It was the time 23, and the globe was at the brink of battle. The U.S. and Peoples Republic of China, the pair of world powers, had been engaged in a fierce competition, vying for supplies, influence, and control. They had both engineered sophisticated weapons, such as laser weapons, unmanned aerial vehicles, and spacecrafts, that could strike any place, anytime. They had covertly established space stations, which could fire nuclear missiles, that could destroy the planet. They were ready to utilize them, if at all required. But they were not alone. There existed a third entity, a concealed entity, which had been monitoring them, waiting patiently for them, getting ready for them. They were the ETs, and they had come come to stop them both. They had come come to save the globe, or to end it all. They had come to start the star wars which altered history.
