The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally released in 1997, establishes a methodical model for the analysis and depiction of casual conversation in English. The scholars argue that notwithstanding its occasionally aimless appearance and apparently unstructured content, casual conversation is a very structured task and performs a critical part in the social building of reality. The publication works through real examples of casual conversations including participants varying in age, gender, ethnicity, and socio-economic class<sup>12</sup>. Deriving on insights from sociology, linguistics, and critical semiotics, the book provides readers with the analytic skills to depict the layers of structure and critical interpretive models to explain the 'social work' that happens on through chat.
