Fahrenheit 451 Ray Bradbury 2013-02-14 The hauntingly prophetic classic novel. Over 1 million copies sold in the UK.

Charlotte's Web E. B. White 2015-03-17 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble.

Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and *Laura Ingalls Wilder's Little House* series, among many other books. Whether enjoyed in the classroom or for

homeschooling or independent reading, Charlotte's Web is a proven favorite.

Under My Skin Alan Rockoff 2011-10 Under My Skin presents a practicing dermatologist's sensitive and humorous reflections on medical practice, health care, bureaucrats, and the very different ways doctors and their patients look at health and disease. Besides being informative, author (and dermatologist) Dr. Alan Rockoff offers in Under My Skin a witty take on skin medicine, a field some people think is as superficial as the organ it works with. Rockoff begs to differ, and sets a delightful tone to describe both the gratifying and annoying moments that come with daily practice. Rockoff also tells tales both droll and touching of people who have shared with him not just their skin problems but their personal lives, quiet hopes, and deepest fears. With 30 years of medical practice under his belt, Rockoff combines wit, candor, and empathy to present a unique perspective on the ins and outs of dermatology and the patients who make practicing it worthwhile. Whether you've been a health professional or ever consulted one - or if you've worked in most any profession - you will relate to Rockoff's tales of workplace joys and follies. From embarrassing doctor's office situations to tips on using an assortment of medications, this highly enjoyable read is bound to get under any reader's skin.

Where the Light Fell Philip Yancey 2023-03-14 In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to Hillbilly Elegy” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, New York Times bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a “toxic faith,” the other into a self-destructive spiral. *Where the Light Fell* is a gripping family narrative set against a turbulent time in post-World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. “I truly believe this is the one book I was put on earth to write,” says Yancey. “So many of the strands from my childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward.”

Dear Martin Nic Stone 2018-09-04 “Powerful, wrenching.” —JOHN GREEN, #1 New York Times bestselling author of *Turtles All the Way Down* “Raw and gripping.” —JASON REYNOLDS, New York Times bestselling coauthor of *All*

American Boys “A must-read!” —ANGIE THOMAS, #1 New York Times bestselling author of *The Hate U Give* Raw, captivating, and undeniably real, Nic Stone joins industry giants Jason Reynolds and Walter Dean Myers as she boldly tackles American race relations in this stunning #1 New York Times bestselling debut, a William C. Morris Award Finalist. Justyce McAllister is a good kid, an honor student, and always there to help a friend—but none of that matters to the police officer who just put him in handcuffs. Despite leaving his rough neighborhood behind, he can't escape the scorn of his former peers or the ridicule of his new classmates. Justyce looks to the teachings of Dr. Martin Luther King Jr. for answers. But do they hold up anymore? He starts a journal to Dr. King to find out. Then comes the day Justyce goes driving with his best friend, Manny, windows rolled down, music turned up—way up, sparking the fury of a white off-duty cop beside them. Words fly. Shots are fired. Justyce and Manny are caught in the crosshairs. In the media fallout, it's Justyce who is under attack. “Vivid and powerful.” —Booklist, Starred Review “A visceral portrait of a young man reckoning with the ugly, persistent violence of social injustice.” —Publishers Weekly

The Marauders' Island Tristan J. Tarwater 2016-06-30 Azria is a mage of Miz, trained to wield the magic her country is famous for. When her estranged mother, alleged pirate Captain Apzana of the Hen & Chick, shows up on her 16th birthday offering her adventure, Azria leaves the life she knows for the promise of riches, renown and danger at her mother's side. But more mysteries than answers surface when Apzana reveals why she's called on Azria after years of absence: the treasure of the Marauders' Island, an island sunk into the Sapphire Sea generations ago by the infamous mage Iyzani. If Azria can raise the island, the score of a thousand shores will be theirs for the taking and she'll secure her place among her mother's crew. But when Iyzani emerges from the shadows to stop them, Azria must summon her power and navigate the waters of revenge and ambition. A YA novel laced with coconut wine, salt, and magic!

Paper Towns John Green 2013 Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

The Diving Bell and the Butterfly Jean-Dominique Bauby 2008-03-06 A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only

intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Nineteen Eighty-Four George Orwell 2021-01-28 *Nineteen Eighty-Four* (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

Skin Again Bell Hooks 2017-06-04 From legendary author and critic bell hooks and multi-Caldecott Medalist Chris Raschka comes a new way to talk about race and identity that will appeal to parents of the youngest readers. The skin I'm in is just a covering. It cannot tell my story. If you want to know who I am, you have got to come inside and open your heart way wide. Race matters, but only so much--what's most important is who we are on the inside. Looking beyond skin, going straight to the heart, we find in each other the treasures stored down deep. Learning to cherish those treasures, to be all we imagine ourselves to be, makes us free. This award-winning book, celebrates all that makes us unique and different and offers a strong, timely and timeless message of loving yourself and others.

Skin in the Game Nassim Nicholas Taleb 2018-02-27 #1 NEW YORK TIMES BESTSELLER • A bold work from the author of *The Black Swan* that challenges many of our long-held beliefs about risk and reward, politics and religion, finance and personal responsibility In his most provocative and practical book yet, one of the foremost thinkers of our time redefines what it means to understand the world, succeed in a profession, contribute to a fair and just society, detect nonsense, and influence others. Citing examples ranging from Hammurabi to Seneca, Antaeus the Giant to Donald Trump, Nassim Nicholas Taleb shows how the willingness to accept one's own risks is an essential attribute of heroes, saints, and flourishing people in all walks of life. As always both accessible and iconoclastic, Taleb challenges long-held beliefs about the values of those who spearhead military interventions, make financial investments, and propagate religious faiths. Among his insights: • For social justice, focus on symmetry and risk sharing. You cannot make profits and transfer the risks to others, as bankers and large corporations do. You cannot get rich without owning your own risk and paying for your own losses. Forcing skin in the game corrects this asymmetry better than thousands of laws and regulations. • Ethical rules aren't universal. You're part of a group larger than you, but it's still smaller than humanity in general. • Minorities, not majorities, run the world. The world is not run by consensus but by stubborn minorities imposing their tastes and ethics on others. • You can be an intellectual yet still be an idiot. "Educated philistines" have been wrong on everything from Stalinism to Iraq to low-carb diets. • Beware of complicated solutions (that someone was paid to find). A simple barbell can build muscle better than expensive new machines. • True religion is commitment, not just faith. How much you believe in something is manifested only by what you're willing to risk for it. The phrase "skin in the game" is one we have often heard but rarely stopped to truly dissect. It is the backbone of risk management, but it's also an astonishingly rich worldview that, as Taleb shows in this book, applies to all aspects of our lives. As Taleb says, "The symmetry of skin in the game is a simple rule that's necessary for fairness and justice, and the ultimate BS-buster," and "Never trust anyone who doesn't have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them."

The Giver Lois Lowry 2014 Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

The Skin You Live In Tyler Michael Csicsko David Lee 2013 With the ease and simplicity of a nursery rhyme, this lively story delivers an important message of social acceptance to young readers. Themes associated with child development and social harmony, such as friendship, acceptance, self-esteem, and diversity are promoted in simple and straightforward prose. Vivid illustrations of children's activities for all cultures, such as swimming in the ocean, hugging, catching butterflies, and eating birthday cake are also provided. This delightful picturebook offers a wonderful venue through which parents and teachers can discuss important social concepts with their children.

The Outsiders S. E. Hinton 2012-05-15 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Out of the Dust (Scholastic Gold) Karen Hesse 2012-09-01 Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Inside Out & Back Again Thanhha Lai 2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Mein Kampf Adolf Hitler 2021-03-19 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and

French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German vocabulary easy to understand. You will never be satisfied until you go through the whole book. A must-read book, which is one of the most widely circulated and read books worldwide.

Tears of a Tiger Sharon M. Draper 2013-07-23 Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Skin Map Stephen Lawhead 2011-05-30 It is the ultimate quest for the ultimate treasure. Chasing a map tattooed on human skin. Across an omniverse of intersecting realities. To unravel the future of the future. Kit Livingstone's great-grandfather appears to him in a deserted alley during a tumultuous storm. He reveals an unbelievable story: that the ley lines throughout Britain are not merely the stuff of legend or the weekend hobby of deluded cranks, but pathways to other worlds. To those who know how to use them, they grant the ability to travel the multi-layered universe of which we ordinarily inhabit only a tiny part. One explorer knew more than most. Braving every danger, he toured both time and space on voyages of heroic discovery. Ever on his guard and fearful of becoming lost in the cosmos, he developed an intricate code—a roadmap of symbols—that he tattooed onto his own body. This Skin Map has since been lost in time. Now the race is on to recover all the pieces and discover its secrets. But the Skin Map itself is not the ultimate goal. It is merely the beginning of a vast and marvelous quest for a prize beyond imagining. The Bright Empires series—from acclaimed author Stephen R. Lawhead—is a unique blend of epic treasure hunt, ancient history, alternate realities, cutting-edge physics, philosophy, and mystery. The result is a page-turning, adventure like no other. "Anything but ordinary . . . Dynamic settings are mixed with unpredictable adventures [and] parallel worlds." —BookPage

Our Skin: A First Conversation About Race Megan Madison 2021-03-16 Based on the research that race, gender, consent, and body positivity should be discussed with toddlers on up, this read-aloud board book series offers adults the opportunity to begin important conversations with young children in an informed, safe, and supported way. Developed by experts in the fields of early childhood and activism against injustice, this topic-driven board book offers clear, concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion. While young

children are avid observers and questioners of their world, adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin. Research shows that talking about issues like race and gender from the age of two not only helps children understand what they see, but also increases self-awareness, self-esteem, and allows them to recognize and confront things that are unfair, like discrimination and prejudice. This first book in the series begins the conversation on race, with a supportive approach that considers both the child and the adult. Stunning art accompanies the simple and interactive text, and the backmatter offers additional resources and ideas for extending this discussion.

The Skin I'm In Sharon Flake 2007-05 This winner of the 1999 Coretta Scott King John Steptoe Award tells the story of a young African-American girl who is tormented by her peers because of her darker skin.

Never Let Me Go Sachin Garg 2012

Strengthening Forensic Science in the United States National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration.

Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Road Cormac McCarthy 2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* a father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac

McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Long Way Down Jason Reynolds 2017-10-24 "An intense snapshot of the chain reaction caused by pulling a trigger." –Booklist (starred review) "Astonishing." –Kirkus Reviews (starred review) "A tour de force." –Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Tattooed Skin and Health J. Serup 2015-03-26 With about 10–20% of the adult population in Europe being tattooed, there is a strong demand for publications discussing the various issues related to tattooed skin and health. Until now, only a few scientific studies on tattooing have been published. This book discusses different aspects of the various medical risks associated with tattoos, such as allergic reactions from red tattoos, papulo-nodular reactions from black tattoos as well as technical and psycho-social complications, in addition to bacterial and viral infections. Further sections are dedicated to the composition of tattoo inks, and a case is made for the urgent introduction of national and international regulations. Distinguished authors, all specialists in their particular fields, have contributed to this publication which provides a comprehensive view of the health implications associated with tattooing. The book covers a broad range of topics that will be of interest to clinicians and nursing staff, toxicologists and regulators as well as laser surgeons who often face

the challenge of having to remove tattoos, professional tattooists and producers of tattoo ink.

The Book Thief Markus Zusak 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." –The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." –USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Under Their Skin Margaret Peterson Haddix 2016-01-05 From New York Times bestselling author Margaret Peterson Haddix comes the first book in a "crisp, intriguing, and thought-provoking" (Booklist, starred review) new series about twins who are on a quest to discover the secrets being kept by their new family. Nick and Eryn's mom is getting remarried, and the twelve-year-old twins are skeptical when she tells them their lives won't change much. Well, yes, they will have to move. And they will have a new stepfather, stepbrother, and stepsister. But Mom tells them not to worry. They won't ever have to meet their stepsiblings. This news puzzles Nick and Eryn, so the twins set out on a mission to find out who these kids are—and why they're being kept hidden.

The Life I'm In Sharon G. Flake 2021-01-05 The powerful and long-anticipated companion to *The Skin I'm In*, Sharon Flake's bestselling modern classic, presents the unflinching story of Char, a young woman trapped in the underworld of human trafficking. My feet are heavy as stones when I walk up the block wondering why I can't find my old self. In *The Skin I'm In*, readers saw into the life of Maleeka Madison, a teen who suffered from the ridicule she received because of her dark skin color. For decades fans have wanted to know the fate of the bully who made Maleeka's life miserable, Char. Now in Sharon Flake's latest and unflinching novel, *The Life I'm In*, we follow Charlese Jones, who, with her raw, blistering voice speaks the truths many girls face, offering insight to some of the causes and conditions that make a bully. Turned out of the only home she has known, Char boards a bus to nowhere where she is lured into the dangerous web of human trafficking. Much is revealed behind the complex system of men who take advantage of vulnerable teens in the underbelly of society. While Char might be frightened, she remains strong and determined to bring herself and her fellow victims out of the dark and back into the light, reminding us why compassion is a powerful cure to the ills of the world. Sharon Flake's bestselling, Coretta Scott King Award-winning novel *The Skin I'm In* was a game changer when it was first published more than twenty years ago. It redefined young adult literature by presenting characters, voices, and real-world experiences that had not been fully seen. Now Flake offers readers another timely and radical story of a girl on the brink and how her choices will lead her to either fall, or fly.

The Skin We're In Desmond Cole 2020-01-28 NATIONAL BESTSELLER WINNER OF THE 2020 TORONTO BOOK AWARD A bracing, provocative, and perspective-shifting book from one of Canada's most celebrated and uncompromising

writers, Desmond Cole. *The Skin We're In* will spark a national conversation, influence policy, and inspire activists. In his 2015 cover story for *Toronto Life* magazine, Desmond Cole exposed the racist actions of the Toronto police force, detailing the dozens of times he had been stopped and interrogated under the controversial practice of carding. The story quickly came to national prominence, shaking the country to its core and catapulting its author into the public sphere. Cole used his newfound profile to draw insistent, unyielding attention to the injustices faced by Black Canadians on a daily basis. Both Cole's activism and journalism find vibrant expression in his first book, *The Skin We're In*. Puncturing the bubble of Canadian smugness and naive assumptions of a post-racial nation, Cole chronicles just one year—2017—in the struggle against racism in this country. It was a year that saw calls for tighter borders when Black refugees braved frigid temperatures to cross into Manitoba from the States, Indigenous land and water protectors resisting the celebration of Canada's 150th birthday, police across the country rallying around an officer accused of murder, and more. The year also witnessed the profound personal and professional ramifications of Desmond Cole's unwavering determination to combat injustice. In April, Cole disrupted a Toronto police board meeting by calling for the destruction of all data collected through carding. Following the protest, Cole, a columnist with the *Toronto Star*, was summoned to a meeting with the paper's opinions editor and informed that his activism violated company policy. Rather than limit his efforts defending Black lives, Cole chose to sever his relationship with the publication. Then in July, at another police board meeting, Cole challenged the board to respond to accusations of a police cover-up in the brutal beating of Dafonte Miller by an off-duty police officer and his brother. When Cole refused to leave the meeting until the question was publicly addressed, he was arrested. The image of Cole walking out of the meeting, handcuffed and flanked by officers, fortified the distrust between the city's Black community and its police force. Month-by-month, Cole creates a comprehensive picture of entrenched, systemic inequality. Urgent, controversial, and unsparingly honest, *The Skin We're In* is destined to become a vital text for anti-racist and social justice movements in Canada, as well as a potent antidote to the all-too-present complacency of many white Canadians.

Democratizing Innovation Eric Von Hippel 2006-02-17 The process of user-centered innovation: how it can benefit both users and manufacturers and how its emergence will bring changes in business models and in public policy. Innovation is rapidly becoming democratized. Users, aided by improvements in computer and communications technology, increasingly can develop their own new products and services. These innovating users—both individuals and firms—often freely share their innovations with others, creating user-innovation communities and a rich intellectual commons. In *Democratizing Innovation*, Eric von Hippel looks closely at this emerging system of user-centered innovation. He explains why and when users find it profitable to develop new products and services for themselves, and why it often pays users to reveal their innovations freely for the use of all. The trend toward democratized innovation can be seen in software and information products—most notably in the free and open-source software movement—but also in physical products. Von Hippel's many examples of user innovation in action range from surgical equipment to surfboards to software security features. He shows that product and service development is concentrated among "lead users," who are ahead on marketplace trends and whose innovations are often commercially attractive. Von Hippel argues that manufacturers should redesign their innovation processes

and that they should systematically seek out innovations developed by users. He points to businesses—the custom semiconductor industry is one example—that have learned to assist user-innovators by providing them with toolkits for developing new products. User innovation has a positive impact on social welfare, and von Hippel proposes that government policies, including R&D subsidies and tax credits, should be realigned to eliminate biases against it. The goal of a democratized user-centered innovation system, says von Hippel, is well worth striving for. An electronic version of this book is available under a Creative Commons license. *Freak the Mighty* Rodman Philbrick 2015-04-01 Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Nominated to 28 State Award Lists! An American Library Association Notable Children's Book A New York Public Library 100 Titles for Reading and Sharing Selection A Kirkus Reviews Editors' Choice A Child Magazine Best Children's Book A Mark Twain Award Winner A William Allen White Children's Book Award Winner "A realistic post-apocalyptic world. DuPrau's book leaves Doon and Lina on the verge of undiscovered country and readers wanting more." —USA Today "An electric debut." —Publishers Weekly, Starred "While *Ember* is colorless and dark, the book itself is rich with description." —VOYA, Starred "A harrowing journey into the unknown, and cryptic messages for readers to decipher." —Kirkus Reviews, Starred

The Percy Jackson and the Olympians, Book Three: Titan's Curse Rick Riordan 2007-05 In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.

I'm Not Dying with You Tonight Kimberly Jones 2019-08-06 The New York Times Bestseller! "An absolute page turner, *I'm Not Dying with You Tonight* is a compelling and powerful novel that is sure to make an impact." —Angie Thomas, New York Times bestselling author of *The Hate U Give* An NAACP Image Award Nominee, *I'm Not Dying with You Tonight* follows two teen girls—one black, one white—who have to confront their own assumptions about racial inequality as they rely on each other to get through the violent race riot that has set their city on fire with civil unrest. Lena has her killer style, her awesome boyfriend, and a plan. She knows she's going to make it big. Campbell, on the other hand, is just trying to keep her head down and get through the year at her new school. When both girls attend the Friday-night football game, what neither expects is for everything to descend into sudden mass chaos. Chaos born from violence and hate. Chaos that unexpectedly throws them together. They aren't friends. They hardly understand the other's point of view. But none of that matters when the city is up in flames, and they only have each other to rely on if they're going to survive the night. This book is

perfect for: Sparking conversations about prejudice and the racial tension that exists in America Parents and educators looking for multicultural and African American books for teens Fans of Nic Stone, Angie Thomas, and Jason Reynolds Additional Praise for I'm Not Dying with You Tonight: "A vital addition to the YA race relations canon." –Nic Stone, New York Times bestselling author of Dear Martin "An astounding achievement. This novel is an incendiary experience, one that does not shy away from difficult questions about privilege and violence. But Jones and Segal don't hold our hands to provide us easy answers; this is a book meant to be devoured in a single sitting and discussed for years to come." –Mark Oshiro, author of Anger is a Gift "I'm Not Dying With You Tonight is a powerful examination of privilege, and how friends are often found in surprising places. Jones and Segal have penned a page-turning debut, as timely as it is addictive." –David Arnold, New York Times bestselling author of Mosquitoland and Kids of Appetite

The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

Between the World and Me Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Tuesdays with Morrie Mitch Albom 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul."—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

The Skin I'm In Sharon Flake 2011-07-06 Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?
