It was the time 2023, and the earth was at the brink of conflict. The U.S. and PRC, the pair of global powers, were engaged in a fierce rivalry, competing for assets, influence, and supremacy. They had developed high-tech arms, including lasers, drones, and spacecrafts, which could strike any location, any moment. They had secretly built orbital stations, that could fire nuclear missiles, that could destroy the world. They were prepared to use these weapons, if at all required. But they were not alone. There existed a 3rd power, a concealed entity, that had been monitoring them both, waiting patiently for them both, preparing for them. They were the aliens, and they had come to halt them. They had arrived to rescue the earth, or to end it. They had come to start the space wars that changed chronicle.

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at an enchanting summer camp. They were utterly smitten, spending every day

thrill of first love. Their bond was indestructible, and they vowed to keep in touch, to remain faithful, and to love each other forever. But life, as it often does, had other arrangements in store for them. They lost contact, they moved on with their lives, and they eventually married other people. Years passed, and the hustle and bustle of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a long-awaited reunion, their paths crossed once again. The moment they laid eyes on each other, the embers of their affection rekindled. The same electric spark that had drawn them together years ago was still potent. They felt the same joy that had fueled their teenage romance, but they also felt the burden of their past. Their souls ached for the unconditional love they had shared, but their minds grappled with the tangled web of their current lives. They were caught in an emotional battle, torn between the alluring memories of their first love and the comfort and familiarity of their present. They stood at a crossroads, forced to make a heartbreaking choice. Would they choose the intense connection of their first love, risking the unknown that lay ahead, or would they hold onto the predictability of their current lives, forever wondering what could have been? Only time would tell if their first love would overcome the challenges.
