assigned to a story about a rich heart surgeon who's confessed to the salacious murder of a young runaway he picked up on the gritty streets of a South Boston combat zone. At first, the story appears to be a random sex crime: the case two years old, the investigation long wrapped and mothballed, the killer convicted and locked away for the rest of his life. But as Ethan begins exploring the facts and meeting the principal characters, he unravels a sinister conspiracy by law enforcement officials, a pervasive cover-up driven by money, greed, and fear, and a dark secret hidden by the maniacal killer for decades. Steeped in the nuances of television production, Ethan takes the reader on a fast-paced journey through the underbelly of society using every skill at his fingertips to uncover the truth, while fighting his own inner demons in a bottle of Scotch.
