**Inspiration for All Seasons** John Scally 2020-10-29 Long before the terms ‘mindfulness’ and ‘well-being’ were coined, the Celtic tradition offered pathways to peace of mind and calm. For centuries it has created hope, unity and a community – a sanctuary of rest, renewal and reassurance. In these troubled times, the importance of connection, and a sanctuary, is stronger than ever. Drawing on the wisdom, stories, poetry, prayers and humour that are at the heart of the Celtic tradition, Inspiration for All Seasons reminds us of where we come from and brings comfort when it is badly needed. With contributions from individuals such as Peter McVerry and Mark Patrick Hederman, and a tribute to the late, great John O’Donohue, this book shines a light in the darkness. *Funny How?* Alex Clayton 2020-05-01 What makes something funny? This book shows how humor can be analyzed without killing the joke. Alex Clayton argues that the brevity of a sketch or skit and its typical rejection of narrative development make it comedy-concentrate, providing a rich field for exploring how humor works. Focusing on a dozen or so skits and scenes, Clayton shows precisely how sketch comedy appeals to the funny bone and engages our philosophical imagination. He suggests that since humor is about persuading an audience to laugh, it can be understood as a form of rhetoric. Through vivid, highly readable analyses of individual sketches, Clayton illustrates that Aristotle's three forms of appeal—logos, the appeal to reason; ethos, the appeal to communality; and pathos, the appeal to emotion—can form the basis for illuminating the inner workings of humor. Drawing on both popular and lesser-known examples from the United States, United Kingdom, and elsewhere—Monty Python's Flying Circus, Key and Peele, Saturday Night Live, Airplane!, and Smack the Pony—Clayton reveals the techniques and resonances of humor.

*Christmas as Religion* Christopher Deacy 2016-07-28 In Christmas as Religion, Christopher Deacy explores the premise that religion plays an elementary role in our understanding of the Christmas festival, but takes issue with much of the existing literature which is inclined to limit the contours and parameters of 'religion' to particular representations and manifestations of institutional forms of Christianity. 'Religion' is often tacitly identified as having an ecclesiastical frame of reference, so that if the Church is not deemed to play a central role in the practice of Christmas for many people today then it can legitimately be side-lined and relegated to the periphery of any discussion relating to what Christmas 'means'. Deacy argues that such approaches fail to take adequate stock of the manifold ways in which people's beliefs and values take shape in modern society. For example, Christmas films or radio programmes may comprise a non-specifically Christian, but nonetheless religiously rich, repository of beliefs, values, sentiments and aspirations. Therefore, this book makes the case for laying to rest the secularization thesis, with its simplistic assumption that religion in Western society is undergoing a period of escalating and irrevocable erosion, and to see instead that the secular may itself be a repository of the religious. Rather than see Christmas as comprising alternative or analogous forms of religious expression, or dependent on any causal relationship to the Christian tradition, Deacy maintains that it is religious per se, and, moreover, it is its very secularity that makes Christmas such a compelling, and even transcendent,

*The Baby Laundry for Unmarried Mothers* Angela Patrick 2012-03-15 In 1963, London was on the brink of becoming one of the world's most vibrant cities. Angela Patrick was 19 years old, enjoying her first job working in the City, when her life turned upside down. A brief fling with a charismatic charmer left her pregnant, unmarried and facing a stark future. Being under 21, she was still under the governance of her parents, strict Catholics who insisted she have the baby in secret and then put it up for adoption. Shunned by her family and forced to leave her job, Angela was sent to an imposing-looking convent for unmarried mothers in north-east London. Run like a Victorian workhouse, conditions in the convent were decidedly Spartan. Vilified and degraded by the nuns for her 'wickedness', her only comfort came from the other pregnant girls, all knowing they too would have to give up their babies. After a terrifying labour with no pain relief, Angela gave birth to a beautiful son, Paul, with whom she fell instantly in love. At eight weeks he was taken from her and forcibly put up for adoption, leaving Angela bereft and heartbroken. Not a day went by without Angela thinking about him. Then, thirty years later, she received a letter. It was from Paul, and a reunion was arranged. This vital slice of social history is a shocking reminder of how cultural mores have changed around the issue of single motherhood since the early 1960s. It is also an honest, heartfelt memoir that explores the closest of human bonds. **Name Your Baby** Lareina Rule 2010-08-18 From Abigail to Zachary, the most complete book of its kind, with more than 10,000 names! **The Krays and Me - Blood, Honour and Respect. Doing Porridge with The Krays** Charles Bronson 2007-04-30 Two names reigned supreme in London's underworld in the sixties - Ronnie and Reggie Kray; and it wasn't until 1969 that the twins went down at Brixton Prison for murder. I was only seventeen, on remand up in Risley, Warrington, for nicking a furniture lorry. Most of the lads in there had newspaper photos of the Krays stuck up on their cell walls. They were the cream of the criminal crop, and that's why I took such an interest in 'em. Once I was put away, it wasn't long before I got to meet them, and over the next 29 years I got closer to the Krays than any self-proclaimed henchman, any autograph hunter. As their trusted friend they let me in on it all - no holds barred behind bars! Since Ronnie and Reggie died, all I've heard is a load of bollocks! 'Reggie shot my cat; Ronnie stabbed my uncle Bert 75 times; Reggie ran over my hamster; I'm Ronnie's son, I'm Reggie's daughter.' Gutless maggots spreading rumours with their sham stories for sale. The shameless rats. Well now the twins are gone and I can talk. And let me tell you, I've got a lot to say and all the time in the world to say it. No bollocks. No silly stories. Just the facts about the time I spent doing porridge with the Krays.

*A Fistful of Marigolds* Joyce Worsfold 2014-05-17 It’s the beginning of new school term in 1973 and Kathy Johnson needs a fresh start. Thirty, unmarried and an overworked teacher in a primary school on a run-down council estate, she is beginning to feel that life has passed her by. She needs to move on, but is still haunted by a tragic secret from her past. However, the disadvantaged people of Becklefield have problems of their own and it’s not long before Kathy is irresistibly, compassionately and sometimes unwillingly drawn into their tumultuous lives. A devastating fire; mice and marigolds, parental abuse and apathy, community poverty and passion, plus knights, castles, cub scouts and hilarious days out to the seaside all become entwined into yet another hectic school year. Kathy needs faith and hope to get through and perhaps with the help of the loving church community she can. Add to that a boy obsessed by Beethoven, a girl who finds hope through a love of flowers and the confusion of several children from the estate all sharing one father exquisitely wrapped up in two poignant love stories, one delightfully her own, and the heart-warming tale of Kathy’s life turns prejudices and assumptions upside down and tells just how it is in the chaotic neighbourhood surrounding an inner-city primary school. "We are great admirers of Joyce Worsfold's writing. This book is filled with love, and we know that it will be enjoyed by many, many people.' Adrian and Bridget Plass 'If you enjoy a warm-hearted, life-

affirming and penetrating read then 'A Fistful of Marigolds' is for you. Written in a lively, accessible and entertaining style, the story captures the joys, misfortunes, the pleasures and the heartbreaks of an inspirational teacher who clearly loved her work with children.' Gervase Phinn

**Motorworld** Jeremy Clarkson 2004-05-27 Jeremy Clarkson invites us to Motorworld, his take on different cultures and the cars that they drive. There are ways and means of getting about that don't involve four wheels, but in this slice of vintage Clarkson, Jeremy isn't much interested in them. Back in 1996, he took himself off to twelve countries (okay, eleven - he goes to America twice) in search of the hows, whys and wherefores of different nationalities and their relationships with cars. There were a few questions he needed answers to: \* Why, for instance, is it that Italians are more interested in looking good than looking where they are going? \* Why do Indians crash a lot? \* How can an Arab describe himself as 'not a rich man' with four of the world's most expensive cars in his drive? \* And why have the otherwise neutral Swiss declared war on the car? From Cuba to Iceland, Australia to Vietnam, Japan to Texas, Jeremy Clarkson tells us of his adventures on and off four wheels as he seeks to discover just what it is that makes our motorworld tick over. \_\_\_\_\_ Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out 'Very funny . . . I cracked up laughing on the tube' Evening Standard

Excerpt: "Moon River" is a song composed by Johnny Mercer (lyrics) and Henry Mancini (music) in 1961, for whom it won that year's Academy Award for Best Original Song. It was originally sung in the movie Breakfast at Tiffany's by Audrey Hepburn, although it has been covered by many other artists. The song also won the 1962 Grammy Award for Record of the Year. It became the theme song for Andy Williams, who first recorded it in 1961 and performed it at the Academy Awards ceremonies in 1962. He sang the first eight bars at the beginning of his television show and also named his production company and venue in Branson, Missouri after it. Williams' version was disliked by Cadence Records president Archie Bleyer, who believed it had little or no appeal to teenagers. Andy Williams' version never charted, except as an LP track, which he recorded for Columbia in a hit album of 1962.

The success of the song was responsible for re-launching Mercer's career as a songwriter, which had stalled in the mid-1950s because rock and roll replaced jazz standards as the popular music of the time. An inlet near Savannah, Georgia, Johnny Mercer's hometown, was named Moon River in honor of him and this song. The popularity of the song is such that it has been used as a test sample in a study on... *Billboard* 1976-12-18 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
