Latin Alive Joseph B. Solodow 2010-01-21 In *Latin Alive*, Joseph Solodow tells the story of how Latin developed into modern French, Spanish, and Italian, and deeply affected English as well. Offering a gripping narrative of language change, Solodow charts Latin's course from classical times to the modern era, with focus on the first millennium of the Common Era. Latin's evolution is also reflected in English. His story includes scores of intriguing etymologies, along with many concrete examples of texts, studies, scholars, anecdotes, and historical events; observations on language; and more. Written with crystalline clarity, this book tells the story of the Romance languages for the general reader and to illustrate so amply Latin's many-sided survival in English as well. The Surrender Experiment Michael A. Singer 2016-09-22 Michael A. Singer, author of *The Untethered Soul*, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots. As Singer takes you on this great experiment and journey into life's perfection, the events that transpire will both challenge your deepest assumptions about life and inspire you to look at your own life in a radically

different way. Spirituality is meant to bring about harmony and peace. But the diversity of our philosophies, beliefs, concepts, and views about the soul often leads to confusion. To reconcile the noise that clouds spirituality, Michael Singer combines accounts of his own life journey to enlightenment - from his years as a hippie-loner to his success as a computer program engineer to his work in spiritual and humanitarian efforts - with lessons on how to put aside conflicting beliefs, let go of worries, and transform misdirected desires. Singer provides a road map to a new way of living not in the moment, but to exist in a state of perpetual happiness.

Twelve Years A Slave, Illustrated Edition Solomon Northup 2014-04-08
Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

The Young Vermeer Edwin Buijsen 2010 Johannes Vermeer (1632-1675) is world-famous for his scenes of daily life, such as a kitchen maid pouring milk, a woman having a music lesson, or a lady writing a letter. However, when Vermeer began painting around the age of 21, he focused primarily on traditional subjects derived from the Bible and classical mythology. Not only do these early works differ greatly from his later paintings in terms of subject matter, they also differ in style. The exhibition unites three paintings from the beginning of Vermeer's artistic career: the Mauritshuis' Diana and her nymphs of c. 1653-1654, is joined by Christ in the house of Martha and Mary (c. 1655) from the National Gallery of Scotland in Edinburgh, and The Procuress (1656) from the Staatliche Kunstsammlungen in Dresden. These three paintings afford an image of the artist seeking his own style. All three paintings have recently been

The guidance of individuals who have experienced positive change with mentoring, have taken calculated risks, and enjoyed accomplishments in their field may be seen as role models.
