephew opens up to Petros, once more, the deep mysterious beauty of mathematics. Uncle Petros and Goldbach's Conjecture is an inspiring novel of intellectual adventure, proud genius, the exhilaration of pure mathematics - and the rivalry and antagonism which torment those who pursue impossible goals.

Seven Lives and One Great Love 2014-05-06 Lena Divani
A haughty and hilarious cat narrates this tale about seducing a resistant human . . . Anyone who has ever lived with cats knows how cunning, tender, smart, ferocious, underhanded, ingenious, foolish, and completely adorable they can be. These words describe Sugar Zach to a T. This is the epic story of the love between Sugar Zach—in his seventh life, a keenly intelligent and observant cat—and the Damsel, a writer with a frenetic lifestyle and an apparent abhorrence of things feline. Sugar Zach's powers of observation and analysis are unparalleled, and after six lives lived among people from all walks of life he has countless stories to tell and a remarkable talent for telling them. His real area of expertise, however, lies in his preternatural ability to domesticate his humans—whatever you do, don't even suggest that the humans are the ones who domesticate him. Yet he is flummoxed by the Damsel's indifference to his charms. But he is not going to let her coldness stop him: One way or another, he is going to insinuate himself into her life and her art. With wit and a broad repertoire of cultural references, Sugar Zach recounts his days and nights spent with the Damsel in a novel that fits squarely into the illustrious tradition of feline literature à la T. S. Eliot, Edgar Allan Poe, Charles Baudelaire, Charles Bukowski, and Louis-Ferdinand Céline.

A Short Treatise on Prayer 2013-02-20 Alphonsus De Ligouri, St. Saint
Alphonsus says: "I HAVE already published several spiritual works, viz.: Visits to the blessed Sacrament, the Clock of the Passion of Jesus Christ, the Glories of Mary, a volume containing a Refutation of Materialism and Deism, and several small Treatises of Devotion, a Novena of the Nativity, which treats of the infancy of our Lord, a Book on the eternal maxims, entitled, a Preparation for Death, which contains a great deal of useful matter, for Sermons and Meditations, and also nine Discourses for the time of public calamities. But of all these works, I do not consider one more useful than this little book which treats of prayer as a secure and necessary means of obtaining salvation and all the graces necessary for it. Were it in my power, I would publish as many copies of this little work, as there are christians on earth, and would give to each a copy, that each might be convinced of the absolute necessity of prayer for salvation. I speak in this manner of this little treatise, because on the one hand, I see the absolute necessity of prayer so strongly inculcated in every page of holy writ, and in the writings of all the

fathers, and on the other, I perceive that very few christians make use of that great means of salvation. What grieves me most, is, that though .there is no practice on which preachers, confessors, or spiritual writers, should insist with greater warmth, or in stronger terms, than on that of prayer; still, I know, that preachers seldom recommend it to their auditors, or confessors to their penitents, and that the spirtual books most currently circulated amongst the people, do not sufficiently detail its advantages or inculcate its necessity. They indeed suggest many excellent means of preserving sanctifying grace, such as to avoid the occasions of sin, to frequent the sacraments, to resist temptations, to hear the word of God, to meditate on the truths of eternity, and other means; all of which are, I admit, most useful. But of what use, I ask, are sermons, meditations, and all the means proposed by masters of spiritual life, without prayer, when Jesus Christ has declared that he will grant his grace only to those who ask it. 'Ask,' he says, 'and you shall receive.' In God's ordinary providence, all our meditations, and good purposes, and promises, will be fruitless without prayer. If we do Dot pray, we will be for ever unfaithful to all the inspirations of God's grace, and to all our own promises. Because, to do actual good, to overcome temptation, and to practise virtue; in a word, to observe all the divine precepts, the light which God pours into our souls, and the reflections and resolutions which we ourselves make, are insufficient. The actual assistance of God is moreover necessary, and, as we will immediately see, the Almighty grants this actual assistance to those only who pray, and persevere in prayer. The lights we receive, and our own considerations and good purposes, enable us actually to pray, when tempted to transgress the divine law, and by prayer, to obtain from God actual help, by which we will avoid sin. But if, in temptation, we do not pray, we shall be lost. Saint Alphonsus reminds us: "The Pelagians erroneously asserted that Prayer is not necessary to obtain salvation."

Literature Class, Berkeley 1980 2017-03-28 Julio Cortázar
A master class from the exhilarating writer Julio Cortázar "I want you to know that I'm not a critic or theorist, which means that in my work I look for solutions as problems arise." So begins the first of eight classes that the great Argentine writer Julio Cortázar delivered at UC Berkeley in 1980. These "classes" are as much reflections on Cortázar's own writing career as they are about literature and the historical moment in which he lived. Covering such topics as "the writer's path" ("while my aesthetic world view made me admire writers like Borges, I was able to open my eyes to the language of street slang, lunfardo...") and "the fantastic" ("unbeknownst to me, the fantastic had become as acceptable, as possible and real, as the fact of eating soup at eight o'clock in the evening"), Literature Class provides the warm and personal experience of sitting in a room with the great author. As Joaquin Marco stated in El Cultural, "exploring this course is to dive into Cortázar designing his own creations.... Essential for anyone reading or studying Cortázar, cronopio or not!"

Ciao, passi a leggermi? 2020-06-26 Alessio Fiorucci
Tutto gira intorno all'amore. "Ciao, passi a leggermi?", è un invito a farsi leggere dentro, perché molte volte non abbiamo la capacità nel comunicare un affetto. È la cosa più difficile, e soprattutto è difficile farlo al momento e nel modo giusto. Ad Alessio

è capitato mille volte di essere lì, magari pronto a dire "Ti voglio bene" ad una persona, a sua madre, a suo padre o a un amico, e non riuscirci. Poi ci ripensa poco dopo e lo scrive per messaggio. Questo libro parla di Alessio, ma rappresenta tutte le parole che a volte vorremmo dire ma non abbiamo il coraggio di farlo. Purtroppo siamo circondati da blocchi e muri che ci costruiamo negli anni, e la vera difficoltà è abbatterli per sentirsi più vicini. Questo libro aiuta a distruggere le barriere. Questo libro aiuta a sentirsi più vicini con meno vergogna.

Socrates, or on Human Knowledge 2019-08-19 Simone Luzzatto Socrates, Or On Human Knowledge, published in Venice in 1651, is the only work written by a Jew that contains so far the promise of a genuinely sceptical investigation into the validity of human certainties. Simone Luzzatto masterly developed this book as a pièce of theatre where Socrates, as main actor, has the task to demonstrate the limits and weaknesses of the human capacity to acquire knowledge without being guided by revelation. He achieved this goal by offering an overview of the various and contradictory gnosiological opinions disseminated since ancient times: the divergence of views, to which he addressed the most attention, prevented him from giving a fixed definition of the nature of the cognitive process. This obliged him to come to the audacious conclusion of neither affirming nor denying anything concerning human knowledge, and finally of suspending his judgement altogether. This work unfortunately had little success in Luzzatto's lifetime, and was subsequently almost forgotten. The absence of substantial evidence from his contemporaries and that of his epistolary have thus increased the difficulty of tracing not only its legacy in the history of philosophical thought, but also of understanding the circumstances surrounding the writing of his Socrates. The present edition will be a preliminary study aiming to shed some light on the philosophical and historical value of this work's translation, indeed it will provide a broader readership with the opportunity to access this immensely complicated work and also to grasp some aspects of the composite intellectual framework and admirable modernity of Venetian Jewish culture in the ghetto.

The Years of Alienation in Italy 2019-06-11 Alessandra Diazzi The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

Poems and Selected Letters 2007-11-01 Veronica Franco Veronica Franco (whose life is featured in the motion picture *Dangerous Beauty*) was a sixteenth-century Venetian beauty, poet, and protofeminist. This collection captures the frank eroticism and impressive eloquence that set her apart from the chaste, silent woman prescribed by Renaissance gender ideology. As an "honored courtesan", Franco made her living by arranging to have sexual relations, for a high fee, with the elite of Venice and the many travelers—merchants, ambassadors, even kings—who passed through the city. Courtesans needed to be beautiful, sophisticated in their dress and manners, and elegant, cultivated conversationalists. Exempt from many of the social and educational restrictions placed on women of the Venetian patrician class, Franco used her position to recast "virtue" as "intellectual integrity," offering wit and refinement in return for patronage and a place in public life. Franco became a writer by allying herself with distinguished men at the center of her city's culture, particularly in the informal meetings of a literary salon at

the home of Domenico Venier, the oldest member of a noble family and a former Venetian senator. Through Venier's protection and her own determination, Franco published work in which she defended her fellow courtesans, speaking out against their mistreatment by men and criticizing the subordination of women in general. Venier also provided literary counsel when she responded to insulting attacks written by the male Venetian poet Maffio Venier. Franco's insight into the power conflicts between men and women and her awareness of the threat she posed to her male contemporaries make her life and work pertinent today.

The Wall of the Earth 1992 Giorgio Caproni "The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale Verdicchio

For This I Lived 2022-01-27 Sami Modiano Like so many Holocaust survivors, Sami Modiano remained silent for many years, not talking about his life, his experiences and his long journey through the twentieth century. How could he speak about such deep pain? The loss of his entire family, and his Jewish community of Rhodes wiped from the face of the earth? With the enactment of racial laws he is suddenly considered different; he wakes up as a child like many others and goes to sleep as a Jew. From that moment nothing will be the same as before. Sami is sent to Auschwitz Birkenau where he loses all his loved ones. Alone in the world, he is subjected to but does not learn to practice the language of hatred and violence. He survives and builds a new life with his wife Selma; they are an extraordinary couple united by their love for life. Several decades later, Sami's voice becomes a precious, unique testimony inspired by a question the author kept inside for a long time, a question that runs through the pages of his book: "Why did I come back alive? Why me?" This book that has been published in Italian in various editions and reprints since 2013, now available in English, offers an extraordinary testimony to a vast international audience. A story of pain and destruction, but also a sign of hope for one who has managed to tell his story and turn his words into seeds of peace and solidarity thereby creating a path of knowledge and culture.

Primary amenorrhea develops from the onset of menstrual periods. In this condition, the adolescent might not get periods when she enters puberty. Secondary amenorrhea is a condition where periods become irregular after a period of time and not from the start.

There are many causes of amenorrhea such as ovulation abnormality, eating disorders, birth defects, anatomical abnormalities, malnourishment, anorexia, bulimia, pregnancy, over exercising, thyroid disorder, obesity and other medical conditions. Out of these ovulation abnormalities are a common cause for absent or irregular periods. It is a must that an adolescent start getting menses at least by the age of sixteen. If not, anatomical abnormality, birth defect and other medical conditions are the cause. Adolescents who participate in sports actively and are athletic have a lower body fat content because of which they have absent menses. Even because of malnourishment, the body is incapable of sustaining pregnancy. So in turn the body itself shuts down the reproductive system and menses. Extra fat cells in the body interfere with ovulation and that is the reason why obese female have irregular menses. Amenorrhea is treated by dietary modifications, ovulation inhibitors and hormone treatment.
