Escobar Roberto Escobar 2012-03-15 The incredible bestselling true story of the rise and reign of the most wanted criminal in history, told by the one man who was with him every step of the way - his brother Roberto. Murderer, philanthropist, drug dealer, politician, devil, saint: many words have been used to describe Pablo Escobar, but one is irrefutable - legend. For the poor of Colombia, he was their Robin Hood, a man whose greatness lay not in his crimes, but in his charity; for the Colombian rich he was just a bloodthirsty gangster, a Bogie Man used to scare children in their beds; for the rest of the world flush with his imported cocaine, he was public enemy number one. During his reign as the world's most notorious outlaw, he ordered the murder of thousands - at one point even bombing a passenger jet - smuggled drugs into the US in mini-submarines inspired by Bond films, was elected to parliament, staged midnight escapes through the jungle from whole army battalions, built his own prison, consorted with presidents, controlled an estimated fortune of over \$20 billion, and for over 3 years outwitted the secret American forces sent to kill him. His ambition was as boundless as his violence, and neither was ever satisfied. This is the first major, and definitive, biography of this remarkable criminal life, told in jaw-dropping detail by the one man who, more than any other, can understand just how far he came and just how low he fell: his brother, Roberto Escobar.

The Infiltrator Robert Mazur 2009-07-27 The electrifying true story that inspired the major new motion picture The Infiltrator Robert Mazur spent years undercover infiltrating the Medellín Cartel's criminal hierarchy. The dirty bankers and businessmen he befriended-some of whom still shape power across the globe-knew him as Bob Musella, a wealthy, mob-connected big shot living the good life. Together they partied in \$1,000-per-night hotel suites, drank bottles of the world's finest champagne, drove Rolls-Royce convertibles, and flew in private jets. But under Mazur's Armani suits and in his Renwick briefcase, recorders whirred silently, capturing the damning evidence of their crimes. The Infiltrator is the story of how Mazur helped bring down the unscrupulous bankers who manipulated complex international finance systems to serve drug lords, corrupt politicians, tax cheats, and terrorists. It is a shocking chronicle of the rise and fall of one of the biggest and most intricate money-laundering operation of all time-an enterprise that cleaned and moved hundreds of millions of dollars a year. Filled with dangerous lies, near misses, and harrowing escapes, The Infiltrator is as bracing and explosive as the greatest fiction thrillers-only it's all true.

Pablo Escobar Juan Pablo Escobar 2016-08-30 The popular series Narcos captures only half the truth. This

riveting, deeply personal memoir by Pablo Escobar's son reveals the full story.

Son of Escobar Roberto Sendoya Escobar 2020-08-07 Pablo Escobar was the most notorious drug lord the world has ever seen. He became one of the ten richest men on the planet and controlled 80 per cent of the global cocaine trade before he was shot dead in 1993. This is the long-awaited autobiography of his eldest son, Roberto Sendoya Escobar. His story opens with two helicopter gunships, filled with heavily armed Colombian Special forces personnel led by an MI6 agent, flying into a small village on the outskirts of Bogota in Colombia. The secret mission to recover a stolen cash hoard, culminates in a bloody shoot-out with a group of young Pablo Escobar's violent gangsters. Several of the men escape, including the young Escobar. As the dust settles in the house, only a little baby is left alive. His distressing cries can be heard as his young mother lies dead beside him. That baby is the author, Roberto Sendoya Escobar. In a bizarre twist of fate, the top MI6 agent who led the mission, takes pity on the child and, eventually, ends up adopting him. Over the years, during his rise to prominence as the most powerful drug lord the world has ever known, Pablo Escobar tries, repeatedly, to kidnap his son. Flanked by his trusty bodyguards, the child, unaware of his true identity, is allowed regular meetings with Escobar and it becomes apparent that the British government is working covertly with the gangster in an attempt to control the money laundering and drug trades. Life becomes so dangerous, however, that the author is packed off from the family mansion in Bogota to an English public school. Many years later in England, as Roberto's adopted father lies dying in hospital, he hands his son a coded piece of paper which, he says, reveals the secret hiding place of the 'Escobar Missing millions' the world has been searching for! The code is published in this book for the first time.

The Case of the Vanishing Blonde Mark Bowden 2020-07-07 The #1 New York Times bestselling "master of narrative journalism" and author of Black Hawk Down presents a compelling collection of true crime stories (New York Times). Acclaimed investigative reporter Mark Bowden has ferreted out unbelievable-yet-true stories of wrongdoing, murder and mayhem for decades. His illustrious body of work has won him a lifetime achievement award from the International Thriller Writers organization, and a reputation as "a Woodward that outdoes even Woodward" (Malcom Gladwell, New Yorker). The Case of the Vanishing Blonde collects six of Bowden's most riveting stories—accounts spanning four decades of fascinating characters and unsettling tales to illustrate all manner of crimes and the ways technology has progressively altered criminal investigation. From a 1983 story of a University of Pennsylvania campus rape that sparked a national debate over the nature of consent, to three cold cases featuring the inimitable Long Island private detective Ken Brennan and a startling investigation into a murderer deep within the LAPD's ranks—shielded for twenty six years by officers keen to protect one of their own—these stories are the work of a masterful narrative journalist.

The true life of Pablo Escobar Astrid Maria Legarda Martinez 2017-11-24 "Hello beautiful. I am Popeye." In 1998 I met Jhon Jairo Velásquez Vásquez—alias "Popeye"—lieutenant to the Medellín Cartel's leader, Pablo Escobar Gaviria. Our first encounter was at the high security yard of the Modelo Prison in Bogotá, Colombia. I visited the prison frequently as a journalist for RCN TV. I was always conducting interviews and speaking to the inmates, uncovering news about what was really happening inside the prison. At that time, stories about confrontations between guerrilla and paramilitary factions were everyday news. You could often hear shots inside the prison as the different sides fought for control. I had always wanted to meet one of the members of the Medellín Cartel. I was curious to know who they were, what they looked like, and what these men, who belonged to the most powerful drug cartel that has ever existed in Colombia, were thinking. At the high security yard I was able to talk with two of them. The most notorious was Jhon Jairo Velásquez Vásquez. "Hello beautiful. I am Popeye." The man who sat in front of me stared at me. His pale skin reflected the six years he had been in prison; in fact, it looked as if he had never once stepped outside. Popeye smiled at me with curiosity while his cold eyes examined me from head to toe. We were introduced by another inmate, Ángel Gaitán Mahecha, a man accused of paramilitarism and homicide. My first impression was surprise and curiosity; I also examined him from head to toe. He wasn't quite six feet tall. His slim body and the smile on his face almost put me at ease. I thought this man couldn't possibly frighten

anyone, and yet I couldn't forget the number of homicides in which he had been involved. I wanted to see into the mind of the man who planned and participated in the most horrible homicides that the cartel had carried out in their war against the state.

Bringing the Heat Mark Bowden 2007-12-01 "An ambitious, remarkably frank" chronicle of the Philadelphia Eagles' bid for the NFL championship by the #1 New York Times–bestselling author (Kirkus Reviews). In 1992, the Philadelphia Eagles—a team assembled in the image of their iconoclastic, controversial former head coach, Buddy Ryan—were known for their ferocious defense led by Reggie White, Seth Joyner, and Andre Waters, and for the otherworldly talents of quarterback Randall Cunningham. Now was the time for the Eagles' campaign for the championship. But as the season progressed, it disintegrated into an ugly flurry of greed, racism, violence, personal and professional feuds, one tragic death, and a very wild face-off in the stands between a player's wife and mistress. By midseason, the sentiment of both fans and press was the same: "shut up and play." Told through the personal stories of the teammates themselves, as well as the coaches, managers and owner, *Bringing the Heat* spares nothing—and no one—in "a phenomenal feat of reportage, perfect for football fans coast to coast" (H. G. Bissinger, author of *Friday Night Lights*).

"Overflows with stories of pro football dreams, of bravery in the face of injury. Yet it also unflinchingly tells of the darker side of life in the NFL: uncontrollable egos, ruined families, marital infidelity." —The New York Times Book Review "There are now four mandatory books on football: Dan Jenkins's *Semi-Tough*; George Plimpton's *Paper Lion*; H. G. Bissinger's *Friday Night Lights*, and the hilarious, incorrigible son of them all, Mark Bowden's *Bringing the Heat*." —Michael Bamberger, *Sports Illustrated*

Chronicle of a Death Foretold Gabriel García Márquez 2014-10-15 NOBEL PRIZE WINNER • From the author of *One Hundred Years of Solitude* comes the gripping story of the murder of a young aristocrat that puts an entire society—not just a pair of murderers—on trial. A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, as the story races to its inexplicable conclusion.

There Are No Dead Here Maria McFarland Sánchez-Moreno 2018-02-27 The bloody story of the rise of paramilitaries in Colombia, told through three characters -- a fearless activist, a dogged journalist, and a relentless investigator -- whose lives intersected in the midst of unspeakable terror. Colombia's drug-fueled cycle of terror, corruption, and tragedy did not end with Pablo Escobar's death in 1993. Just when Colombians were ready to move past the murderous legacy of the country's cartels, a new, bloody chapter unfolded. In the late 1990s, right-wing paramilitary groups with close ties to the cocaine business carried out a violent expansion campaign, massacring, raping, and torturing thousands. *There Are No Dead Here* is the harrowing story of three ordinary Colombians who risked everything to reveal the collusion between the new mafia and much of the country's military and political establishment: JesúriValle, a human rights activist who was murdered for exposing a dark secret; IváVeláuez, a quiet prosecutor who took up Valle's cause and became an unlikely hero; and Ricardo Calderóa dogged journalist who is still being targeted for his revelations. Their groundbreaking investigations landed a third of the country's Congress in prison and fed new demands for justice and peace that Colombia's leaders could not ignore. Taking readers from the sweltering Medellínstreets where criminal investigators were hunted by assassins, through the countryside where paramilitaries wiped out entire towns, and into the corridors of the presidential palace in Bogotá*There Are No Dead Here* is an unforgettable portrait of the valiant men and women who dared to stand up to the tide of greed, rage, and bloodlust that threatened to engulf their country.

The Accountant's Story Roberto Escobar 2009-02-25 "I have many scars. Some of them are physical, but many more are scars on my soul. A bomb sent to kill me while I was in a maximum security prison has made me blind, yet now I see the world more clearly than I have ever seen it before. I have lived an incredible adventure. I watched as my brother, Pablo Escobar, became the most successful criminal in history, but also a hero to many of the people of Colombia. My brother was loved and he was feared. Hundreds of thousands of people marched in his funeral procession, and certainly as many people celebrated his death." These are the words of Roberto Escobar-the top accountant for the notorious and deadly Medellín Cartel, and brother of Pablo Escobar, the most famous drug lord in history. At the height of his reign, Pablo's multibillion-dollar operation smuggled tons of cocaine each week into countries all over the world. Roberto and his ten accountants kept track of all the money. Only Pablo and Roberto knew where it was stashed-and what it bought. And the amounts of money were simply staggering. According to Roberto, it cost \$2,500 every month just to purchase the rubber bands needed to wrap the stacks of cash. The biggest problem was finding a place to store it: from secret compartments in walls and beneath swimming pools to banks and warehouses everywhere. There was so much money that Roberto would sometimes write off ten percent as "spoilage," meaning either rats had chewed up the bills or dampness had ruined the cash. Roberto writes about the incredible violence of the cartel, but he also writes of the humanitarian side of his brother. Pablo built entire towns, gave away thousands of houses, paid people's medical expenses, and built schools and hospitals. Yet he was responsible for the horrible deaths of thousands of people. In short, this is the story of a world of riches almost beyond mortal imagination, and in his own words, Roberto Escobar tells all: building a magnificent zoo at Pablo's opulent home, the brothers' many escapes into the jungles of Colombia, devising ingenious methods to smuggle tons of cocaine into the United States, bribing officials with literally millions of dollars-and building a personal army to protect the Escobar family against an array of enemies sworn to kill them. Few men in history have been more beloved-or despised-than Pablo Escobar. Now, for the first time, his story is told by the man who knew him best: his brother, Roberto.

Drug Lord Terrence E. Poppa 1998 Pablo Acosta, born in abject poverty in Mexico, became drug czar of Ojinaga across the border from the Big Bend country of Texas. He launched his career by smuggling marijuana and heroin into the U.S., later adding cocaine, and forging an alliance with Columbian drug traders. At the peak, he may have controlled 60% of the coke trafficked into the U.S., according to Poppa. The author shows that Acosta consolidated his power by murdering rivals, corrupting local police and soldiers, distributing money to the poor and contributing generously to civic projects. Eventually, however, he became a coke addict; his iron entrepreneurial grip slipped; and he was tracked down and killed in 1987 by an international narcotic strike force. Poppa interviewed the drug lord in 1986 for the *El Paso Herald-Post* and bases this enlightening book in part on those talks.

Surviving Pablo Escobar Jhon Jairo Velásquez Vásquez 2017-05-03 I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me ... I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence ... Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years, I don't quite know how or why. I still feel his presence every day of my existence. The Medellín cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellín cartel, Pablo Escobar Gaviria's right-hand man ... How can I make you understand I'm a new man ... that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom ... A prisoner of my own mind, I'll try to fight to find some peace ... It's very cold ... now it's August 2014. I'm one step from freedom and I'm still breathing ... still here in this dimly lit cell in the maximum security prison in Cómbita, Boyacá.

The Three Battles of Wanat Mark Bowden 2016-05-05 Ranging from war journalism to crime stories to profiles on influential leaders to pieces on sports, gambling and the impending impact of supercomputers on the practice of medicine, this collection is Bowden at his best. Pieces that will appear in the collection include, "The Three Battles of Wanat", which tells the story of a bloody engagement in Afghanistan and the extraordinary years-long fallout within the US military, "The Drone Warrior," in which Bowden examines the strategic, legal and moral issues surrounding armed drones, and "The Case of the Vanishing Blonde," which first appeared in *Vanity Fair* and recounts the chilling story of a woman who went missing from a Florida hotel only to turn up near the Everglades, brutally beaten, raped and still alive. Also included are profiles on a diverse range of notable and influential people such as Joe Biden, Kim Jong-un, Judy Clarke who is well known for defending America's worst serial killers and David Simon, the creator of the successful HBO series *The Wire*.

Drug Lord Terrence E. Poppa 2011-04 Twenty years after writing *Drug Lord*, Terrence Poppa decided the information in his book was more important than ever. In an important interview with the *Texas Tribune*, Poppa explains that "the Mexico that I wrote about in the book describes the old order of things: Mexico

under the PRI. In that sense, the book was out of date, because how drug trafficking operated under the PRI is completely different than how it works today in a new Mexico, under the democratically transformed Mexico...There has been a decoupling of the highest levels of power from drug trafficking now. It's important for people to understand that, so I had to bring the book up to date."

Doctor Dealer Mark Bowden 2007-12-01 From the # 1 New York Times–bestselling author of *Black Hawk Down: The “shocking” story of the country’s unluckiest drug kingpin* (*The Baltimore Sun*). By the early 1980s, Larry Lavin had everything going for him. He was a bright, charismatic young man who rose from working-class roots to become a dentist with an Ivy League education and a thriving practice, and a beloved father with a well-respected family in one of Philadelphia’s most exclusive suburbs. But behind the façade of his success was a dark secret: Lavin was also the mastermind behind a cocaine empire that spread from Miami to Boston to New Mexico, catering to lawyers, stockbrokers, and other professionals, and generating an annual income of \$60 million for the good doctor. Now, Mark Bowden, a “master of narrative journalism” (*The New York Times Book Review*) tells the harrowing saga of Lavin’s rise and fall in “a shocking American tragedy . . . [that] shoots straight from the hip” (*Pittsburgh Post-Gazette*). “An engrossing crime story and a compelling morality tale.” —*The Arizona Republic* “Has all the elements of a chilling suspense thriller . . . A smoothly crafted, exciting, can’t-put-it-down book.” —*The New Voice* (Louisville)

BLOW Bruce Porter 2015-05-19 *BLOW* is the unlikely story of George Jung's roller coaster ride from middle-class high school football hero to the heart of Pable Escobar's Medellín cartel-- the largest importer of the United States cocaine supply in the 1980s. Jung's early business of flying marijuana into the United States from the mountains of Mexico took a dramatic turn when he met Carlos Lehder, a young Colombian car thief with connections to the then newly born cocaine operation in his native land. Together they created a new model for selling cocaine, turning a drug used primarily by the entertainment elite into a massive and unimaginably lucrative enterprise-- one whose earnings, if legal, would have ranked the cocaine business as the sixth largest private enterprise in the *Fortune* 500. The ride came to a screeching halt when DEA agents and Florida police busted Jung with three hundred kilos of coke, effectively unraveling his fortune. But George wasn't about to go down alone. He planned to bring down with him one of the biggest cartel figures ever caught. With a riveting insider account of the lurid world of international drug smuggling and a super-charged drama of one man's meteoric rise and desperate fall, Bruce Porter chronicles Jung's life using unprecedented eyewitness sources in this critically acclaimed true crime classic.

Guests of the Ayatollah Mark Bowden 2007-12-01 The New York Times–bestselling author of *Black Hawk Down* delivers a “suspenseful and inspiring” account of the Iranian hostage crisis of 1979 (*The Wall Street Journal*). On November 4, 1979, a group of radical Islamist students, inspired by the revolutionary Iranian leader Ayatollah Khomeini, stormed the U.S. embassy in Tehran. They took fifty-two Americans captive, and kept nearly all of them hostage for 444 days. In *Guests of the Ayatollah*, Mark Bowden tells this sweeping story through the eyes of the hostages, the soldiers in a new special forces unit sent to free them, their radical, naïve captors, and the diplomats working to end the crisis. Bowden takes us inside the hostages’ cells and inside the Oval Office for meetings with President Carter and his exhausted team. We travel to international capitals where shadowy figures held clandestine negotiations, and to the deserts of Iran, where a courageous, desperate attempt to rescue the hostages exploded into tragic failure. Bowden dedicated five years to this research, including numerous trips to Iran and countless interviews with those involved on both sides. *Guests of the Ayatollah* is a detailed, brilliantly recreated, and suspenseful account of a crisis that gripped and ultimately changed the world. “The passions of the moment still reverberate . . . you can feel them on every page.” —*Time* “A complex story full of cruelty, heroism, foolishness and tragic misunderstandings.” —*Pittsburgh Post-Gazette* “Essential reading . . . A.” —*Entertainment Weekly*

The Finish Mark Bowden 2012-10-16 *New York Times* bestseller: The true behind-the-scenes story of the manhunt for the 9/11 mastermind is “a page-turner” (*Minneapolis Star-Tribune*). From the author of *Black Hawk Down* and *Hue 1968*, this is a gripping account of the hunt for Osama bin Laden. With access to key sources, Mark Bowden takes us inside the rooms where decisions were made and on the ground where the action unfolded. After masterminding the attacks of September 11, 2001, Osama bin Laden managed to vanish. Over the next ten years, as Bowden shows, America found that its war with al Qaeda—a scattered group of individuals who were almost impossible to track—demanded an innovative approach. Step by step, Bowden describes the development of a new tactical strategy to fight this war—the fusion of intel from various agencies and on-the-ground special ops. After thousands of special forces missions in Iraq and Afghanistan, the right weapon to go after bin Laden had finally evolved. By spring 2011, intelligence pointed to a compound in Abbottabad; it was estimated that there was a 50/50 chance that Osama was there. Bowden shows how three strategies were mooted: a drone strike, a precision bombing, or an assault by Navy SEALs. In the end, the president had to make the final decision. It was time for the finish. “In-depth interviews with Obama and other insiders reveal a White House on edge, facing top-secret options, white-knuckle decisions, and unforeseen obstacles . . . Bowden weaves together accounts from Obama and top decision-makers for the full story behind the daring operation.” —*Vanity Fair* “The most accessible and satisfying book yet written on the climactic event in the United States’ long war against al Qaeda.” —*San Francisco Chronicle*

American Made Shaun Attwood 2016-09-12 Barry Seal flew cocaine and weapons worth billions of dollars into and out of America in the 1980s. After he became a government informant, Pablo Escobar's Medellín Cartel offered a million for him alive and half a million dead. But his real trouble began after he threatened to expose the dirty dealings of George HW Bush. *American Made* rips the roof off Bush and Clinton's complicity in cocaine trafficking in Mena, Arkansas. "American Made really captures the big picture of my dad's story"--Aaron Seal, Barry Seal's son "A conspiracy of the grandest magnitude" - Congressman Bill Alexander on the Mena affair Shaun Attwood's WAR ON DRUGS SERIES - PABLO ESCOBAR, AMERICAN MADE, WE ARE BEING LIED TO and THE CALI CARTEL - are harrowing, action-packed and interlinked true stories that demonstrate the devastating consequences of drug prohibition.

The Best Game Ever Mark Bowden 2009-05-06 The NFL championship game that changed football forever: a *New York Times*–bestselling sports history classic by the author of *Black Hawk Down*. Yankee Stadium, December 28, 1958. What was about to go down on this Sunday evening in front of sixty-four thousand fans and forty-five million home viewers—the largest viewership ever assembled for a live televised event—was the first sudden death overtime in NFL history. This one battle between the league’s best offense, the Baltimore Colts, and the best defense, the New York Giants, would propel professional football from a moderately popular pastime into America’s favorite sport. On the field and roaming the sidelines were seventeen future Hall of Famers, including Colts stars Johnny Unitas, Raymond Berry, and Gino Marchetti; and Giants greats Frank Gifford, Sam Huff, and assistant coaches Vince Lombardi and Tom Landry. But they were opposing teams in more ways than one. It was a contest between Baltimore blue-collars, many of whom worked off-season taking shifts at Bethlehem Steel, and the trendy, New York glamour boys of splashy magazine ads and TV commercials who mingled with politicians, Broadway stars, and even Ernest Hemingway. Mark Bowden “dives into the trenches of the 1958 NFL Championship game” for a riveting play-by-play account, the stories behind the key players, the effect it had on the league, the sport, and the country (*Entertainment Weekly*). “Bring[s] the contest so alive that you find yourself almost wondering . . . years later, how it will turn out in the end.” —*The New York Times* “The Best Game Ever is sure to become an instant Sacred Text.” —Jonathan Yardley, *The Washington Post*

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Manhunters Steve Murphy 2019-11-12 For the first time, legendary DEA operatives Steve Murphy and Javier F. Peña tell the true story of how they helped put an end to one of the world’s most infamous narco-terrorists in *Manhunters: How We Took Down Pablo Escobar*—the subject of the hit Netflix series, *Narcos*. Colombian drug lord Pablo Escobar’s brutal Medellín Cartel was responsible for trafficking tons of cocaine to North America and Europe in the 1980s and ‘90s. The nation became a warzone as his sicarios

mercilessly murdered thousands of people—competitors, police, and civilians—to ensure he remained Colombia’s reigning kingpin. With billions in personal income, Pablo Escobar bought off politicians and lawmen, and became a hero to poorer communities by building houses and sports centers. He was nearly untouchable despite the efforts of the Colombian National Police to bring him to justice. But Escobar was also one of America’s most wanted, and the Drug Enforcement Administration was determined to see him pay for his crimes. Agents Steve Murphy and Javier F. Peña were assigned to the Bloque de Búsqueda, the joint Colombian-U.S. taskforce created to end Escobar’s reign of terror. For eighteen months, between July 1992 and December 1993, Steve and Javier lived and worked beside Colombian authorities, finding themselves in the crosshairs of sicarios targeting them for the \$300,000 bounty Escobar placed on each of their heads. Undeterred, they risked the dangers, relentlessly and ruthlessly separating the drug lord from his resources and allies, and tearing apart his empire, leaving him underground and on the run from enemies on both sides of the law. Manhunters presents Steve and Javier’s history in law enforcement from their rigorous physical training and their early DEA assignments in Miami and Austin to the Escobar mission in Medellín, Colombia—living far from home and serving as frontline soldiers in the never ending war on drugs that continues to devastate America.

Loving Pablo, Hating Escobar Virginia Vallejo 2018-05-29 Now a major motion picture! Pablo Escobar was one of the most terrifying criminal minds of the last century. In the decade before his death in 1993, he reigned as the head of a multinational cocaine industry and brought the Colombian state to its knees, killing thousands of politicians, media personalities, police, and unarmed citizens. In the 1980s, Virginia Vallejo was Colombia’s most famous television celebrity: a top-rated anchorwoman and a twice-divorced socialite who had been courted by the country’s four wealthiest men. In 1982, she interviewed Pablo Escobar on her news program, and soon after, they began a discreet—albeit stormy—romantic relationship. During their five-year affair, Escobar would show Vallejo the vulnerability of presidents, senators, and military leaders seeking to profit from the drug trade. From Vallejo’s privileged perspective and her ability to navigate the global corridors of wealth and high society, Escobar gained the insight to master his manipulation of Colombia’s powerful elite and media. *Loving Pablo, Hating Escobar* chronicles the birth of Colombia’s drug cartels: the kidnapers, the guerilla groups, and the paramilitary organizations. It is, above everything, a great love story—a deep and painful journey through a forbidden relationship—that gives us an intimate vision of the legendary drug baron who left his mark on Colombia, Latin America, the United States, and the world forever.

The Betrayal Robert Mazur 2022-04 From Robert Mazur, undercover agent and bestselling author of *The Infiltrator*, comes the riveting true story of grave corruption at the heart of one of the most explosive DEA missions of his career. Three years after undercover agent Robert Mazur infiltrated Pablo Escobar's Medellín drug cartel, he reemerged, a half-million-dollar bounty still on his head, with a new identity for a risky new sting. He was now Robert Baldasare, money launderer and president of an international trade finance company. Deployed to Panama, Mazur worked, traveled, partied, and washed millions with Central America's criminal elite. Partnered with a young superstar DEA task force agent, Mazur slipped effortlessly into Colombia's notorious Cali drug cartel. But as his underworld reputation skyrocketed, the operation started going dangerously off the rails. On US soil, drug money en route to Mazur was seized. He started to notice an unsettling shift in the cartel's inner circle. Contacts were being assassinated, and Mazur was being tailed. His identity had been compromised. Refusing to acknowledge the threats ahead, Mazur was obsessed with seeing the mission through to its treacherous end: expose the Cali cartel, find out who betrayed him, and escape with his life.

Hue 1968 Mark Bowden 2017-06-06 The author of *Black Hawk Down* vividly recounts a pivotal Vietnam War battle in this New York Times bestseller: “An extraordinary feat of journalism”. —Karl Marlantes, *Wall Street Journal* In Hue 1968, Mark Bowden presents a detailed, day-by-day reconstruction of the most critical battle of the Tet Offensive. In the early hours of January 31, 1968, the North Vietnamese launched attacks across South Vietnam. The lynchpin of this campaign was the capture of Hue, Vietnam’s intellectual and cultural capital. 10,000 troops descended from hidden camps and surged across the city, taking everything but two small military outposts. American commanders refused to believe the size and scope of the siege, ordering small companies of marines against thousands of entrenched enemy troops. After several futile and deadly days, Lieutenant Colonel Ernie Cheatham would finally come up with a strategy to retake the city block by block, in some of the most intense urban combat since World War II. With unprecedented access to war archives in the United States and Vietnam and interviews with participants from both sides, Bowden narrates each stage of this crucial battle through multiple viewpoints. Played out

over 24 days and ultimately costing 10,000 lives, the Battle of Hue was by far the bloodiest of the entire war. When it ended, the American debate was never again about winning, only about how to leave. Shaun Attwood's WAR ON DRUGS SERIES - PABLO ESCOBAR, AMERICAN MADE, WE ARE BEING LIED TO and THE CALI CARTEL - are harrowing, action-packed and interlinked true stories that demonstrate the devastating consequences of drug prohibition.

Hollywood Godfather Gianni Russo 2019-03-12 Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make *The Godfather* a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of *The Godfather* and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from *The Godfather*. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in *The Godfather: Parts I and II*, *Seabiscuit*, *Any Given Sunday* and *Rush Hour 2*, among many other films. Hollywood Godfather is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

Kings of Cocaine Guy Gugliotta 2011-07-16 This is the story of the most successful cocaine dealers in the world: Pablo Escobar Gaviria, Jorge Luis Ochoa Vasquez, Carlos Lehder Rivas and Jose Gonzalo Rodriguez Gacha. In the 1980s they controlled more than fifty percent of the cocaine flowing into the United States. The cocaine trade is capitalism on overdrive -- supply meeting demand on exponential levels. Here you'll find the story of how the modern cocaine business started and how it turned a rag tag group of hippies and sociopaths into regal kings as they stumbled from small-time suitcase smuggling to levels of unimaginable sophistication and daring. The \$2 billion dollar system eventually became so complex that it required the manipulation of world leaders, corruption of revolutionary movements and the worst kind of violence to protect.

Pablo Escobar Shaun Attwood 2016-08-25 The mind-blowing true story of Pablo Escobar and the Medellín Cartel beyond their portrayal on Netflix. Colombian drug lord Pablo Escobar was a devoted family man and a psychopathic killer; a terrible enemy, yet a wonderful friend. While donating millions to the poor, he bombed and tortured his enemies - some had their eyeballs removed with hot spoons. Through ruthless cunning and America's insatiable appetite for cocaine, he became a multi-billionaire, who lived in a \$100-million house with its own zoo. Pablo Escobar: Beyond Narcos demolishes the standard good versus evil telling of his story. The authorities were not hunting Pablo down to stop his cocaine business. They were taking over it. Shaun Attwood's War on Drugs trilogy - Pablo Escobar, American Made, and We Are Being Lied To - is a series of harrowing, action-packed and interlinked true stories that demonstrate the catastrophic consequences of drug prohibition."
