Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a magical summer camp. They were inseparable, spending every day exchanging lighthearted banter, exchanging heartfelt thoughts, and experiencing the thrill of first love. Their bond was indestructible, and they vowed to maintain their bond, to remain faithful, and to never let their love fade. But life, as it often does, had other arrangements in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the whirlwind of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a sentimental reunion, their paths crossed once again. The moment they laid eyes on each other, the flame of their first love rekindled. The same magnetic pull that had drawn them together years ago was still potent. They felt the same joy that had fueled their teenage romance, but they also felt the weight of time. Their hearts yearned for the unwavering devotion they had shared, but their minds grappled with the complexity of their current lives. They were caught in a tug-of-war, torn between the passion of their past and the complications of their present. They stood at a defining moment, forced to make a heartbreaking choice. Would they choose the intense
