**First Love that Never Fades**  
Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were utterly smitten, spending every day laughing, engaging in deep conversations, and sharing stolen kisses. Their bond was indestructible, and they vowed to keep in touch, to cherish their connection, and to love each other forever. But life, as it often does, had different plans in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the turmoil of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a long-awaited reunion, their paths crossed once again. The moment they laid eyes on each other, the flame of their first love

rekindled. The same undeniable attraction that had drawn them together years ago was still palpable. They felt the same excitement that had fueled their teenage romance, but they also felt the burden of their past. Their souls ached for the unwavering devotion they had shared, but their minds grappled with the tangled web of their current lives.
