Memoirs of a Newark, New Jersey Police Officer 2004-11-30 Anthony J. Carbo This book is a variety of short stories and episodes that I faced while I was a police officer for the city of Newark, New Jersey for fifteen and a half years. It gives a brief description on daily routines that police officers were faced with on the job without a lot of today's technology. I was a street patrolman and didn't have too much knowledge or facts about on going events inside the police department. In this book I tried to convey my personal feelings, thoughts, actions, and some of my experiences on what I witnessed, did or heard on the streets of this city during my time as a police officer from January 6, 1964 to June 30, 1979.

I Do Solemnly Swear 2005-10-06 R.J. Rice This book is dedicated to the hard working men and women who wear a police uniform everywhere in America. This book contains individual stories concerning actual events which the author was involved in during his 28 years as a Philadelphia Police Officer These incidents include homicide, rape, child abuse, robbery and almost any other deviate act devised by the human mind- it also contains some of the more humorous aspects of the job. It demonstrates how quickly a quiet moment can turn into a life and death struggle and how police officers must decide in a heart - beat what actions to take. Their decision may define the rest of their careers and their lives as well as the lives of the public they serve. The uniform officers do not have the luxury of hindsight when making their decisions. An officer makes un-told number of life altering decisions during law enforcement career. Most of the time they make the right choice but occasionally they make a mistake. This book demonstrates how an officer is forced to be a doctor, lawyer and occasionally a judge. The life of a cop is a thankless job but yet they continue to do it. This book contains just a sample of what a police officer sees during his / her police careers.

Stories of a Chicago Police Officer: 2016-03-17 Murphy Sex or lunch, what would you do, six days in a row? If you don't find the baby soon, will she freeze to death? It appears to be a single gunshot wound directly under the chin; should we assume suicide or possibly foul play? It appears the grandfather had a heart attack and fell through the glass storm window. Do we remove the body before the young grandkids show up? It's against rules but we can't allow the children's last memory of grandpa to be crumpled and bleeding. Is that a gun in his hand or is that a cell phone? It's too dark, but the call was a man with a gun! If you're right you're a hero. If you're wrong you go to the morgue. These decisions are made on a daily basis if you are a Chicago Police Officer. Hopefully you're right. If you're wrong not only do you suffer but your family does as well. No police officer wants to make a split second decision but at times that's all you have.

The Hall Street Shoot-Out 2010-11-12 Captain E.R. Walt On a pleasant Monday evening in September of 1969, twenty-six year-old Johnny Lee Thomas excused himself from his family's dinner table, picked up a pump shotgun and announced that he was going huntingalone. Seconds later he stepped out of his house and shot sixteen-year-old Aljewel Wesley in the face as she sat on her own front porch listening to records with her boyfriend and grandmother. That was but the first shot in what would shortly become the biggest gunbattle in the 130 year history of the Dallas Police Department. Johnny Thomas continued to shoot at neighbors, friends, family members and passing motorists until the police arrived, at which point he ambushed and shot the first three officers on the scene. He then retreated to his house and held off an assault by a hundred or more determined police officers in a furious firefight that lasted more than an hour and involved hundreds if not thousands of rounds fired. Before the incident ended, ten persons would be shot, including four police officers and a TV cameraman; two would be killed, including the shooter himself. Authored by a participant and based upon official police documents, original newspaper articles and personal interviews with forty six of the hundred or so officers present, the book details the gunbattle from the first shot to the final barrage of gunfire that ended the shooters life and brought it to a close. It includes a listing of sixty-seven Dallas officers known to have been combatants or otherwise involved in the incident and details their location and participation as far as it is known. Also included is an analysis of the factors that contributed to the spectacular nature of the incident from departmental policies, procedures, equipment and tactics to the culture and tenor of the times. Chapters are also dedicated to the firearms used in the battle and an analysis of exactly who, among the many officers involved, was responsible for putting an end to Thomass rampagesomething that was never addressed in the original investigation. The concluding chapters cover the aftermath of the gunbattle from the neighborhood riots and arson fires to the truncated investigation and include a brief history of the Dallas Police Departments Tactical Division and the fundamental changes in the operation of that unit that were brought about by the affair on Hall Street. The book closes with an epilogue bringing the reader up to date on the major players in the drama.

Soul of a Black Cop 2004 Brian Willingham Pulitzer Prize winning author Leon Litwack calls Brian Willingham's Soul of a Black Cop a scream from the bottom... a compelling and often unnerving documentary portrait of an urban war zone... the day to day experiences of America's interior exiles. The author is a black city cop in the Flint, Michigan, of Michael Moore fame. His beat is the ghetto, where a decaying city has imprisoned its downtrodden. There's no where else to go, and Willingham illustrates this through story after heartwrenching story and his profound comprehension of the human condition. It is a story of eight months in hell. Some say racism doesn't exist; others blame the suffering. A must-read book for all those in any type of social work, indeed a book for all America

It Wasn't the Badge, It Was the Grace of God 2021-02-22 Rev. Gary A. Jones I believe that becoming a police officer is a calling from God. Most are called to do God's will, to help, to protect, to serve the community, Some do it for the wrong reasons, power, dominance, to carry a gun and a badge, to abuse others. These things are not the will of God!

Gray Shades of Blue 2004-01-07 Philip Bulone These are the stories about the men and women with whom I worked during my fourteen years as a New York City Police Officer. I'm sharing these stories with you so you might understand what a cop goes through during his career and how he might react to situations. Urban police officers and officers patrolling smaller communities are subject to the same situations, reactions and dangers. Their response and handling calls for service are often based on their attitudes. Attitudes learned long before they pin a badge on their uniform. Although some of what you read will shock you, don't be too quick to criticize the actions taken. Take a deep breath, close the book, and put yourself momentarily in the same situation. I said momentarily because a decision a street cop makes is often made in seconds. Now, read on--but before you begin, strap on the gun belt, button up the blue shirt, straighten the hat, and walk out from the precinct remembering one thing: once those heavy brass doors close behind you...you become the fine line between a civilized society that acts within the law and those who choose to act outside it.

All American Boys 2015-09-29 Jason Reynolds A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens--one black, one white--grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist--happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins--a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan--and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And absent again. And the basketball team--half of whom are Rashad's best friends--start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

The Wagon and Other Stories from the City 2010-04-15 Martin Preib Martin Preib is an officer in the Chicago Police Department--a beat cop whose first assignment as a rookie policeman was working on the wagon that picks up the dead. Inspired by Preib's daily life on the job, The Wagon and Other Stories from the City chronicles the outer and inner lives of both a Chicago cop and the city itself. The book follows Preib as he transports body bags, forges an unlikely connection with his female partner, trains a younger officer, and finds himself among people long forgotten--or rendered

invisible—by the rest of society. Preib recounts how he navigates the tenuous labyrinths of race and class in the urban metropolis, such as a domestic disturbance call involving a gang member and his abused girlfriend or a run-in with a group of drunk puppies. As he encounters the real and imagined geographies of Chicago, the city reveals itself to be not just a backdrop, but a central force in his narrative of life and death. Preib’s accounts, all told in his breathtaking prose, come alive in ways that readers will long remember.

Panther's Rest 2007-07-19 Dale L. Hinz The history of the Fort Worth Police Department started in April 1873 and many factors brought about its existence at the confluence of the West Fork and Clear Fork of the Trinity River. Sarge! Cases of a Chicago Police Detective Sergeant in the 1960s, ’70s, and ’80s 2018-10-31 John A. DiMaggio “SARGE!” is a fascinating memoir by the late Chicago Police Detective Sergeant John A. DiMaggio, one of the most decorated officers on the force during a career that spanned the years 1957 to 1991. Among his awards are two Superintendent’s Awards of Valor, Mayor Richard J. Daley’s Praiseworthy Acknowledgment Plaque for Exceptional Act of Bravery Involving Risk of Life, a Presidential Citation of Appreciation, the Illinois Police Association Award of Valor, and many more. Upon his retirement in 1991, DiMaggio wrote a fascinating account of his work as a cop. The manuscript languished among his personal effects until after his death in 2008, after which his family decided to resurrect it, spruce it up, and submit it for publication. It turns out that he was an excellent word craftsman and storyteller; in fact, he was no stranger to writing—for many years he wrote the “Ask Sarge” column for the Mystery Writers of America Midwest Chapter newsletter. Told in a conversational, “regular guy” voice in episodic fashion, “SARGE!” reveals to the reader what it was really like to be a cop. The manuscript in many ways takes the form of a prose treatment of a weekly television police drama. A large selection of PHOTOS is included. DiMaggio takes the reader back to the decades such as the turbulent 1960s, when the police department was making a painful transition from “old school” to modernization. The author describes firsthand the legendary riots that occurred in Chicago after the assassination of Martin Luther King Jr. He illustrates the integration of minorities into the department and how that played out. He also goes into famous cases of corruption and the politics of navigating such a large department. One of the “set pieces” of the book is the story of how DiMaggio, as part of the “Three Musketeers”—a trio that included two detectives who were close friends—investigated a series terrifying slasher attacks on women that occurred in the city in the mid-70s. The case became one of the police department’s most memorable. Among the other cases detailed in the book include how DiMaggio found himself entering the home of a crazed young man holding hostages with a shotgun; the investigation of the discovery of a headless corpse; the takedown of the Chicago “Mad Bomber”; how an anonymous audio tape provided clues to the identities of armed robbers; and the manhunt for a cop killer.

Emergency!: 2013-05-15 Mark Brown, MD Long before the hit TV show E.R., emergency room doctor Mark Brown decided that the world just had to know about real life in a hospital's E.R. The emergency room is a cauldron of human emotions. The anguish, fear, need, and gore is wearing. As the protective layer of the self is weakened, the pain seeps through and begins to stain the soul. The protective layer grows thicker. But the patients’ needs call out to a sensitive heart, and a balance is struck. Survival in this place requires a deep kindness nestled in a very dark sense of humor, and a strong faith tempered with cynicism. The people who work in this place refer to it as the Pit. What follows is a collection of true stories from all over the country about what the ER doors bring. These stories are irreverent, funny, horrifying, and heartbreaking. They will buffet you. These stories are presented randomly, not neatly categorized as one might desire but in the disorderly manner in which the doors might bring them. They are written not by writers and reporters but in the words of the doctors, nurses, and paramedics who were there.—From the Introduction

Death on the Beat 2013-04-04 Dick Kirby A former member of London’s MP Flying Squad pays tribute to his fellow officers in a gripping and emotional true crime chronicle of duty and sacrifice. Dick Kirby of London’s Serious Crime Squad shares ten stories of courage spanning fifty years of crime enforcement in the Metropolitan Police. In honoring the selfless men and women who gave their lives, Kirby sheds light on the ever-present dangers of street patrol—from confrontations at public protests to being caught in the middle of a gang war to answering a seemingly run-of-the-mill call at a quiet residence. Here are the true stories of extraordinary lives cut short: WPC Yvonne Fletcher gunned-down while policing a demonstration at the Libyan Embassy; Detective Sergeant Ray Purdy, taken out while arresting a common blackmailer; PC Ray Summers, an officer with less than two years’ service, stabbed to death as he broke up a gang fight; a three-man crew in an unmarked ‘Q’ car wiped out by gunmen; PC Nat Edgar, shot by a burglar; PC Patrick Dunne, a home-beat officer murdered while investigating a domestic dispute; the horrific bombing of Herrods department store which cost three brave police officers their lives; and the murder of PC Stephen Tibble, which sparked investigations into the IRA. Drawing deeply on his knowledge and contacts within and outside the Metropolitan Police, Kirby explores the lives and deaths of these officers, and the trauma endured by the colleagues and loved ones they left behind. “I am delighted that Dick Kirby has written this book. Such heroes should be remembered.” —Michael Winner, director of Death Wish, from the Forward

The Politics of Safety 2023-11-28 Shannon King For much of the twentieth and twenty-first centuries, public officials in cities like New York, Chicago, and Baltimore have criminalized uprisings as portending Black “thugs” throwing rocks at police and plundering private property to undermine complaints of police violence. Liberal mayors like Fiorello H. La Guardia have often been the deftest practitioners of this strategy. As the Depression and wartime conditions spurred youth crime, white New Yorkers’ anxieties—about crime, the movement of Black people into white neighborhoods, and headlines featuring Black “hoodlums” emblazoned all over the white media—drove their support for the expansion of police patrols in the city, especially in Harlem and Bedford-Stuyvesant. Though Blacks also called for police protection and for La Guardia to provide equitable municipal resources, they primarily received more punishment. This set the stage for the Harlem uprising of 1943. Shannon King uncovers how Black activism for safety was a struggle against police brutality and crime, highlighting how the police withholding protection operated as a form of police violence and an abridgement of their civil rights. By decentering familiar narratives of riots, King places Black activism against harm at the center of the Black freedom struggle, revealing how Black neighborhoods became occupied territories in La Guardia’s New York.
