The work “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally published in 1997, creates a organized model for the analysis and portrayal of casual conversation in English. The scholars assert that in spite of its at times aimless look and apparently unstructured content, casual conversation is a extremely structured undertaking and plays a critical function in the social construction of reality. The publication works through real examples of casual conversations entailing participants diverging in age, gender, ethnicity, and socio-economic class¹². Pulling on understandings from sociology, linguistics, and critical semiotics, the book provides readers with the analytic skills to describe the strata of structure and critical interpretive frameworks to clarify the ‘social work’ that happens on through chat.
