The Road Cormac McCarthy 2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-

apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living

master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

In the Shadow of the Dragon King J. Keller Ford 2016-05-31 Seventeen-year-old Eric is a kick-butt squire

to the most revered and protective knight in Fallhollow—well, he would be if Sir Trogsdill allowed him to do anything even remotely chivalrous. Determined to prove his self-worth, Eric sets out to find the mythical paladin summoned to protect the realm. After all, if he can join forces with this legendary savior Sir Trogsdill will have to promote him to knighthood, right? Meanwhile, 16-year-old David is whisked off to the magical realm of Fallhollow where everyone thinks he's some sort of paladin destined to fulfill a wacked-out, two-hundred year old prophecy. As Paladin, David is supposed to help kill a dragon bent on destroying the realm, but he needs some sort of magic key to do it. The problem is that the key is around the neck of an annoying squire who's too wrapped up in proving himself which makes him completely unhelpful. With egos as big as the dragon they need to destroy, Eric and David must get over themselves or watch everything they know and love burn.

Bring the Heat G. Aiken 2017 HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I'm a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don't deserve to live. And yet, Branwen the Awful--a low-born, no less--either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I'll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can't worry about why he keeps staring at me, or why

he always sits so close, or why he keeps looking at me like he's thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because if we're going to win this war before it destroys everything we love, we'll have to face our enemies together, side by side and without distractions. But if we make it out alive, who knows what the future will hold . . . Poor Things Alasdair Gray 2001 One of Alasdair Gray's most brilliant creations, Poor Things is a postmodern revision of Frankenstein that replaces the traditional monster with Bella Baxter—a beautiful young erotomaniac brought back to life with the brain of an infant. Godwin Baxter's scientific ambition to create the perfect companion is realized when he finds the drowned body of Bella, but his dream is thwarted by Dr. Archibald

McCandless's jealous love for Baxter's creation. The hilarious tale of love and scandal that ensues would be "the whole story" in the hands of a lesser author (which in fact it is, for this account is actually written by Dr. McCandless). For Gray, though, this is only half the story, after which Bella (a.k.a. Victoria McCandless) has her own say in the matter. Satirizing the classic Victorian novel, Poor Things is a hilarious political allegory and a thought-provoking duel between the desires of men and the independence of women, from one of Scotland's most accomplished authors.

Dragon's Kin Anne McCaffrey 2003-11-25 "Personable characters and superb storytelling make this an excellent choice. . . . Essential for Pern fans of all ages."—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. "A guaranteed pleaser [in] one of SF's most splendid and longest-lived sagas."—Booklist "Another delightful entry in the Pern series."—Publishers Weekly

Light My Fire G.A. Aiken 2014-11-25 The New York Times bestselling author offers "absolutely everything a reader could want in a book: action, sex, craziness, passion, lunacy and . . . humor" (Fresh Fiction). The trouble with humans is that they're far too sensitive. Forget you put a woman in the local jail for a few months--and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I'm trapped with Elina Shestakova of the Black Bear Riders of the Midnight . . . gods! That endless name! But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female. Even more shocking, this unforgiving female is completely unimpressed by me. How is that even possible? But I know what I want and, for the moment, I want her. And I'm sure that she, like all females, will learn to adore me. How could she not when I am just so damn charming? The Dragon Who Loved Me G.A. Aiken 2011-05-26 “There’s never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read” from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I’ve earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it’s the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don’t care if he’s fascinated by me, even though he is as attractive as he is resourceful. He’s having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I’m going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author

The Princess Knight G.A. Aiken 2020-11-24 USA Today Bestseller An Amazon Best of the Month Selection “Electrically fun...turns the usual fairy-tale class dynamics upside down...this is a book that encourages trust in people’s goodness, if not their patience or good sense. It’s light on the romance, but prodigiously good for the heart.” —The New York Times In New York Times bestselling author G.A. Aiken’s gripping new fantasy romance series, the Blacksmith Queen must confront armies and pretenders desperate to take her new-won crown. But with the Princess Knight at her side and a centaur warrior clan at her back, she’ll risk

everything for victory . . . LONG LIVE THE QUEEN Gemma Smythe dedicated her life to the glory of battle. With her fellow War Monks, she worshipped the war gods, rained destruction on her enemies, and raised the dead when the fancy took her. Until her sister Keeley became the prophesied Blacksmith Queen, and Gemma broke faith with her order to journey to the Amichai Mountain and fight by Keeley's side. The Amichai warriors are an unruly, never-to-be-tamed lot, especially their leader-in-waiting, Quinn. But when the War Monks declare support for Gemma's ruthless younger sister Beatrix, the immaturity of her key ally is the least of Gemma's problems. She has to get to the grand masters, dispel their grudge against her, and persuade them to fight for Keeley and justice. If her conviction can't sway them, perhaps Quinn's irritating, irreverent, clearly unhinged, ferocity will win the day . . . Praise for The Blacksmith Queen "It may be laugh-out-loud funny, but at its heart this is a story of a woman who cares deeply for both the family she has and the one she creates." –Bookpage "Tilting more toward fantasy, this paranormal romance will be a hit with fans of both genres who enjoy tales that are lighthearted and humorous." –Booklist

A Heart of Blood and Ashes Milla Vane 2020-02-04 A generation past, the western realms were embroiled in endless war. Then the Destroyer came. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean

crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Dragon on Top G.A. Aiken 2015-11-01 A little dragon tenderness goes a long way in the "hot, hot" fantasy series from the New York Times bestselling author of the Scarred Earth Saga (Library Journal). I am Ghleanna the Decimator. I am a warrior. A soldier. I know no fear. No pain. No mercy. I do, however, know acute embarrassment! How could I not after getting dumped by a bastard dragon in front of my own troops? So I tuck tail and return to my cave, drowning my sorrows in ale—as is my family's way. But instead of leaving me to my misery, I've been summoned to the Dragon Queen's court. As if my life wasn't pathetic enough, Her Majesty now has me escorting the highborn Bram the Merciful through dangerous territories—not exactly the best use of my military training. And just so he can negotiate with enemy dragons instead of battling them? Honestly, what has my world come to? Then again . . . Bram is quite easy on the eyes. And the perfect distraction for what ails me. Perhaps I'm looking at all this the wrong way. Maybe there is a place for a little "mercy" in my life . . . Previously published in Supernatural. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying. . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman--one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? "Sexy and outrageous humor." -- Romantic Times I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many

skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best--destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways. . . But I thought I was finished with the one dragon I'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it--namely me--I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat. . . The time of the dragons has passed, and a New Age is coming--one dominated by a race called "Man." Wyvernwood, a deep and mysterious forest in the land of Engmar, is the last known refuge for the descendants of the great and majestic dragons that once ruled the skies. And with them have come most of the remaining mythological and magical creatures of the world. But there is no stopping the gradual encroachment of Men. It is clear to all the creatures of Wyvernwood, especially to the dragons, that if they are to survive, a new home and refuge must be found. Somewhere lost in the dangerous outer world, prophecy says, are three ancient artifacts called the Diamond Dragon, the Glass Dragon, and the Heart of All Dragons. When the three are united once again, they will point the way to a new home. Yet who will dare to seek such a place? Harrow, Chan, and Luna are three young dragon triplets--two brothers and a sister, born of the same nest. Prophecy says that one of the three will rise to lead the dragons to a new home--but which one?
