A Month in the Country J.L. Carr 2011-12-01 In the summer of 1920 two men, both war survivors meet in the quiet English countryside. One is living in the church, intent upon uncovering and restoring an historical wall painting while the other camps in the next field in search of a lost grave. Out of their meeting comes a deeper communion and a catching up of the old primeval rhythms of life so cruelly disorientated by the Great War.

1933 Was A Bad Year John Fante 2010-05-18 Trapped in a small, poverty-ridden town in 1933, under pressure from his father to go into the family business, seventeen-year-old Dominic Molise yearns to fulfill his own dreams.

Wait Until Spring, Bandini John Fante 2018-11 For Arturo Bandini, oldest son of Italian immigrants living in small-town Colorado during the Great Depression, the winter proves harsh. When his father seemingly abandons his family, Arturo is left to pick up the pieces, even as turmoil rages within him. With its evocative account of grinding poverty, tragic love affairs and tumultuous adolescence, this first novel from the Bandini quartet is a much-neglected masterpiece of modern American literature.

Fugitives and Refugees Chuck Palahniuk 2007-12-18 Want to know where Chuck Palahniuk's tonsils currently reside? Been looking for a naked mannequin to hide in your kitchen cabinets? Curious about Chuck's debut in an MTV music video? What goes on at the Scum Center? How do you get to the Apocalypse Café? In the closest thing he may ever write to an autobiography, Chuck Palahniuk provides answers to all these questions and more as he takes you through the streets, sewers, and local haunts of Portland, Oregon. According to Katherine Dunn, author of the cult classic *Geek Love*, Portland is the home of America's "fugitives and refugees." Get to know these folks, the "most cracked of the crackpots," as Palahniuk calls them, and come along with him on an adventure through the parts of Portland you might not otherwise believe actually exist. No other travel guide will give you this kind of access to "a little history, a little legend, and a lot of friendly, sincere, fascinating people who maybe should've kept their mouths shut." Here are strange personal museums, weird annual events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on.

The Film Handbook Geoff Andrew 1990 The Film Handbook examines the current status of filmmaking, how film is produced and distributed and its relation with today's digital and web-based climate.

Ask the Dust John Fante 2010-05-18 Ask the Dust is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

is a must-have for all Porsche 911 lovers. At auctions they rack up premium prices, but the makers of the 911 R never intended to create objects of speculation for maximum profit. Their main concern was developing vehicles that would appeal to customers because of their uncompromising sportiness. The story begins 50 years ago, when the first Porsche 911 R achieved five new long-distance world records in Monza; and goes on to the latest 911 R - a car that is aware of its history, with racing stripes, houndstooth bucket seats, manual gear change, and a free-revving naturally aspirated engine. In between the first and the latest lie 50 years, numerous models, and a legion of fans.

West of Rome John Fante 2010-05-25 West of Rome's two novellas, "My Dog Stupid" and "The Orgy," fulfill the promise of their rousing titles. The latter novella opens with virtuoso description: "His name was Frank Gagliano, and he did not believe in God. He was that most singular and startling craftsman of the building trade-a left-handed bricklayer. Like my father, Frank came from Torcella Peligna, a cliff-hugging town in the Abruzzi. Lean as a spider, he wore a leather cap and puttees the year around, and he was so bowlegged a dog could lope between his knees without touching them."

And Their Children After Them Dale Maharidge 2008-11-04 Winner of the Pulitzer Prize for Nonfiction in 1990 In *And Their Children After Them*, the writer/photographer team Dale Maharidge and Michael Williamson return to the land and families captured in James Agee and Walker Evans's inimitable *Let Us Now Praise Famous Men*, extending the project of conscience and chronicling the traumatic decline of King Cotton. With this continuation of Agee and Evans's project, Maharidge and Williamson not only uncover some surprising historical secrets relating to the families and to Agee himself, but also effectively lay to rest Agee's fear that his work, from lack of reverence or resilience, would be but another offense to the humanity of its subjects. Williamson's ninety-part photo essay includes updates alongside Evans's classic originals. Maharidge and Williamson's work in *And Their Children After Them* was honored with the Pulitzer Prize for nonfiction when it was first published in 1990.

1933 Was A Bad Year John Fante 2013-08-15 John Fante is a lost gem of American literature and the man who was credited by Charles Bukowski as the inspiration for him to start writing. In a life that spanned 74 years, Fante wrote several great novels, such as *Ask the Dust*, and numerous screenplays. He died in 1983 from diabetes-related complications. Trapped in a small, poverty-ridden town in 1933, seventeen-year-old Dominic Molise yearns to fulfil his own dreams of becoming an American sports hero. This teenage southpaw aspires to the big leagues, big recognition and big love. He struggles, though, against the reality of his Italian parents, and comes under pressure to go into the family business. Brick-laying is not for

Dominic. His father, however, seeks to pre-empt the inevitable road to failure by wanting Dominic to pick up a trowel instead of a pitcher's glove. His mother's response is to pray. At once the story of class and an individual's struggle during hard times in America, 1933 was a Bad Year is a wonderful tale of childhood and its dissipation into adulthood.

Dreams from Bunker Hill John Fante 2010-05-18 My first collision with fame was hardly memorable. I was a busboy at Marx's Deli. The year was 1934. The place was Third and Hill, Los Angeles. I was twenty-one years old, living in a world bounded on the west by Bunker Hill, on the east by Los Angeles Street, on the south by Pershing Square, and on the north by Civic Center. I was a busboy nonpareil, with great verve and style for the profession, and though I was dreadfully underpaid (one dollar a day plus meals) I attracted considerable attention as I whirled from table to table, balancing a tray on one hand, and eliciting smiles from my customers. I had something else beside a waiter's skill to offer my patrons, for I was also a writer. *Collectivism After Modernism* Blake Stimson "Don't start an art collective until you read this book."

—Guerrilla Girls "Ever since Web 2.0 with its wikis, blogs and social networks the art of collaboration is back on the agenda. Collectivism after Modernism convincingly proves that art collectives did not stop after the proclaimed death of the historical avant-gardes. Like never before technology reinvents the social and artists claim the steering wheel!" —Geert Lovink, Institute of Network Cultures, Amsterdam "This examination of the succession of post-war avant-gardes and collectives is new, important, and engaged." —Stephen F. Eisenman, author of *The Abu Ghraib Effect* "Collectivism after Modernism crucially helps us understand what artists and others can do in mushy, stinky times like ours. What can the seemingly powerless do in the face of mighty forces that seem to have their act really together? Here, Stimson and Sholette put forth many good answers." —Yes Men Spanning the globe from Europe, Japan, and the United States to Africa, Cuba, and Mexico, *Collectivism after Modernism* explores the ways in which collectives function within cultural norms, social conventions, and corporate or state-sanctioned art. Together, these essays demonstrate that collectivism survives as an influential artistic practice despite the art world's star system of individuality. Collectivism after Modernism provides the historical understanding necessary for thinking through postmodern collective practice, now and into the future. Contributors: Irina Aristarkhova, Jesse Drew, Okwui Enwezor, Rubn Gallo, Chris Gilbert, Brian Holmes, Alan Moore, Jelena Stojanovi'c, Reiko Tomii, Rachel Weiss. Blake Stimson is associate professor of art history at the University of California Davis, the author of *The Pivot of the World: Photography and Its Nation*, and coeditor of *Visual Worlds and Conceptual Art: A Critical Anthology*. Gregory Sholette is an artist, writer, and cofounder of collectives Political Art Documentation/Distribution and REPOhistory. He is coeditor of *The Interventionists: Users' Manual for the Creative Disruption of Everyday Life*. "To understand the various forms of postwar collectivism as historically determined phenomena and to articulate the possibilities for contemporary collectivist art production is the aim of *Collectivism after Modernism*. The essays assembled in this anthology argue that to make truly collective art means to reconsider the relation between art and public; examples from the Situationist International and Group Material to Paper Tiger Television and the Congolese collective Le Groupe Amos make the point. To construct an art of shared experience means to go beyond projecting what Blake Stimson and Gregory Sholette call the "imagined community": a collective has to be more than an ideal, and more than communal craft; it has to be a truly social enterprise. Not only does it use unconventional forms and media to communicate the issues and experiences usually excluded from artistic representation, but it gives voice to a multiplicity of perspectives. At its best it relies on the participation of the audience to actively contribute to the work, carrying forth the dialogue it inspires." —BOMB

Wait Until Spring, Bandini John Fante 2010-05-25 He came along, kicking the snow. Here was a disgusted man. His name was Svevo Bandini, and he lived three blocks down that street. He was cold and there were holes in his shoes. That morning he had patched the holes on the inside with pieces of cardboard from a macaroni box. The macaroni in that box was not paid for. He had thought of that as he placed the cardboard inside his shoes.

Ask The Dust John Fante 2002-11-11 Arturo Bandini is a twenty-year-old burgeoning writer, spending his days hungry for success, life and food in a dingy hotel in Los Angeles. Full of the enthusiasm of youth, and the thrill of having one short story published, the reality of poverty and prejudice has hit him hard. He meets a local waitress, Camilla Lopez, and embarks on a strange and strained love-hate relationship. Slowly, but inexorably, it descends into the realms of madness. Fante depicts the highs and lows of the emotional state of Bandini with conviction, but without easy sentiment. In *Ask the Dust*, Fante is truly 'telling it like it is' as a poverty-stricken son of an immigrant in 'perfect' California.

Memoirs of My Services in the World War, 1917-1918 George Catlett Marshall 1976 George C. Marshall was an American military leader, Chief of Staff of the Army, Secretary of State, and the third Secretary of Defense. Once noted as the "organizer of victory" by Winston Churchill for his leadership of the Allied victory in World War II, Marshall served as the United States Army Chief of Staff during the war and as the chief military adviser to President Franklin D. Roosevelt. As Secretary of State, his name was given to the Marshall Plan, for which he was awarded the Nobel Peace Prize in 1953. He drafted this manuscript while he was in Washington, D.C., between 1919 and 1924 as aide-de-camp to General of the Armies John J. Pershing. However, given the growing bitterness of the "memoirs wars" of the period he decided against publication, and the draft sat unused until the 1970s when Marshall's step-daughter and her husband decided to publish it.

The Road to Los Angeles John Fante 2010-05-18 I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead. My first job was ditchdigging a short time after I graduated from high school. Every night I couldn't sleep from the pain in my back. We were digging an excavation in an empty lot, there wasn't any shade, the sun came straight from a cloudless sky, and I was down in that hole digging with two huskies who dug with a love for it, always laughing and telling jokes, laughing and smoking bitter tobacco.

Brotherhood Of The Grape John Fante 2013-08-15 Henry Molise, a fifty-year-old successful writer, returns to the family home to help with the latest drama; his elderly parents want to divorce. Henry's tyrannical, bricklaying father, Nick, despite being weakened by age and alcoholism, can still strike fear into the hearts of his sons. His mother, ill and devoutly Catholic, still has the power both to comfort and confuse her children. Nick has been offered some well-paid work to build a smokehouse in the hills, and Henry, realising this might be the last chance they have to reconcile things, agrees to lend a hand. What he doesn't appreciate is how much this journey is going to change his view of his father. *The Brotherhood of the Grape* is vintage Fante, brimming with love, death, violence and religion. Writing with great passion, Fante powerfully describes the damage that family can wreak upon us all.

Plants and People Alexandre Chevalier 2014-04-30 This first monograph in the EARTH series, *The dynamics of non-industrial agriculture: 8,000 years of resilience and innovation*, approaches the great variety of agricultural practices in human terms. It focuses on the relationship between plants and people, the complexity of agricultural processes and their organisation within particular communities and societies. Collaborative European research among archaeologists, archaeobotanists, ethnographers, historians and agronomists using a broad analytical scale of investigation seeks to establish new common ground for integrating different approaches. By means of interdisciplinary examples, this book showcases the relationship between people and plants across wide ranging and diverse spatial and temporal milieus, including crop diversity, the use of wild foodstuffs, social context, status and choices of food plants.

John Fante's Ask the Dust Stephen Cooper 2020-04-07 This volume assembles for the first time a staggering multiplicity of reflections and readings of John Fante's 1939 classic, *Ask the Dust*, a true testament to the work's present and future impact. The contributors to this work—writers, critics, fans, scholars, screenwriters, directors, and others—analyze the provocative set of diaspora tensions informing Fante's masterpiece that distinguish it from those accounts of earlier East Coast migrations and minglings. A must-read for aficionados of L.A. fiction and new migration literature, *John Fante's "Ask the Dust"*: A Joining of Voices and Views is destined for landmark status as the first volume of Fante studies to reveal the novel's evolving intertextualities and intersectionalities. River of Smoke Amitav Ghosh 2011-09-27 A Washington Post Notable Fiction Book for 2011 The Ibis, loaded to its gunwales with a cargo of indentured servants, is in the grip of a cyclone in the Bay of Bengal; among the dozens flailing for survival are Neel, the pampered raja who has been convicted of embezzlement; Paulette, the French orphan masquerading as a deck-hand; and Deeti, the widowed poppy grower fleeing her homeland with her lover, Kalua. The storm also threatens the clipper ship Anahita, groaning with the largest consignment of opium ever to leave India for Canton. And the Redruth, a nursery ship, carries Frederick "Fitcher" Penrose, a horticulturist determined to track down the priceless treasures of China that are hidden in plain sight: its plants that have the power to heal, or beautify, or intoxicate. All will converge in Canton's Fanqui-town, or Foreign Enclave: a tumultuous world unto itself where civilizations clash and sometimes fuse. It is a powder keg awaiting a spark to ignite the Opium Wars. Spectacular coincidences, startling reversals of fortune, and tender love stories abound. But this is much more than an irresistible page-turner. The blind quest for money, the primacy of the drug trade, the concealment of base impulses behind the rhetoric of freedom: in *River of Smoke* the nineteenth and twenty-first centuries converge, and the result is a consuming historical novel with powerful contemporary resonance. Critics praised *Sea of Poppies* for its vibrant storytelling, antic humor, and rich narrative scope; now Amitav Ghosh continues the epic that has charmed and compelled readers all over the globe.

John Fante Stephen Cooper 1999 Over the span of a half-century - from the early 1930s to the early 1980s - the Italian-American Fante (1909-1983) wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down-and-out days in Los Angeles, to his adventures as a screenwriter in Hollywood. He writes about all these things with gusto, humor, directness, and an honesty tinged with the irony of a true modernist."--BOOK JACKET.

The Bandini Quartet John Fante 2014-08-14 Possessing a style of deceptive simplicity, emotional immediacy and tremendous psychological point, among the novels, short stories and screenplays that complete his career, Fante's crowning accomplishment is the Arturo Bandini tetralogy. This quartet of novels tell of Fante's fictional alter-ego Bandini, an impoverished young Italian-American escaping his suffocating home in Colorado for Depression-era Los Angeles. In the beginning, it is the triple weights of poverty, father and Church that Bandini struggles under but though the physical escape is complete, the psychological imprint continues as he comes to terms with love, desire and the knowledge his talent may not be recognised.

Go the Fk to Sleep** Adam Mansbach 2011-06-14 The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The F**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Making the White Man's West Jason E. Pierce 2016-01-15 The West, especially the Intermountain states, ranks among the whitest places in America, but this fact obscures the more complicated history of racial diversity in the region. In *Making the White Man's West*, author Jason E. Pierce argues that since the time of the Louisiana Purchase, the American West has been a racially contested space. Using a nuanced theory of historical "whiteness," he examines why and how Anglo-Americans dominated the region for a 120-year period. In the early nineteenth century, critics like Zebulon Pike and Washington Irving viewed the West as a "dumping ground" for free blacks and Native Americans, a place where they could be segregated from the white communities east of the Mississippi River. But as immigrant populations and industrialization took hold in the East, white Americans began to view the West as a "refuge for real whites." The West had the most diverse population in the nation with substantial numbers of American Indians, Hispanics, and Asians, but Anglo-Americans could control these mostly disenfranchised peoples and enjoy the privileges of power while celebrating their presence as providing a unique regional character. From this came the belief in a White Man's West, a place ideally suited for "real" Americans in the face of changing world. The first comprehensive study to examine the construction of white racial identity in the West, *Making the White Man's West* shows how these two visions of the West—as a racially diverse holding cell and a white refuge—shaped the history of the region and influenced a variety of contemporary social issues in the West today.

The Brotherhood of the Grape John Fante 2010-06-01 Henry Molise, a 50 year old, successful writer, returns to the family home to help with the latest drama; his aging parents want to divorce. Henry's tyrannical, brick laying father, Nick, though weak and alcoholic, can still strike fear into the hearts of his sons. His mother, though ill and devout to her Catholicism, still has the power to comfort and confuse her children. This is typical of Fante's novels, it's autobiographical, and brimming with love, death, violence and religion. Writing with great passion Fante powerfully hits home the damage family can wreck upon us all.

The John Fante Reader John Fante 2010-09-14 It's not every day that a writer, almost unheard of in his lifetime, emerges twenty years after his death as a voice of his generation. But then again, there aren't many writers with such irrepressible genius as John Fante. The John Fante Reader is the important next step in the reintroduction of this influential author to modern audiences. Combining excerpts from his novels and stories, as well as his never-before-published letters, this collection is the perfect primer on the work of a writer -- underappreciated in his time -- who is finally taking his place in the pantheon of twentieth-century American writers.

The Bishop's Man Linden MacIntyre 2010-09-10 Father Duncan MacAskill has spent most of his priesthood as the "Exorcist"—an enforcer employed by his bishop to discipline wayward priests and suppress potential scandal. He knows all of the devious ways that lonely priests persuade themselves that their needs trump their vows, but he's about to be sorely tested himself. While sequestered by his bishop in a small rural parish to avoid an impending public controversy, Duncan must confront the consequences of past cover-ups and the suppression of his own human needs. Ego Is the Enemy Ryan Holiday 2016-06-14 The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."
