

Sacred Playgrounds Jacob Sorenson 2021-07-01 Sacred Playgrounds explores the wisdom of camping ministry for Christian education and faith formation, examining its rich history and fundamental characteristics with compelling stories, groundbreaking research, and theological grounding. Christian summer camp is an integral part of the ecology of faith formation in North America, though it has received surprisingly little attention in the scholarly community until now. Camping ministry is often dismissed as simple fun and games or a brief spiritual high that does not last. However, camp experiences often serve as deeply relational and immersive faith experiences that have lasting impacts on participants. Five fundamental characteristics combine dynamically in the effective camp experience: participatory, faith-centered, safe space, relational, and unplugged from home. Together, they open the space for participants to consider new understandings of God, to have time for deep self-reflection, and to build intentional Christian community. These camp experiences are essential components in a larger ecology of faith formation, including the home and congregation. The insight and evidence presented in this book demonstrate that the contributions of camping ministry must be taken seriously among scholars, Christian educators, and ministry professionals.

PACA Peace Corps (U.S.) 2005 This idea book was designed to give a focused history and description of Participatory Analysis for Community Action (PACA), while sharing excellent examples from the field that illustrate how volunteers and their communities, host country organizations, and Peace Corps projects have used these tools successfully.

Witness to Hope George Weigel 2005-04-08 The Definitive Biography of Pope John Paul II Witness to Hope is the authoritative biography of one of the singular figures -- some might argue the singular figure -- of our time. With unprecedented cooperation from John Paul II and the people who knew and worked with him throughout his life, George Weigel offers a groundbreaking portrait of the Pope as a man, a thinker, and a leader whose religious convictions defined a new approach to world politics -- and changed the course of history. As even his critics concede, John Paul II occupied a unique place on the world stage and put down intellectual markers that no one could ignore or avoid as humanity entered a new millennium fraught with possibility and danger. The Pope was a man of prodigious energy who played a crucial yet insufficiently explored role in some of the most momentous events of our time, including the collapse of European communism, the quest for peace in the Middle East, and the democratic transformation of Latin America. This updated edition of Witness to Hope explains how this "man from a far country" did all of that, and much more -- and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world.

One Day in the Life of Ivan Denisovich Aleksandr Solzhenitsyn 2015-01-20 ONE DAY IN THE LIFE OF IVAN DENISOVICH is a novel written by Aleksandr Solzhenitsyn, first published in November 1962 in the Soviet literary magazine Novy Mir (New World). The story is set in a Soviet labor camp in the 1950s, and describes a single day of an ordinary prisoner, Ivan Denisovich Shukhov. Its publication was an extraordinary event in Soviet literary history—never before had an account of Stalinist repression been openly distributed. The editor of Novy Mir, Aleksandr Tvardovsky, wrote a short introduction for the issue, titled "Instead of a Foreword," to prepare the journal's readers for what they were about to experience.

Youcat English Cardinal Christoph Schönborn 2011 Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

My Book of Bible Stories 2006

A History of the Baptists Thomas Armitage 2001-03

For the Strength of Youth The Church of Jesus Christ of Latter-day Saints 1966 OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

The Trail of Blood J.M. Carroll 2019-10-24 Dr. JM Carroll's "The Trail of Blood" is a great historical premise concerning the beginnings of the church from "Christ it's founder, till the current day". Written in the early 20th century, Dr. Carroll details the history and plight of TRUE bible believers throughout time. Still as relevant today as it was almost 100 years ago, this timeless classic is a must-have part of any Christian's personal reading collection.

Recovering Biblical Manhood and Womanhood (Revised Edition) John Piper 2021-01-11 A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like

Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Inside Out & Back Again Thanhha Lai 2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

The Complete Book of Church Growth Elmer L. Towns 1981

Suffering and the Sovereignty of God John Piper 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Marching to Glory Edward H. McKinley 1995-10 "EDWARD MCKINLEY'S book moves readers beyond a rudimentary understanding of the Salvation Army as the top philanthropic organization in the U.S. Rooted in the holiness tradition, it is an evangelical denomination whose central mission is to win converts for Christianity. The distinctiveness of this church is twofold. First, the Salvation Army expresses itself through militaristic images, war phraseology and an organization based on military ranks. The military model expresses the Army's belief that Christians are engaged in spiritual warfare against evil. Second, Salvationists carry out their ministry of conversion and sanctification among a specific group: the poorest and most troubled people in society. A professor of history at Asbury College and an active soldier in the Salvation Army, McKinley wrote the first edition of this work in commemoration of the Army's centennial celebration. With this second edition the author makes a significant contribution to the scholarship of American evangelicalism. McKinley's well-researched work weaves the Army's particular history with the broader issues facing Protestant denominations in the late 19th and 20th centuries. While much of the book reads like a denominational history, McKinley recounts interesting stories, provides detailed personality sketches of the early leaders, and explains the Army's internal political intrigue. The book contains seven chapters that progress chronologically through the Army's history. In the last chapter, new to this edition, McKinley analyzes the Army's present situation and what it needs to do in order to chart a viable future. Three appendices list the Army's doctrines, ranks and national commanders. Nearly 40 black-and-white photographs are interspersed throughout the work. Like other evangelical groups, the Salvation Army espouses conservative theology. But unlike most conservatives, the Army has always accepted women in leadership roles and has never seen a contradiction between soul-winning and social ministry. Like most denominations, the Army's growth comes largely from within as children of Army families themselves become soldiers and officers. But while most denominations depend on their members for financial support, charitable giving is the Army's primary source of income. Finally, the Army shares a common challenge with all American denominations: struggling to stay true to its origins and its historic mission in the face of social and technological change." -Review in Christian Century

Farewell to Manzanar Jeanne Wakatsuki Houston 2002 A true story of Japanese American experience during and after the World War internment.
