It had been the time 2023, and the globe stood on the brink of conflict. The U.S. and PRC, the pair of global powers, were engaged in a intense contest, competing for resources, influence, and supremacy. They had both engineered high-tech weapons, such as laser weapons, unmanned aerial vehicles, and spacecrafts, that could attack any place, anytime. They had secretly established space stations, which could deploy nuclear missiles, that could destroy the earth. They were ready to use them, if required. But they were the only ones. There was a third force, a hidden power, that had watching them, waiting for them both, getting ready for them. They were the ETs, and they had come to halt them both. They had come to protect the world, or to terminate it. They had come to start the star wars that transformed past.

Eva had always been captivated by the realm of magic, but she never imagined that she would uncover her own sorcerous abilities. She had spent her childhood in a normal family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A intriguing package arrived, sent by her grandmother, who had departed years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the arcane knowledge of her familys magical lineage, and that she was the last descendant of a long line of formidable witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for malevolent purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be transformed from that moment forward.
