downpour was falling heavily, and the wind was roaring. In the center of the metropolis, there was a exhibition, where a precious diamond was on exhibit. The diamond was named the African Star, and it was the biggest and most gorgeous diamond in the globe. It was guarded by a sophisticated security system, and a team of equipped guards. No one could rob it, or so they thought. But an individual did. Someone succeeded to bypass the security, to avoid the guards, to shatter the pane, and to steal the diamond. And no one observed them, no one overheard them, no one recognized who they were. They departed from no mark, no hint, no evidence. They vanished into the nightfall, with the Star of Africa. And the riddle of the vanished diamond started.
