## Introduzione all'analisi dei servizi e degli interventi in ambito sociale

2006 Carla Costanzi

## L'aggressività nei servizi sociali. Analisi del fenomeno e strategie di fronteggiamento

2012 Le manifestazioni di aggressività, nei servizi, sono assai più frequenti di quanto si sappia o si pensi all'esterno. Nella quotidianità del lavoro sociale significano aggressività verbale, diretta e telefonica, minacce, attacchi distruttivi agli arredi, e perfino l'aggressione fisica. Solo queste due ultime forme possono essere conosciute perché vengono alla ribalta dei massmedia: e spesso accade anche che la vittima, l'operatore, venga presentato come il persecutore responsabile. Indubbiamente sono eventi che danno un segnale preoccupante della rottura di un legame fondamentale per il fronteggiamento delle problematiche sociali: il rapporto di fiducia del cittadino nei confronti delle istituzioni. E oggi, quando tutta la società sembra essere sempre più aggressiva, o lo diventerà, è questo un nodo a cui è necessario avvicinarsi. Lo scenario in cui si collocano queste pagine è quello del Sistema Integrato di interventi e servizi sociali e dei livelli di complessità che lo caratterizzano. Da un lato la sempre minore disponibilità di risorse economiche e umane, la necessità di riprogettarsi continuamente, e bisogni dell'utenza sempre più diversificati. Dall'altro lato, un aumento significativo dei livelli di impulsività aggressiva e dei rapidi passaggi all'atto. Il volume è rivolto a tutti gli operatori che lavorano con diversi ruoli e funzioni nei Servizi Sociali. Si propone di offrire strumenti, modelli di lettura e analisi che permettano la prevenzione e la gestione degli eventi aggressivi.

2001 Andrea Vargiu

## Il metodo nel servizio sociale. Analisi dei casi e ricerche

2013 Silvia Fargion

## Manuale di metodologia operativa per gli operatori dei Servizi Sociali

2012-10-21 Luigi Buffone Il volume vuole offrire agli insegnanti, agli studenti del corso di qualifica d'Operatore dei servizi sociali, a tutti coloro i quali si accingono a "lavorare" nel campo socio-assistenziale, un valido strumento operativo da poter utilizzare per costruire la propria professionalità e comprendere i diversi metodi per poter programmare ed organizzare le attività di lavoro. Questo volume unico tratta differenti argomenti con concetti semplici e chiari per permettere a chi legge di comprendere i reali obiettivi che ci si prefigge di raggiungere nel corso di qualifica per gli operatori dei servizi sociali. La disciplina - Metodologie operative dei servizi sociali - ha l'obiettivo di far acquisire al futuro operatore competenze a: livello teorico-culturale: capacità di lettura critica delle situazioni problematiche e dei bisogni degli utenti, capacità di pianificare, progettare interventi per la soluzione dei problemi; conoscenze teoriche su: utenti (anziani, disabili, bambini, tossicodipendenti, alcolisti, malati mentali ecc.), malattie croniche invalidanti, malattie ricorrenti nella prima infanzia, alimentazione, servizi socio-assistenziali presenti sul territorio, normativa esistente in campo socio-assistenziale, figure professionali dei servizi sociali; livello tecnico-pratico: abilità tecniche di osservazione, abilità

tecniche di comunicazione e rapporti interpersonali, abilità ludiche e d'animazione, capacità operativa guidata e acquisizione della capacità professionale. Ho tentato di illustrare nel presente volume il duplice livello del percorso formativo, cosciente dell'importanza di poter mettere a disposizione uno strumento capace di creare curiosità e desiderio di approfondimento, di riflessione, non trascurando l'esigenza di un ricorrente processo di integrazione e di sintesi fra le distinte materie di studio. Esprimo simpatia e gratitudine a tutti coloro che hanno cooperato alla elaborazione del testo.

## Tirocini e stage di servizio sociale. Manuale per studenti e supervisori

2015-04-09 Maria Luisa Raineri Il tirocinio è un elemento fondamentale per apprendere in maniera efficace il lavoro sociale. Quindi, limitarsi a immergere il tirocinante nel contesto di lavoro reale, facendogli fare a mano a mano «quello che capita», non è una strategia vincente, né per lui (o lei), né per l'organizzazione che lo ospita, né per la sede formativa. Come cercare il contesto adatto e scegliere le attività da svolgere? Come garantire una supervisione efficace ma anche non troppo dispendiosa in termini di tempo e impegno? Come coinvolgere gli utenti e gli altri operatori nella pratica del tirocinante? Il volume risponde a queste e molte altre domande, delineando una strada operativa che rende il «viaggio» della formazione sul campo meno difficoltoso e più gratificante per le persone e le organizzazioni coinvolte. Accanto ai classici tirocini di servizio sociale, in cui lo studente affianca un assistente sociale per imparare a riprodurre il lavoro, il testo presenta un'innovativa modalità per la formazione sul campo: lo stage sperimentale, in cui lo studente è impegnato nel realizzare nuovi progetti o nell'introdurre in un'organizzazione funzioni di servizio sociale che prima non venivano esercitate. In questo modo, lo stagista può diventare una risorsa preziosa per il contesto che lo accoglie e, contemporaneamente, esplora nuovi spazi professionali in cui trovare collocazione. Il libro è quindi utile:• agli studenti e ai neolaureati che vogliono giocare la propria parte per ricavare il meglio possibile dall'esperienza di tirocinio o di stage sperimentale;• ai professionisti del sociale che sono interessati a fare da supervisore;• ai coordinatori o ai dirigenti di servizi sociali alla persona che vogliono farsi un'idea di come uno stage sperimentale potrebbe essere utile alla loro organizzazione. Il testo presenta una ricca dotazione di strumenti operativi: schemi per la costruzione dei piani di lavoro, griglie di osservazione, schede di valutazione, sintetiche guide «step by step» per la realizzazione delle varie attività e moltissimi esempi pratici.

## Viva gli anziani. Un servizio innovativo per i nuovi scenari demografici e urbani

2010 Rita Cutini

## Il lavoro sociale individuale. Metodologia e tecniche di servizio sociale

2004 Rita Andrenacci

**il metodo nel servizio sociale analisi dei \_\_\_\_** The following il metodo nel servizio sociale analisi dei. You can down load this amazing image for your laptop, mini netbook or desktop computer. You also could book mark these pages to you favorite social bookmarking sites. How you can grab this il metodo nel servizio sociale analisi dei image? It is simple, you can utilize the save button or you can place your cursor towards the graphic and right click then choose save as. il metodo nel servizio sociale analisi dei is among the most photos we located on the online from reliable sources. We attempt to talk about this il metodo nel servizio sociale analisi dei pic here because according to facts from Google search engine, Its one of the top rated searches keyword on google. And that we also believe you arrived here were searching for this info, are not You? From many choices on the web we are sure

this pic might be a right guide for you, and we sincerely hope you are pleased with what we present. We are very thankful if you leave a opinion or feedback about this il metodo nel servizio sociale analisi dei article. Well apply it for better future posts. As recognized, adventure as with ease as experience approximately lesson, amusement, as without difficulty as settlement can be gotten by just checking out a books **il metodo nel servizio sociale analisi dei** then it is

not directly done, you could say yes even more concerning this life, just about the world.

We have the funds for you this proper as competently as easy pretentiousness to get those all. We manage to pay for il metodo nel servizio sociale analisi dei and numerous ebook collections from fictions to scientific research in any way. in the course of them is this il metodo nel servizio sociale analisi dei that can be your partner.

The Life and Legacy of Nelson Mandela

Nelson Mandela was one of the most influential and inspiring leaders of the 20th century. He was born on July 18, 1918, in Mvezo, a small village in South Africa. He belonged to the Thembu royal family, and was given the name Rolihlahla, which means "troublemaker" in Xhosa. He grew up in a time of racial oppression and discrimination, and witnessed the injustices and violence inflicted by the white minority government on the black majority. He decided to dedicate his life to the struggle for freedom and equality, and joined the African National Congress (ANC), a political party that fought against apartheid, the system of racial segregation and domination in South Africa. He became a lawyer, an activist, and a leader, and was arrested and imprisoned several times for his resistance and defiance. He spent 27 years in prison, most of them on Robben Island, a notorious prison island where he endured harsh conditions and isolation. He never gave up his hope and vision, and continued to inspire and mobilize his people and the world. He was released from prison in 1990, and became the first democratically elected president of South Africa in 1994. He led the country through a peaceful transition and reconciliation, and became a global icon of human rights, democracy, and peace. He received the Nobel Peace Prize in 1993, and many other honors and awards. He died on December 5, 2013, at the age of 95, leaving behind a legacy of courage, wisdom, and compassion. He is widely regarded as the father of the nation, and one of the greatest heroes of history.
