It was the time 2023, and the earth stood at the verge of battle. The U.S. and Peoples Republic of China, the pair of global powers, were engaged in a ferocious competition, contending for supplies, dominance, and dominance. They had developed high-tech arms, like lasers, drones, and satellites, that could strike anywhere, any time. They had also clandestinely established space stations, that can launch nuclear missiles, which could annihilate the earth. They were both prepared to utilize these weapons, if required. But they were the sole ones. There was a third power, a secret force, that had watching them both, waiting for them both, getting ready for them. They were aliens, and they had come come to halt them. They had arrived to protect the globe, or to terminate it all. They had come to begin the star wars which transformed past.
