It had been the time 2023, and the world stood at the edge of conflict. The United States and Peoples Republic of China, the two superpowers, were locked in a fierce contest, vying for resources, power, and supremacy. They had developed high-tech armaments, such as lasers, drones, and orbiters, which could strike any place, any time. They had covertly established orbital stations, that could fire atomic weapons, which can obliterate the planet. They were ready to utilize these weapons, if ever necessary. But they were not alone. There was a 3rd power, a hidden force, which had monitoring them, waiting patiently for them, preparing for them both. They were the aliens, and they had come to stop them both. They had come to rescue the earth, or to finish it all. They had arrived to initiate the space wars which transformed history.

The Journey of a Thousand Miles

He was weary of his living. He was dull, depressed, and discontented. He had a employment he detested, a boss he loathed, and a partner he didn't love. He had no enthusiasm, no aim, no significance. He believed like he was misusing his time, his capability, his existence. He desired to change, he wanted to escape, he wanted to exist. He chose to quit his job, to break up with his partner, to dispose of his possessions, and to acquire a direct ticket to the other side of the globe. He didn't know where he was heading, he didn't realize what he was doing, he didn't realize what he was looking for. He only understood that he had to go, that he had to investigate, that he had to find out. He embarked on a trip of a thousand distances, a voyage of adventure, of challenge, of education, of growth, of transformation.

Eva had always been fascinated by the realm of magic, but she never anticipated that she would uncover her own sorcerous abilities. She had spent her childhood in a normal family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A enigmatic package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an timeworn leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the hidden mysteries of her familys magical lineage, and that she was the last descendant of a long line of formidable witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for evil purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.
