Venomous (Alien Warrior) Penelope Fletcher 2014-12-24 "She is mine to

protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way." ~ Venomous One, formerly of Rök, enslaved gladiator Abducted from Earth and transported to a slave planet in an unknown galaxy, Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.

No more crowds, no more recirculated air, and no more cage fights. She certainly doesn't plan on being "rescued" by a sexy alien giant with glowing green eyes who wants to make babies with her. Kirn is enchanted by the fierce little human he's stolen away from the outpost. Ah, what a beauty she is--and strong. She resists his advances at first, but he's confident she will agree to become his mate soon. He's a highly respected Vaxxlian warrior. How could she not want him? Her mate is out there, he's in trouble, and she knows she's the only one in the universe who can save him. Deek and his inner beast take one look at Tiffani's soft, lush body and know they will do anything to possess her, even if it means pushing her sensual limits or taking her over his knee.
