Il filo e la trama 2018 Eleonora Aquilini Questo volume è a tutti gli effetti una biografia. Una biografia professionale, visto che l'autrice racconta la sua esperienza di insegnamento. Quando una professione è vissuta con intensità e pienezza diventa semplicemente la propria storia: una testimonianza di una crescita intellettuale, professionale e umana che travalica qualunque confine si pensi di dovergli imporre. Le tante storie che si raccontano non sono mai pura narrazione scolastica, non sono scritte per i curiosi che stanno dietro la porta dell'aula a sbirciare quello che succede. I testi partono sempre dai problemi dell'apprendimento e dalla difficoltà del "far apprendere", si interrogano su come superare le resistenze e stimolare la curiosità per riuscire a far apprezzare la bellezza della scoperta personale, di un successo scolastico che non sia mai soltanto scolastico ma una tappa fondamentale della scoperta di sé, dei propri talenti e interessi.
