### **Challenge alter robert exodus in pdf pdf...Journey of a Thousand Miles**

He was weary of his existence. He was uninterested, sad, and unfulfilled. He had a job he despised, a manager he loathed, and a girlfriend he didn't adore. He had no enthusiasm, no aim, no meaning. He believed like he was wasting his hours, his capability, his existence. He wished to modify, he desired to flee, he desired to exist. He resolved to leave his job, to break up with his partner, to dispose of his belongings, and to purchase a single ticket to the opposite end of the earth. He didn't realize where he was proceeding, he didn't understand what he was carrying out, he didn't realize what he was seeking. He only understood that he had to go, that he had to investigate, that he had to find out. He started on a voyage of a thousand miles, a voyage of adventure, of difficulty, of learning,

of progress, of alteration.
