Nightmare that Never Ends

Sam awoke with a jump, his body drenched in moisture. The same horrific nightmare had once again haunted his sleep, the one where he was pursued by a ominous figure wielding a knife. He glanced at the clock; it was 3:15 am. He tried to placate his racing heart, attempting to convince himself that it was merely a product of his subconscious. Yet, deep down, he knew it was far more than that. He knew the mysterious figure was existent, and it was closing in towards him. He had seen it before, in the terrifying news reports, in the meticulous police sketches, in the stricken faces of the victims. It was the dreaded serial killer that had been terrorizing the city for what seemed like an eternity. And Sam was his next target.

~The Northstar engine, produced by General Motors (GM) from 1993 until 2011, was a premium 90° V engine series and GM's first production V-8 with overhead camshafts¹. However, despite its first achievement, the Northstar engine has been associated with a number of issues over the years and years.

One of the most usual problems is overheating, which can lead to substantial destruction to the engine block. A different problem is oil use, which can result in poor fuel economy and costly repairs. Many Northstar engine operators also note problems with head gaskets, which can cause overheating troubles and lead to pricey repairs. Particularly, the Northstar engine versions from 1993 to 2005 have been reported to have seepage problems, broken seals, damaged head gaskets, extra oil loss, broken valve cover, malfunctioning water pumps, and carbon collection. These problems are not major, but the cost to fix the problems was considerably greater than most other engines owing to the complex engineering.

"Bellman & Black" is a novel by Diane Setterfield, a UK-based author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man blessed by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

Space Battles that Transformed Past

It had been the time 2023, and the globe was at the brink of war. The U.S. and Peoples Republic of China, the pair of world powers, were locked in a fierce contest, vying for supplies, power, and dominance. They had created high-tech armaments, including lasers, drones, and orbiters, that can hit anywhere, any time. They had secretly constructed orbital stations, that could fire atomic weapons, which can destroy the world. They were set to employ these weapons, if ever necessary. But they were the sole ones. There existed a 3rd power, a secret power, that had observing them both, waiting for them both, preparing for them. They were the ETs, and they had come come to stop them. They had come arrived to save the earth, or to terminate it all. They had come arrived to start the star wars that changed chronicle.
