Mestizo Modernity David S. Dalton 2021-11-02
Honorable Mention, Latin American Studies Association Mexico Section Best Book in the Humanities After the end of the Mexican Revolution in 1917, postrevolutionary leaders hoped to assimilate the country's racially diverse population into one official mixed-race identity—the mestizo. This book shows that as part of this vision, the Mexican government believed it could modernize “primitive” Indigenous peoples

the form of education, modern medicine, industrial agriculture, and factory work. David Dalton takes a close look at how authors, artists, and thinkers—some state-funded, some independent—engaged with official views of Mexican racial identity from the 1920s to the 1970s. Dalton surveys essays, plays, novels, murals, and films that portray indigenous bodies being fused, or hybridized, with technology. He examines José Vasconcelos's essay “The Cosmic Race” and the influence of its ideologies on mural

artists such as Diego Rivera and José Clemente Orozco. He discusses the theme of introducing Amerindians to medical hygiene and immunizations in the films of Emilio "El Indio" Fernández. He analyzes the portrayal of indigenous monsters in the films of El Santo, as well as Carlos Olvera's critique of postrevolutionary worldviews in the novel *Mejicanos en el espacio*. Incorporating the perspectives of posthumanism and cyborg studies, Dalton shows that technology played a key role in race formation in Mexico throughout the twentieth century. This cutting-edge study offers fascinating new insights into the culture of mestizaje, illuminating the attitudes that inform Mexican race relations in the present

societal transformations related to migration and its representation in 21st-century art, offering diverse points of entry into this massive phenomenon and its many manifestations. The featured artworks range from painting, sculpture, and photography to installation, video, and sound art, and their makers--including Isaac Julien, Richard Mosse, Reena Saini Kallat, Yinka Shonibare MBE, and Do Ho Suh, among many others--hail from around the world. Texts by experts in political science, Latin American studies, and human rights, as well as contemporary art, expand upon the political, economic, and social contexts of migration and its representation. The book also includes three conversations in which artists discuss the complex reality of making art in a world of migration.

work about migration. Amid worldwide tensions surrounding refugee crises and border security, this publication provides a nuanced interpretation of the current cultural moment. Intertwining themes of memory, home, activism, and more, When Home Won't Let You Stay meditates on how art both shapes and is shaped by the public discourse on migration. The Hebrew Bible: A Translation with Commentary (Vol. Three-Volume Set) Robert Alter 2018-12-18 A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the format [Download from via.ramtech.uri.edu](https://www.ramtech.uri.edu) on September 26, 2023 by Mia n Ferguson

of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. Downloaded from

(Essence). Following her retirement from Princeton University, celebrated historian Dr. Nell Irvin Painter surprised everyone in her life by returning to school—in her sixties—to earn a BFA and MFA in painting. In *Old in Art School*, she travels from her beloved Newark to the prestigious Rhode Island School of Design; finds meaning in the artists she loves, even as she comes to understand how they may be undervalued; and struggles with the unstable balance between the pursuit of art and the inevitable, sometimes painful demands of a life fully lived. How are women and artists seen and judged by their age, looks, and race? What does it mean when someone says, “You will never be an artist”? Who defines what an artist is and

and how he achieved his breakthrough and revolutionized modern art through his masterpiece, *Les Femmes d'Alger (O. J. M. Version O)*. In 1900, eighteen-year-old Pablo Picasso journeyed from Barcelona to Paris, the glittering capital of the art world. For the next several years he endured poverty and neglect before emerging as the leader of a bohemian band of painters, sculptors, and poets. Here he met his first true love and enjoyed his first taste of fame. Decades later Picasso would look back on these years as the happiest of his long life.

Recognition came first from the avant-garde, then from daring collectors like Leo and Gertrude Stein. In 1907, Picasso began the vast, disturbing masterpiece known as *Les Femmes d'Alger (O. J. M. Version O)*.

the painting of Paul Cézanne and the inventions of African and tribal sculpture, Picasso created a work that captured the disorienting experience of modernity itself. The painting proved so shocking that even his friends assumed he'd gone mad, but over the months and years it exerted an ever greater fascination on the most advanced painters and sculptors, ultimately laying the foundation for the most innovative century in the history of art. In Picasso and the Painting That Shocked the World, Miles J. Unger "combines the personal story of Picasso's early years in Paris—his friendships, his romances, his great ambition, his fears—with the larger story of modernism and the avant-garde" (The Christian Science Monitor). This is the story of

Fierce Aly Raisman
2017-11-14 Discover Aly Raisman's inspiring story of dedication, perseverance, and learning to think positive even in the toughest times on her path to gold medal success in two Olympic Games--and beyond. Aly Raisman first stepped onto a gymnastics mat as a toddler in a "mommy & me" gymnastics class. No one could have predicted then that sixteen years later, she'd be standing on an Olympic podium, having achieved her dreams. Aly's road to success was full of hard work, perseverance, and victories, but not without its hardships. Aly faced many obstacles, from naysayers who said she'd never make it in gymnastics to classmates

athletic body to a devastating betrayal of trust. Through it all, Aly surrounded herself with supportive family, friends, and teammates and found the inner strength to remain positive and believe in herself. Now, in her own words, Aly shows what it takes to be a champion on and off the floor, and takes readers on a behind-the-scenes journey before, during, and after her remarkable achievements in two Olympic Games--through her highest highs, lowest lows, and all the moments in between. Honest and heartfelt, frank and funny, Aly's story is enhanced with never-before-published photos, excerpts from the personal journals she's kept since childhood that chronicle memorable moments with her teammates, and hard-won advice for readers striving to rise above

our ancestors built pyramids in exact alignment to the stars and worshipped the sun and moon gods in a hierarchical structure.

It will be revealed that this was due to the mystery of Babylon.

(Hierarchy of the angels) The body of Jesus Christ, and the holy ghost, and the body of Satan and the cosmic sorceries of the universe (The spirit of Antichrist) are two hierarchies in the world that we must understand.

With this understanding, we can explore future prophecies to come, which challenge the false teachings in Christian eschatology.

You can learn more about the inkhorn and see a sneak preview of the book by visiting the authors website at www.theinkhornbook.com

ART BOOKS OF THE DECADE
BY ARTNEWS** The first
and definitive biography
of the celebrated
collectors Dominique and
John de Menil, who
became one of the
greatest cultural forces
of the twentieth century
through groundbreaking
exhibits of art,
artistic scholarship,
the creation of
innovative galleries and
museums, and work with
civil rights. Dominique
and John de Menil
created an oasis of
culture in their Philip
Johnson-designed house
with everyone from
Marlene Dietrich and
René Magritte to Andy
Warhol and Jasper Johns.
In Houston, they built
the Menil Collection,
the Rothko Chapel, the
Byzantine Fresco Chapel,
the Cy Twombly Gallery,
and underwrote the
Contemporary Arts
Museum. Now, with
unprecedented access to

Middleton has written a
sweeping biography of
this unique couple. From
their ancestors in
Normandy and Alsace, to
their own early years in
France, and their
travels in South America
before settling in
Houston. We see them
introduced to the
artists in Europe and
America whose works they
would collect, and we
see how, by the 1960s,
their collection had
grown to include 17,000
paintings, sculptures,
drawings, photographs,
rare books, and
decorative objects. And
here is, as well, a
vivid behind-the-scenes
look at the art world of
the twentieth century
and the enormous
influence the de Menils
wielded through what
they collected and built
and through the causes
they believed in.

China's Avant-Garde, 1978–2018

Daria Berg
2022-11-11 This book examines how China's new generation of avant-garde writers and artists are pushing the boundaries of vernacular culture, creatively appropriating artistic and literary languages from global cultures to reflect on reform-era China's transformation and the Maoist heritage. It explores the vortex of cultural change from the launch of Deng Xiaoping's reforms in 1978 to Xi Jinping establishing his leadership for life in 2018. The book argues that China's new avant-garde adopt transcultural forms of expression while challenging the official discourse of Xi Jinping's regime, which promotes cultural

that cultural production in China embodies the essence of the "Chinese nation". The topics range from body art, women's poetry and boys' love literature to Tibetan fiction and ceramic art. The book shows how the avant-garde use the new digital media to bypass government censorship, transcending China's virtual frontiers while breaking new ground for an emerging public sphere. Overall, the book provides a rich picture of the nature of China's avant-garde art and literature and the challenges it poses for the Chinese government.

Ninth Street Women Mary Gabriel 2018-09-25 Five women revolutionize the modern art world in postwar America in this "gratifying, generous, and lush" true story from a National Book Award and Pulitzer Prize

(Szalai, New York Times). Set amid the most turbulent social and political period of modern times, *Ninth Street Women* is the impassioned, wild, sometimes tragic, always exhilarating chronicle of five women who dared to enter the male-dominated world of twentieth-century abstract painting -- not as muses but as artists. From their cold-water lofts, where they worked, drank, fought, and loved, these pioneers burst open the door to the art world for themselves and countless others to come. Gutsy and indomitable, Lee Krasner was a hell-raising leader among artists long before she became part of the modern art world's first celebrity couple by marrying Jackson Pollock. Elaine de Kooning, whose brilliant mind

out why they are picking on her. She keeps the attacks to herself afraid if she tells someone, the girls will become meaner toward her. Abby's spirits are lifted by becoming friendly with Eden, a handicapped boy, also starting sixth grade, who moves into the house next door. Once Eden hears about her problem, he encourages her to determine a way to stand up to them. He even tries to show her techniques to push back, but Abby cannot find the courage to use them. On Halloween night, when Abby and Eden meet this pack of girls on a neighborhood street and they start an attack, Abby shudders in fear wondering if she will ever be able to stand up for herself.

Let the Children March

Monica Clark-Robinson
2018 Coretta Scott King Honor Award for

Illustration 2019 I couldn't play on the same playground as the white kids. I couldn't go to their schools. I couldn't drink from their water fountains.

There were so many things I couldn't do. In 1963 Birmingham, Alabama, thousands of African American children volunteered to march for their civil rights after hearing Dr. Martin Luther King Jr. speak. They protested the laws that kept black people separate from white people. Facing fear, hate, and danger, these children used their voices to change the world. Frank

event to life, while Monica Clark-Robinson's moving and poetic words document this remarkable time.

The Exhaustive Concordance of the Bible

James Strong 1890

Remembering Lucile Polly

E. Bugros McLean

2018-09-28 In 1918

Lucile Berkeley Buchanan Jones received her bachelor's degree from the University of Colorado, becoming its first female African American graduate (though she was not allowed to "walk" at graduation, nor is she pictured in the 1918 CU yearbook). In

Remembering Lucile, author Polly McLean depicts the rise of the African American middle class through the historical journey of Lucile and her family from slavery in northern Virginia to life in the American West, using

a lens through which to examine the greater experience of middle-class Blacks in the early twentieth century. The first-born daughter of emancipated slaves, Lucile refused to be defined by the racist and sexist climate of her times, settling on a career path in teaching that required great courage in the face of pernicious Jim Crow laws. Embracing her sister's dream for higher education and W. E. B. Du Bois's ideology, she placed education and intelligence at the forefront of her life, teaching in places where she could most benefit African American students. Over her 105 years she was an eyewitness to spectacular, inspiring, and tragic moments in American history, including horrific lynchings and

racism in housing and business opportunities, as well as the success of women's suffrage and Black-owned businesses and educational institutions. Remembering Lucile employs a unique blend of Black feminist historiography and wider discussions of race, gender, class, religion, politics, and education to illuminate major events in African American history and culture, as well as the history of the University of Colorado and its relationship to Black students and alumni, as it has evolved from institutional racism to welcoming acceptance. This extensive biography paints a vivid picture of a strong, extraordinary Black woman who witnessed an extraordinary time in America and rectifies

institutional history. The book fills an important gap in the literature of the history of Blacks in the Rocky Mountain region and will be of significance to anyone interested in American history. Media: Denver Post Daily Camera Colorado Arts & Sciences Magazine **The White Darkness** David Grann 2018-10-30 From the #1 New York Times bestselling author of Killers of the Flower Moon, a powerful true story of adventure and obsession in the Antarctic, lavishly illustrated with color photographs. Henry Worsley was a devoted husband and father and a decorated British special forces officer who believed in honor and sacrifice. He was also a man obsessed. He spent his life idolizing Ernest Shackleton, the nineteenth-century explorer

Downloaded from via.ramtech.uri.edu on September 26, 2023 by Mia n Ferguson

explorer, who tried to become the first person to reach the South Pole, and later sought to cross Antarctica on foot. Shackleton never completed his journeys, but he repeatedly rescued his men from certain death, and emerged as one of the greatest leaders in history. Worsley felt an overpowering connection to those expeditions. He was related to one of Shackleton's men, Frank Worsley, and spent a fortune collecting artifacts from their epic treks across the continent. He modeled his military command on Shackleton's legendary skills and was determined to measure his own powers of endurance against them. He would succeed where Shackleton had failed, in the most brutal landscape in the world.

In 2008, Worsley set out to retrace the route of the 1914-1916 expedition with a team of 12 women. The book is a tribute to the women who have pushed the boundaries of what is possible. [Download the book from \[via.ramtech.uri.edu\]\(http://www.via.ramtech.uri.edu\) on September 26, 2023 by Mia n Ferguson](#)

two other descendants of Shackleton's crew, battling the freezing, desolate landscape, life-threatening physical exhaustion, and hidden crevasses. Yet when he returned home he felt compelled to go back. On November 13, 2015, at age 55, Worsley bid farewell to his family and embarked on his most perilous quest: to walk across Antarctica alone. David Grann tells Worsley's remarkable story with the intensity and power that have led him to be called "simply the best narrative nonfiction writer working today." Illustrated with more than fifty stunning photographs from Worsley's and Shackleton's journeys, *The White Darkness* is both a gorgeous keepsake volume and a spellbinding story of courage, love, and a man pushing himself to the limit.

but does not equivocate. She confronts bigotry, but does not engage with bullshit.” –Kelsey Miller, author of Big Girl “Long-time body positive writer, speaker and activist Virgie Tovar is gifting brown round girls the book we’ve been hungry for.” –Mitú

Limetown Cote Smith
2018-11-13 From the creators of the #1 podcast Limetown, an explosive prequel about a teenager who learns of a mysterious research facility where more than three hundred people have disappeared—including her uncle—with clues that become the key to discovering the secrets of this strange town. On a seemingly ordinary day, seventeen-year-old Lia Haddock hears news that will change her life forever: three hundred men, women, and

research facility in Limetown, Tennessee, have disappeared without a trace. Among the missing is Emile Haddock, Lia’s uncle. What happened to the people of Limetown? It’s all anyone can talk about. Except Lia’s parents, who refuse to discuss what might have happened there. They refuse, even, to discuss anything to do with Emile. As a student journalist, Lia begins an investigation that will take her far from her home, discovering clues about Emile’s past that lead to a shocking secret—one with unimaginable implications not only for the people of Limetown, but for Lia and her family. The only problem is...she’s not the only one looking for answers. Zack Akers and Skip Bronkie are first-rate storytellers, in every medium. Downloaded from

artists have used sculpture to explore the physical materiality of the body. This groundbreaking volume examines key sculptural works from thirteenth-century Europe to the global present, revealing new insights into the strategies artists deploy to blur the distinction between art and life. Three-dimensional renderings of the human figure are presented here in numerous manifestations, created by artists ranging from Donatello and Edgar Degas to Kiki Smith and Jeff Koons. Featuring works created in media both traditional and unexpected—such as glass, leather, and blood—Like Life presents sculpture by turns conventional and shocking, including effigies, dolls, mannequins, automata,

and thinkers of his age. A Prussian-born geographer, naturalist, explorer, and illustrator, he was a prolific writer whose books graced the shelves of American artists, scientists, philosophers, and politicians. Humboldt visited the United States for six weeks in 1804, engaging in a lively exchange of ideas with such figures as Thomas Jefferson and the painter Charles Willson Peale. It was perhaps the most consequential visit by a European traveler in the young nation's history, one that helped to shape an emerging American identity grounded in the natural world. In this beautifully illustrated book, Eleanor Jones Harvey examines how Humboldt left a lasting impression on American visual arts, sciences, literature, and

politics. She shows how he inspired a network of like-minded individuals who would go on to embrace the spirit of exploration, decry slavery, advocate for the welfare of Native Americans, and extol America's wilderness as a signature component of the nation's sense of self. Harvey traces how Humboldt's ideas influenced the transcendentalists and the landscape painters of the Hudson River School, and laid the foundations for the Smithsonian Institution, the Sierra Club, and the National Park Service. Alexander von Humboldt and the United States looks at paintings, sculptures, maps, and artifacts, and features works by leading American artists such as Albert Bierstadt, George Catlin, Frederic Church, and Samuel F. B. Morse.
