It was a gloomy and stormy night. The drizzle was pouring down, and the wind was roaring. In the center of the metropolis, there was a exhibition, where a precious diamond was on display. The diamond was named the African Star, and it was the biggest and most beautiful diamond in the world. It was secured by a high-tech security setup, and a squad of weaponized guards. No one could steal it, or so they believed. But an individual did. Someone succeeded to get around the safeguard, to elude the guards, to shatter the window, and to grab the diamond. And no one saw them, no one overheard them, no one recognized who they were. They exited no mark, no lead, no proof. They vanished into the darkness, with the Star of Africa. And the riddle of the lost diamond began.

Star Wars which Changed History

It had been the year 2023, and the earth was at the brink of battle. The United States and Peoples Republic of China, the pair of global powers, had been engaged in a intense contest, competing for supplies, influence, and control. They had created advanced arms, including lasers, drones, and satellites, that can hit any location, any time. They had clandestinely established space stations, which can deploy atomic weapons, that could obliterate the earth. They were both prepared to utilize these weapons, if needed. But they were alone. There was a 3rd power, a secret force, that had watching them both, waiting for them both, preparing for them. They were the extraterrestrials, and they had come arrived to stop them. They had come come to protect the world, or to end it all. They had arrived to begin the galactic wars that altered history.
