Joan of Arc

1999-01-01 Nancy Wilson Ross A biography of the fifteenth-century peasant girl who led a French army to victory against the English, witnessed the crowning of King Charles VII, and was later burned at the stake for witchcraft.

The Landing of the Pilgrims

1981-02-12 James Daugherty Learn how and why the Pilgrims left England to come to America! In England in the early 1600s, everyone was forced to join the Church of England. Young William Bradford and his friends believed they had every right to belong to whichever church they wanted. In the name of religious freedom, they fled to Holland, then sailed to America to start a new life. But the winter was harsh, and before a year passed, half the settlers had died. Yet, through hard work and strong faith, a tough group of Pilgrims did survive. Their belief in freedom of religion became an American ideal that still lives on today. James Daugherty draws on the Pilgrims' own journals to give a fresh and moving account of their life and traditions, their quest for religious freedom, and the founding of one of our nation's most beloved holidays; Thanksgiving.

Before Columbus

2004-07 Elizabeth Cody Kimmel Five hundred years before Columbus, a young Viking named Leif Eriksson crossed the Atlantic and became the first-known European to set foot in North America. The tale of the crossing has been passed down for 1000 years. Now Elizabeth Cody Kimmel retells it to a new audience, painting a vivid picture of what Eriksson might have experienced. Includes reproductions of maps, illustrations, and Viking artifacts.

Meet George Washington

2001-01-02 Joan Heilbroner George Washington grew up in the English colony of Virginia. He was tall and strong, fair in judgment, and respected by his friends as a good leader. As he grew older, George saw how England took advantage of the American colonies—and he didn't like it. When the colonies declared their independence, George was chosen to lead their army as its general. And when the colonies won their freedom, George was elected to lead the new nation as its first president.

The Landing of the Pilgrims

1978-01-01 James Daugherty In order to escape religious persecution, a group of English Separatists set sail for America in 1620, hoping to establish a new colony.

Pocahontas and Captain John Smith

1950 Marie Lawson

Meet Christopher Columbus

2012-04-25 James T. de Kay Schoolchildren will be fascinated by this clear account of Columbus's voyages and his encounters with storms, Indians, and political intrigue. A map of the world in Columbus's time and a detailed drawing of the Santa Maria add depth to this exciting, real-life adventure tale.

Meet Robert E Lee

2011-11-30 George W.S. Trow Meet ROBERT E. LEE is the story of a great American leader forced to make a terrible decision. Robert E. Lee the Virginian, son of a Revolutionary hero, served in the U.S. Army as America moved towards Civil War. Loving his country, he hated to see the Union split, but he could not fight against the South. His agonizing decision, his brilliant military leadership, and the fine example he set when the battle was done, are all recounted in this thoroughly researched and richly illustrated book.

Meet Thomas Jefferson

2011-03-30 Marvin Barrett When Thomas Jefferson was young, Virginia was still a colony of England. Jefferson thought that many English laws and taxes were unfair, so he studied hard to become a lawyer and help make better laws. Soon he and others came to believe that the colonies should become a new country, and Jefferson was chosen to write the Declaration of Independence. As the third president of the United States, he focused on exploring the country and making it grow. His fairness and love of learning made him one of the most beloved presidents of all time.

A term paper is a research paper written by students over an academic term, accounting for a major part of a grade. Its a vital component of your college education, often assigned towards the conclusion of a semester. The paper is a vehicle through which educators gauge your comprehension of the course content. Writing a term paper isnt just about summarizing facts. It requires a combination of organization, deep research, and the art of presenting your findings in a way thats both clear and analytical. This means structuring your arguments logically, citing relevant sources, and critically evaluating the information youve gathered. When grading a term paper, there are three important aspects to consider. First, the paper should be passionately written and captivating to read. Second, it should have good grammar and style (following MLA, APA, or CMS style). Third, it should be well documented with in-text references (in parentheses) linking their assertions to scholarly articles in the list of references at the end of the paper.

Chapter four of Holt Chemistry, titled "Periodic Table", provides a detailed look of the table of elements and its elements. The chapter starts with a dialogue on the traits of groupings and periodic groups, clarifying how the Russian chemist Dmitri Mendeleev arranged elements by their atomic weight in increasing order¹. It then delves into the idea of outer electrons and levels of energy of atoms, emphasizing the role of these electrons in reactions and alterations to atoms and molecular structures.

The chapter further differentiates between transition elements and main elements, elaborating on their characteristics and attributes. It also clarifies the concept of ionization energy and its patterns among groups and periods on the table of elements¹. The chapter converses about atomic and ionic, and how these can be predicted based on an atom's position on the table of elements.

The concept of electronegativity, which calculates an atom's inclination to pull a bonding pair of electrons, is another key theme discussed in this part¹. The chapter concludes with a conversation on the diagonal relationship, character of metals, and boiling point of components.

In terms of practice questions, the chapter provides a array of questions and test preparation supplies to bolster the notions understood. These questions cover a range of topics, from grasping the arrangement of components to investigating the patterns in the periodic table.

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were drawn to each other like magnets, spending every day laughing, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was indestructible, and they vowed to maintain their bond, to wait for each other, and to never let their love fade. But life, as it often does, had a different path in store for them. They lost track of each other, they moved on with their lives, and they eventually married other people. Years passed, and the turmoil of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a long-awaited reunion, their paths crossed once again. The moment they laid eyes on each other, the spark of their connection rekindled. The same magnetic pull that had drawn them together years ago was still potent. They felt the same excitement that had fueled their teenage romance, but they also felt the reality of their present. Their hearts yearned for the unconditional love they had shared, but their minds grappled with the challenges of their current lives. They were caught in a conflict of the heart, torn between the passion of their past and the stability and security of their present. They stood at a crossroads, forced to make a life-altering choice. Would they choose the intense connection of their first love, risking the unpredictability that lay ahead, or would they hold onto the stability of their current lives, forever wondering what could have been? Only time would tell if their first love would survive the test of time.

The evaluation questions extensively feature words that depict 20 subject fields (e.g., actions, vegetables, tools), parts of speech (nouns, verbs, attributes), and home and educational vocabulary.

The assessment offers two identical versions which contain distinct vocabulary words, guaranteeing that the test-taker has not “memorized” the test. One edition can be used before intervention implementation to evaluate test-takers’ vocabulary comprehension and the second version can be used for re-testing to assess and record progress. The PPVT-4 also features a special Growth Scale Value (GSV) which is reactive to slight changes over time.
