Star Wars which Transformed Past

It had been the time 23, and the globe stood on the verge of battle. The U.S. and China, the two global powers, were entangled in a fierce contest, contending for resources, power, and control. They had engineered sophisticated arms, such as lasers, drones, and satellites, that could attack anywhere, anytime. They had clandestinely established space stations, which can fire nuclear missiles, that could destroy the earth. They were set to employ them, if ever necessary. But they were not the sole ones. There was a third entity, a hidden entity, that had been monitoring them, waiting for them both, preparing for them both. They were aliens, and they had arrived to halt them. They had come arrived to save the earth, or to terminate it all. They had come arrived to begin the space wars which altered chronicle.
