How Democracies Die Steven Levitsky 2019-01-08
 NEW YORK TIMES BESTSELLER •
 “Comprehensive, enlightening, and terrifyingly timely.”—The New York Times Book Review (Editors' Choice) WINNER OF THE GOLDSMITH BOOK PRIZE • SHORTLISTED FOR THE LIONEL GELBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Time • Foreign Affairs • WBUR • Paste
 Donald Trump’s presidency has raised a question that many of us never thought we’d be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during Jim Crow, Levitsky and Ziblatt show how democracies

die—and how ours can be saved. Praise for *How Democracies Die* “What we desperately need is a sober, dispassionate look at the current state of affairs. Steven Levitsky and Daniel Ziblatt, two of the most respected scholars in the field of democracy studies, offer just that.”—The Washington Post “Where Levitsky and Ziblatt make their mark is in weaving together political science and historical analysis of both domestic and international democratic crises; in doing so, they expand the conversation beyond Trump and before him, to other countries and to the deep structure of American democracy and politics.”—Ezra Klein, Vox “If you only read one book for the rest of the year, read *How Democracies Die*. . . . This is not a book for just Democrats or Republicans. It is a book for all Americans. It is nonpartisan. It is fact based. It is deeply rooted in history. . . . The best commentary on our politics, no contest.”—Michael Morrell, former Acting Director of the Central Intelligence Agency (via Twitter) “A smart and deeply informed book about the ways in which democracy is being undermined in dozens of countries around the world, and in ways that are perfectly legal.”—Fareed Zakaria, CNN
[Longing for Daddy](#) Monique Robinson 2009-01-20
 Where Was Daddy When You Needed Him? The absence of fathers is an epidemic plaguing our society, affecting families from every corner of our world and from all walks of life. Whether our

fathers left us entirely during our childhood or were physically present but emotionally distant, those who missed out on an affirming, intimate father-love continue to experience the devastating consequences of that loss. • Are you angry at the world and don't know why? • Do you inadvertently sabotage relationships or smother those closest to you? • Do you rarely take risks or step out on faith? • Is there an undercurrent of anxiety in most tasks you perform? • Do you struggle to connect with God? • Do you have little or no self-confidence—or minimal self-worth? For women who answer yes to these questions, the common denominator is often an absent father. Far too many daughters have been stripped of a healthy relationship with their earthly dad. But real healing is within your reach. Discover how the absence of your father has impacted your entire life—your attitude, your actions, your beliefs, your decisions, and your identity—and learn how you can stop resulting negative behaviors, beak free, and experience a confidence-building, empowering love that will heal your hurts and fulfill your deepest longings.

A Praying Life Paul E. Miller 2017-04-03 More than 300,000 copies sold! Now updated and expanded! Prayer is hard. Often, unless circumstances demand it—such as an illness or saying grace before a meal—most of us simply do not pray. This kind of prayerlessness can leave us with a distressed spirit and practical unbelief characterized by fear, anxiety, joylessness, and spiritual depression. *A Praying Life* has encouraged thousands of Christians to pursue a vibrant prayer life full of joy and power. A life of prayer invites you to a life of connection to God. When Jesus describes the intimacy that He seeks with us, He talks about joining us for dinner (Revelation 3:20). This book reminds readers that prayer is simply making conversation with God a rhythm of life. Now with added chapters addressing prayers of lament and further guidance for using prayer cards, Paul Miller invites you to foster prayer that

regularly hopes, trusts, and expects God to act. Learn to develop helpful habits and approaches to prayer that will enable you to return to a childlike faith and witness spiritual growth today! “This book will be like having the breath of God at your back. Let it lift you to new hope.” —Dan B. Allender, PhD, author of *Bold Love*
Bold Love Dan Allender 2021-12-21 We've come to view love as being “nice,” yet the kind of love modeled by Jesus Christ has nothing to do with manners or unconditional acceptance. Rather, it is disruptive, courageous, and socially unacceptable. In *Bold Love*, Dr. Dan Allender and Dr. Tremper Longman III draw out the aggressive, unrelenting, passionate power of genuine love. Far from helping you “get along” with others, *Bold Love* introduces the outlandish possibility of making a significant, life-changing impact on family, friends, coworkers—even your enemies. Learn more about forgiveness, maturity, and seeing others through Jesus' eyes.

Sabbath Dan B. Allender, PLLC 2010-12-27 What would you do for twenty-four hours if the only criteria were to pursue your deepest joy? Dan Allender's lyrical book about the Sabbath expels the myriad myths about this “day of rest,” starting with the one that paints the Sabbath as a day of forced quiet, spiritual exercises, and religious devotion and attendance. This, he says, is at odds with the ancient tradition of Sabbath as a day of delight for both body and soul. Instead, the only way we can make use of the Sabbath is to see God's original intent for the day with new eyes. In *Sabbath*, Allender builds a case for delight by looking at this day as a festival that celebrates God's re-creative, redemptive love using four components: Sensual glory and beauty Ritual Communal feasting Playfulness Now you can experience the delight of the Sabbath as you never have before—a day in which you receive and extend reconciliation, peace, abundance, and joy. *The Ancient Practices* There is a hunger in every human heart for connection, primitive and raw, to God. To satisfy it, many are beginning to explore

traditional spiritual disciplines used for centuries . . . everything from fixed-hour prayer to fasting to sincere observance of the Sabbath. Compelling and readable, the Ancient Practices series is for every spiritual sojourner, for every Christian seeker who wants more.

Intimate Allies Dan B. Allender 1999-03 Allendar has produced a book that looks at the deep underlying reasons for the unhappiness many people feel in marriage.

The Intimate Mystery Dan B. Allender 2009-01-30 Dan B. Allender and Tremper Longman III have together written this brief, simple and engaging introduction to help couples build healthy and happy marriages. Following the "leave, weave and cleave" imagery of the Bible, they help couples learn how to leave their parents, weave a life together and cleave to each other.

To Be Told Dan B. Allender 2006

The Wounded Heart Dan Allender 2014-02-27 For those who have experienced childhood sexual abuse and those who love and care for them, The Wounded Heart offers a tender, compassionate window into the psychological effects of abuse and the theological foundations for healing. Thirty years ago, with great courage and vision, Dan Allender brought Christians to the table to acknowledge, understand, and help victims heal from their experience of the evil of sexual abuse. His work continues to help victims and those who love them to honestly acknowledge their abuse, understand the unique challenge of repentance for victims of abuse, and learn to love boldly in defiance of their trauma. Ultimately Dan offers the bold assurance to sexual abuse victims that even they can find their way to joy and hope in the comforting embrace of a good God. The Wounded Heart has sold over 400,000 copies and has been the first book family, friends, counselors, pastors, and victims have turned to in search of Christian answers to the calamity of sexual abuse. With a new introduction reflecting on the ongoing importance of the book, and a companion workbook for personal and group

recovery, The Wounded Heart continues to offer an urgently needed word of grace in a world ravaged by sexual abuse.

The Shock Doctrine Naomi Klein 2010-04-01 The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

The Cry of the Soul Dan Allender 2015-09-14 An excerpt from the foreword by Joni Eareckson Tada: "With the book you are holding, you have stumbled upon the best of guides. I should know. I first read The Cry of the Soul decades ago when I was still sorting through a lot of hurt and frustration connected with my quadriplegia (yes, I read it on that music stand holding a mouth stick). The Cry of the Soul showed me what to do with my anger and hurt—not stuff it under the carpet of my

conscience, or minimize it, but actually do something good with it.” All emotion—whether positive or negative—can give us a glimpse of the true nature of God. We want to control our negative emotions and dark desires. God wants us to recognize them as the cry of our soul to be made right with Him. Beginning with the Psalms, *Cry of the Soul* explores what Scripture says about our darker emotions and points us to ways of honoring God as we faithfully embrace the full range of our emotional life.

To Be Told Dan B. Allender 2005-02-15 *God Invites You to Coauthor Your Future. It Starts with Reading Your Past.* In this companion workbook to Dr. Dan Allender’s groundbreaking book *To Be Told*, you will find practical, easy-to-follow exercises to help you explore and embrace the stories of your life. The exercises inside will equip you to: ·recall past experiences and find the meaning God has written there ·understand how individual events fit into the bigger themes of your life ·write down your stories in a way that reflects God’s authorship of your life ·identify the passions that drive you, and see how God uses them to guide you into the future ·tell your story in a way that brings glory to God and reveals him to others Learn how to read and study your story, and then start telling it to others. God invites you to co-author with him the rest of your life’s story—a story that opens up your future and glorifies God.

Hosea Sue Edwards 2019-06-25 *Uncovers the personal, deeply emotional nature of God's love* We're all familiar with heartbreak. We know what it's like to be betrayed by someone we love. What we often forget--or may not even realize--is that God can relate to those feelings. Every time we betray Him, He endures intense heartbreak. Only in God's case, He doesn't act on paranoia, distrust, or smothering possessiveness, but rather a righteous jealousy, borne of our duty to reserve our highest devotion for Him alone. With her newest Bible study, Sue Edwards dives into Hosea's story. This prophet's life is a stunning illustration of how God's

fierce love for us can manifest wonders. In Hosea's time, the nation of Israel needed that lesson--and God used the prophet as a teaching tool. This gifted preacher was commanded by God to marry a prostitute named Gomer, and to return to her again and again after she betrayed him in the most public ways. Hosea's fascinating story and sermons will revolutionize every reader's perspective on life's circumstances. His example shows how God sometimes responds to our betrayal with tough love that reorients our focus and wakes us up to return to intimate fellowship with Him. But even as Hosea's marriage demonstrates that the tough love of our heavenly Father can be grueling, it is always in our best interest--and it isn't His final move. Dig into Hosea and discover the truth of God's ferocious love and merciful purposes.

To Be Told Dan B. Allender 2009-01-20 *God wants to reveal himself through your story. Discover how he has written your life so far, and how he is leading you into the rest of your story.* “This is a book worth reading. To make sense of your life. To discover the role God is giving you in his story.”—John Eldredge, bestselling author of *Wild at Heart* and *Get Your Life Back* Everyone wants clearer guidance from God on what to do with their future. In this insightful book, therapist and professor Dan Allender shows you how to listen to the stories of your life and identify the themes that God has written there. As you begin to understand both the hope and the heartache, you will gain a clearer sense of the meaning that God has written into every detail of who you are. You'll also see how he invites you to join him in coauthoring the rest of your story. God is your Author, and he is showing you how to follow him into the future. *Redeeming Heartache* Dan B. Allender, PLLC 2021-09-14 Find freedom and healing from painful memories and relational struggles and learn how your past has uniquely prepared you to experience more joy. Tragedy and pain inevitably touch our lives in some way. We long to feel whole, but more often than not, the way we've learned to deal with

our wounds pushes us away from the very restoration we need most. Renowned psychologist Dr. Dan Allender and counselor and teacher Cathy Loerzel present a life-changing process of true connection and healing with ourselves, God, and others. With a clear, biblically trustworthy method, Allender and Loerzel walk you through a journey of profound inner transformation--from the shame and hurt of old emotional wounds to true freedom and healing. Drawn from modern research and their pioneering work at The Allender Center, they will help you identify your core trauma in one of the three outcast archetypes--the widow, orphan, or stranger--and chart your path of growth into the God-given roles of priest, prophet, or leader. This book will help you learn: What to do about feeling out-of-place and directionless How your coping mechanisms create a false sense of health How to embrace your divine calling and find lasting reconciliation How your heart wounds are your unique invitation to true strength and purpose. Your past pain does not dictate your life. Answer the call to healing and discover your life's beautiful story and a future of hope and freedom.

Overthrow Stephen Kinzer 2007-02-06 Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

Confessions of an Economic Hit Man John Perkins 2004-11-09 Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

In Defense of Looting Vicky Osterweil 2020-08-25 A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy Looting--a crowd of people publicly,

openly, and directly seizing goods--is one of the more extreme actions that can take place in the midst of social unrest. Even self-identified radicals distance themselves from looters, fearing that violent tactics reflect badly on the broader movement. But Vicky Osterweil argues that stealing goods and destroying property are direct, pragmatic strategies of wealth redistribution and improving life for the working class--not to mention the brazen messages these methods send to the police and the state. All our beliefs about the innate righteousness of property and ownership, Osterweil explains, are built on the history of anti-Black, anti-Indigenous oppression. From slave revolts to labor strikes to the modern-day movements for climate change, Black lives, and police abolition, Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized. *In Defense of Looting* is a history of violent protest sparking social change, a compelling reframing of revolutionary activism, and a practical vision for a dramatically restructured society.

Leading with a Limp Dan B. Allender 2011-11-30 Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In *Leading With a Limp*, you'll discover what makes flawed leaders so successful. They're not preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize

that God's power is found in brokenness. If you are a leader—or if you have been making excuses to avoid leading—find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the *Leading With a Limp Workbook*.

Killing Hope William Blum 2003-07-31 Is the United States a force for democracy? From China in the 1940s to Guatemala today, William Blum presents a comprehensive study of American covert and overt interference, by one means or another, in the internal affairs of other countries. Each chapter of the book covers a year in which the author takes one particular country case and tells the story - and each case throws light on particular US tactics of intervention.

The Goal of Marriage Dan B. Allender 2005-05-25 What is marriage for? How does God answer that question? Dan B. Allender and Tremper Longman III have together written this inductive Bible study guide to help couples build healthy and happy marriages. Through six study sessions for individuals, couples or groups, they lead you through an overview of their model for marriage, following the "leave, weave, cleave" imagery of the Bible: leave your parents, weave a life together and cleave to each other. *Intimate Marriage Bible studies* bring spouses into deeper communion with God and with each other. In marriage a man and a woman are called to leave their families of origin, to weave their individual lives into a unity and to cleave to each other. How can fallen human beings even begin to contemplate this ideal--God's ideal? These studies will help you take small but real steps toward honoring the image of God in each other and living out God's goal for marriage. As you explore and respond to Scripture together, you will discover strength and beauty in your marriage and become even more intimate companions.

The Adult Learner Malcolm S. Knowles 2020-12-21 How do you tailor education to the learning needs of adults? Do they learn differently from children?

How does their life experience inform their learning processes? These were the questions at the heart of Malcolm Knowles' pioneering theory of andragogy which transformed education theory in the 1970s. The resulting principles of a self-directed, experiential, problem-centred approach to learning have been hugely influential and are still the basis of the learning practices we use today.

Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve. The 9th edition of *The Adult Learner* has been revised to include: Updates to the book to reflect the very latest advancements in the field. The addition of two new chapters on diversity and inclusion in adult learning, and andragogy and the online adult learner. An updated supporting website. This website for the 9th edition of *The Adult Learner* will provide basic instructor aids. For each chapter, there will be a PowerPoint presentation, learning exercises, and added study questions. Revisions throughout to make it more readable and relevant to your practices. If you are a researcher, practitioner, or student in education, an adult learning practitioner, training manager, or involved in human resource development, this is the definitive book in adult learning you should not be without.

[Cheer Up!: The Life and Ministry of Jack Miller](#)
Michael Graham 2020-11-04

Leading Quietly Joseph Badaracco 2002 Badaracco (business ethics, Harvard) observes that the most effective leaders are rarely public heroes or high-profile champions of causes. His study of "quiet leadership," carried out over four years, presents a series of stories describing quiet leaders at work and drawing practical lessons for executives and aspiring corporate leaders. The cases include a hospital CEO dealing with a case of sexual harassment; a bank president under pressure to remove underperforming but longtime employees; and a high-tech marketing rep who learned that his company was dumping obsolete equipment on its small customers. News, Inc., Portland, OR

5 lb. Book of GRE Practice Problems Manhattan Prep 2015-06-02 Manhattan Prep's 5 lb. Book of GRE Practice Problems is an essential resource for students of any level who are preparing for the GRE revised General Exam. Recently updated to more closely reflect the nuances of the GRE exam, this book offers more than 1,800 questions across 33 chapters and online to provide students with comprehensive practice. Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the GRE in content, form, and style. Students can build fundamental skills in math and verbal through targeted practice while easy-to-follow explanations and step-by-step applications help cement their understanding of the concepts tested on the GRE. In addition, students can take their practice to the next level with online question banks that provide realistic, computer-based practice to better simulate the GRE test-taking experience. Purchase of this book includes access to an online video introduction, online banks of GRE practice problems, and the GRE Challenge Problem Archive.

Theology of The Womb Christy Angelle Bauman 2019-12-06 If it is true that God is a male, then His Divinity or Deity is expressed in His masculinity. Yet I am a woman, and there are parts of my body; such as my breasts, my vagina, and my womb that are telling a story about God that I have never learned or understood. This is an exploration of the significance of a womb that must shed and bleed before it can create. How will we engage our body which cyclically bleeds most of our life and can build and birth a human soul? How will we honor the living womb, that lives and sometimes dies within us? This is a book about the theology found in the cycle of the womb, which births both life and death. Every day each one of us is invited to create, and every day we make a decision knowing that from our creation can come death or life. Women's voices have been silenced for a long time as society

and the church has quieted their bodies. Will we courageously choose to listen to the sound of your voice, the song of your womb, and speak for the world to hear?

The Healing Path Dan B. Allender 2000-09-26 Don't Waste Your Pain None of us escapes the heartache and disappointments of life. To live is to hurt, and we all have the wounds to prove it. Regardless of how we've been hurt, we all face a common question: What should we do with our pain? Should we stoically ignore it? Should we just "get over it"? Should we optimistically hope that everything will work out in the end? If we fail to respond appropriately to the wounds that life and relationships inflict, our pain will be wasted; it will numb us or destroy us. But suffering doesn't have to mangle our hearts and rob us of joy. It can, instead, lead us to life--if we know the path to healing. Healing is not the resolution of our past; it is the use of our past to draw us into deeper relationship with God and his purposes for our lives. If you're ready to shape a future characterized by love, service, and joy, now is the time to step out onto The Healing Path.

How Children Raise Parents Dan B. Allender 2005-02-15 Parenting with Humility... We often realize that we learn as much from our children as they learn from us. So why don't parents approach the task of child-rearing as a learning experience, rather than a mandate to make sure their kids succeed in life? To reduce the pressure and enjoy greater closeness in your family, turn your parenting upside-down by allowing God to use your children to help you grow up. Imagine what would happen if you began to prize what you're being taught by your children's quirks, failures, and normal childhood dilemmas, rather than worrying about whether you're doing everything right as a parent. Now you can let go of the pressure to make sure your children succeed, and instead learn to grow into spiritual maturity by listening to your children.

God Loves Sex Dan B. Allender 2014-10-28 We live

in a sexually mad world where God's gift of sex has been distorted through pornography, promiscuity, prostitution, abuse, trafficking, and rape. The church's position on sexual matters has been made clear throughout history: all sexual activity outside the boundaries of Christian marriage is sin. But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible. So we hide our struggles and pretend to live above the erotic fray, or else we cozy up to the culture's redefinition of which sins are acceptable. But what does the Bible really say about sexual desire and sexual intimacy? *God Loves Sex* offers a truly liberating, godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God-sanctioned eroticism. Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity. It asks provocative questions, such as What does it mean to be both holy and filled with rich sexual desire? and How can our sexual struggles take us deeper into the purposes of God? Pairing psychological insight with sound biblical scholarship, Allender and Longman bring it all out into the open, allowing Christians of any age and any marital status to discover sex the way God meant it to be.

The Gift of the Outsider Alicia J Akins 2023-09-05 Embracing the Spiritual Lessons of Unbelonging Too often, cultural belonging becomes a battle, and its winners gain the world: access, comfort, safety, community. Yet for those on the margins—set apart from their culture by differences such as ethnicity, class, ability, and faith—God offers something even greater. *The Gift of the Outsider* celebrates the blessings found in unbelonging—and calls Christians of all backgrounds to love and listen to their community's outcasts. As a Christian, a Black American, a woman, and an expatriate, author Alicia J. Akins offers heartfelt reflections on her own experiences as an outsider. She illuminates how we can cherish the unique gifts that God bestows on those who endure loneliness and

adversity encourage and humbly receive the invaluable insights outsiders of all kinds have to offer delight in how the differences within God's people reflect his majesty—and how Christ's reign unifies all believers Compassionate and biblically grounded, *The Gift of the Outsider* enriches today's broader conversations surrounding diversity and inclusion, and is sure to encourage and challenge outsiders and insiders alike.

Intimate Marriage Leader's Guide Dan B. Allender 2005-05-25 This leader's guide by Dan B. Allender and Tremper Longman III will show you, step by step, how to put together the materials in the Intimate Marriage Series to create a powerful marriage emphasis experience for individual couples, groups of couples and your entire church, including singles.

Reclaiming Love Ajith Fernando 2013-04-02 In 1 Corinthians 13, Paul places love at the very center of what it means to embrace life in Christ. All other spiritual gifts are worth nothing in comparison. But the love explained in those verses is nothing short of radical. Fernando's pastoral work—in the midst of the cultural and ethnic tensions of Sri Lanka—often brought up a very real and honest question: "Can the biblical teaching about love actually be practiced?" The answer he discovered is a resounding "yes." The radical love of God is not only real, but it is the key to experiencing joy in the pain and suffering of this world. Believers must look to the Scriptures for God's teaching on the true nature of love, its divine origins, and its power for those who trust in Christ. This book offers reflections on the Bible's consistent teaching on love and shares real-life experiences of learning to love in difficult situations.

How to Read the Psalms Tremper Longman III 2009-09-20 The Psalms possess an enduring fascination for us. For frankness, directness, intensity and intimacy, they are unrivaled in all of Scripture. Somehow the psalmists seem to have anticipated all our awe, desires and frustrations. No wonder Christians have used the Psalms in worship

from the earliest times to the present. Yet the Psalms cause us difficulties when we look at them closely. Their poetry is unfamiliar in form. Many images they use are foreign to us today. And the psalmists sometimes express thoughts that seem unworthy of Scripture. Tremper Longman gives us the kind of help we need to overcome the distance between the psalmists' world and ours. He explains the various kinds of psalms, the way they were used in Hebrew worship and their relationship to the rest of the Old Testament. Then he looks at how Christians can appropriate their message and insights today. Turning to the art of Old Testament poetry, he explains the use of parallelism and imagery. Step-by-step suggestions for interpreting the psalms on our own are followed by exercises for further study and reflection. Also included is a helpful guide to commentaries on the Psalms. Here is a book for all those who long to better understand these mirrors of the soul.

Hope When You're Hurting Larry Crabb

2019-08-13 In *Hope When You're Hurting*, Drs. Larry Crabb and Dan Allender consider four key questions people ask: What's wrong? Who can help? What will the helper do? And, What can I hope for? In answering these questions, Crabb and Allender shed light on the strengths and weaknesses of different counseling models. They consider the psychological, medical, and spiritual aspects of emotional pain. They examine the role of the church as a vital agent for restoration and growth. And most important, they offer guidance, choices, and hope for people struggling with spiritual and emotional pain.

Bold Love Dan B. Allender 1992 The kind of love modeled by Jesus Christ had nothing to do with unconditional acceptance or manners. Learn to love others with a bold love.

Peacemaking Women Tara Klena Barthel

2005-07-01 Women have a strong desire for relational connections. Relationships between women can be especially enriching, but when conflict arises, they also can be especially damaging.

Too many women approach conflict as if they were unbelievers—with gossip, spiteful actions, bitterness, and even hatred. In *Peacemaking Women*, Tara Klena Barthel and Judy Dabler offer a meaningful, lasting message to lead women out of conflict to a state of peace where they can live as representatives of Christ to one another and well as unbelievers. With advice that is firmly rooted in Scripture, the authors bring sound, practical help for women who want to know what the Bible says about conflict resolution and how to achieve peace in their relationships with God, self, and others.

Healing the Wounded Heart Dan B. Allender

2016-02-23 First published in 1989, Dan Allender's *The Wounded Heart* has helped hundreds of thousands of people come to terms with sexual abuse in their past. Now, more than twenty-five years later, Allender has written a brand-new book on the subject that takes into account recent discoveries about the lasting physical, emotional, relational, and spiritual ramifications of sexual abuse. With great compassion Allender offers hope for victims of rape, date rape, incest, molestation, sexting, sexual bullying, unwanted advances, pornography, and more, exposing the raw wounds that are left behind and clearing the path toward wholeness and healing. Never minimizing victims' pain or offering pat spiritual answers that don't truly address the problem, he instead calls evil evil and lights the way to renewed joy. Counselors, pastors, and friends of those who have suffered sexual harm will find in this book the deep spiritual guidance they need to effectively minister to the sexually broken around them. Victims themselves will find here a sympathetic friend to walk alongside them on the road to healing.

Sexual Intimacy Dan B. Allender 2005-05-25 Dan B.

Allender and Tremper Longman III lead you to discuss with your spouse healthy ways of expressing sexuality within marriage.

Hidden In Plain Sight Becky Allender 2017-09

Becky often felt "Hidden In Plain Sight" behind her more vocal husband. She felt swept aside and lost in

his frenzied world and words. This memoir is about a woman's journey becoming visible through the power of remembering stories and embracing them with kindness. By offering care and intrigue to her experience it enabled her to gain new freedom to open her life and highlight the good, the bad and the memorable. Becky invites readers to ponder their stories and to prize the way God quietly reveals himself in the mundane and the magnificent parts of our story. This book is a must read for those who want to transform their lives and become visible in plain sight.

Leading with a Limp Workbook Dan B. Allender
2006-05-16 It's time to turn your weaknesses into your greatest strengths as a leader. We've been taught that leaders will never achieve greatness unless they overcome their limitations and minimize their mistakes. But the biblical pattern is just the opposite: God chooses people who have major flaws and makes them effective leaders, not in spite of their weaknesses but because of them. This workbook takes you from the frustration of

feeling hampered by your limitations to a place of effective leadership, where God uses all of who you are in leading others. Based on the core principles from the book *Leading With a Limp*, this workbook will guide you to:

- Gain a clear understanding of why God has placed you in leadership
- Recognize how God is powerfully using the very things you consider to be your worst qualifications for leadership
- Overcome feelings of being stuck or defeated by your mistakes
- Practice authentic leadership, which compels others to follow you.

You will discover powerful and unexpected insights as you work through personal inventories, studies in biblical leadership, revealing discussion questions, and stories from contemporary leaders who gained effectiveness through authentic brokenness. With this workbook as a guide, you can turn what you once considered to be major liabilities into the greatest assets you possess as a leader. The companion workbook to *Leading With a Limp*, by Dan B. Allender, PhD
