**Writing Essays About Literature** Katherine O. Acheson 2010-12-20 This book gives students an answer to the question, "What does my professor want from this essay?" In lively, direct language, it explains the process of creating "a clearly-written argument, based on evidence, about the meaning, power, or structure of a literary work." Using a single poem by William Carlos Williams as the basis for the process of writing a paper about a piece of literature, it walks students through the processes of reading, brainstorming, researching secondary sources, gathering evidence, and composing and editing the paper. Writing Essays About Literature is designed to strengthen argumentation skills and deepen understanding of the relationships between the reader, the author, the text, and critical interpretations. Its lessons about clarity, precision, and the importance of providing evidence will have wide relevance for student writers.

**Write Your Way In** Rachel Toor 2017-08-03 For all the anxiety that surrounds the college admissions process, one part of the application lies completely within a student's control: the essay. In this book, Rachel Toor--writing instructor and coach at all levels from high school to senior faculty, and former admissions officer at Duke University--shows that the key to writing a successful application essay is learning to present an honest portrait of yourself. This may sound simple but it means unlearning many of the principles taught in high school writing courses, avoiding the traps of mimicking sample essays and writing what you think admissions officers want to hear, and above all being willing to reveal your flaws as well as your strengths on the page. It also means mastering key mechanical issues that can undermine even the most thoughtful pieces of student writing. Toor offers her advice in a lively, humorous, and engaging tone, with stories of real students and their writing struggles and successes scattered throughout.

So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

**From Sentences to Essays: A Guide to Reflective Writing through Reflective Thinking** Mara Coggi 2019-07-01 There is hardly any doubt that reading and writing are related activities, and that both rely on creating meaning. When we read, as well as when we write, we find ourselves in the process of becoming. We change our knowledge and understanding along the way. However, writing is a daunting activity not only for language learners but for anyone who wants

to communicate their thoughts and ideas persuasively and accurately. When students engage in speaking activities, they are often able to communicate extraordinarily interesting ideas with few problems. Yet, when asked to form these ideas into coherent texts, they seem helpless. From basic sentence structure to writing persuasively, this book aims to help students tackle the various challenges and difficulties they face when writing. Divided into three accessible sections, Cogni presents a comprehensive and reflective approach to writing that combines grammar, vocabulary, and literature into a simultaneous and coherent whole. Cogni acknowledges that today more than ever learning a language needs to be perceived as a deeply meaningful process, and this book seeks to make that possible.

**Crafting The Personal Essay** Dinty W. Moore 2010-09-08 Award winning essayist Scott Russell Sanders once compared the art of essay writing to "the pursuit of mental rabbits"—a rambling through thickets of thought in search of some brief glimmer of fuzzy truth. While some people persist in the belief that essays are stuffy and antiquated, the truth is that the personal essay is an ever-changing creative medium that provides an ideal vehicle for satisfying the human urge to document truths as we experience them and share them with others—to capture a bit of life on paper. Crafting the Personal Essay is designed to help you explore the flexibility and power of the personal essay in your own writing. This hands-on, creativity-expanding guide will help you infuse your nonfiction with honesty, personality, and energy. You'll discover: • An exploration of the basics of essay writing • Ways to step back and scrutinize your experiences in order to separate out what may be fresh, powerful, surprising or fascinating to a reader • How to move past private "journaling" and write for an audience • How to write eight different types of essays including memoir, travel, humor, and nature essays among others • Instruction for revision and strategies for getting published Brimming with helpful examples, exercises, and sample essays, this indispensable guide will help your personal essays transcend the merely private to become powerfully universal.
