Understanding the Dreams You Dream Revised and Expanded Ira Milligan

2011-07-28 Understanding the Dreams You Dream: Biblical Keys for

Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a

minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped

through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling.

—Ira Milligan Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author's own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

Haqiqatul-Wahi Hazrat Mirza Ghulam Ahmad 2018-06-01 In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.

The Effect Nick Huntington-Klein 2021-12-20 The Effect: An Introduction to Research Design and Causality is about research design, specifically concerning research that uses observational data to make a causal inference. It is separated into two halves, each with different approaches

to that subject. The first half goes through the concepts of causality, with very little in the way of estimation. It introduces the concept of identification thoroughly and clearly and discusses it as a process of trying to isolate variation that has a causal interpretation. Subjects include heavy emphasis on data-generating processes and causal diagrams. Concepts are demonstrated with a heavy emphasis on graphical intuition and the question of what we do to data. When we “add a control variable” what does that actually do? Key Features: • Extensive code examples in R, Stata, and Python • Chapters on overlooked topics in econometrics classes: heterogeneous treatment effects, simulation and power analysis, new cutting-edge methods, and uncomfortable ignored assumptions • An easy-to-read conversational tone • Up-to-date coverage of methods with fast-moving literatures like difference-in-differences

An Ancient Dream Manual Peter Thonemann 2020-01-16 Artemidorus' *Oneirocritica* ('The Interpretation of Dreams') is the only dream-book which has been preserved from Graeco-Roman antiquity. Composed around AD 200, it comprises a treatise and manual on dreams, their classification, and the various analytical tools which should be applied to their interpretation, making Artemidorus both one of the earliest documented and arguably the single most important predecessor and precursor of Freud. Artemidorus travelled widely through Greece, Asia, and Italy to collect people's dreams and record their outcomes, in the process casting a vivid light on social mores and religious beliefs in the Severan age: this volume, published as a companion to the new translation of *The Interpretation of Dreams* by Martin Hammond in the Oxford World's Classics series, aims to provide the non-specialist reader with a readable and engaging road-map to this vast and complex text. It offers a detailed analysis of Artemidorus' theory of dreams and the social function of ancient dream-interpretation, while also aiming to foster an understanding of the ways in which Artemidorus might be of interest to the cultural or social historian of the Graeco-Roman world. Alongside chapters on Artemidorus' life, career, and world-view, it also provides valuable insights into his conceptions of the human body, sexuality, the natural world, and the gods; his attitudes towards Rome, the contemporary Greek polis, and the social order; and his knowledge of Greek literature, myth, and history. In addition, its accessible exploration of the differences and similarities between ancient traditions of dream-analysis and modern psychoanalytic approaches will make this volume of interest to anybody with an interest in the history of dreams and dream interpretation.

Saviours of Islamic Spirit Abul Hasan Ali Nadwi 1971

Women in the Qur'an, Traditions, and Interpretation Barbara Freyer Stowasser 1996-08-22 Islamic ideas about women and their role in society spark considerable debate both in the Western world and in the Islamic world itself. Despite the popular attention surrounding Middle Eastern attitudes toward women, there has been little systematic study of the statements regarding women in the Qur'an. Stowasser fills the void with

this study on the women of Islamic sacred history. By telling their stories in Qur'an and interpretation, she introduces Islamic doctrine and its past and present socio-economic and political applications. Stowasser establishes the link between the female figure as cultural symbol, and Islamic self-perceptions from the beginning to the present time.

The Interpretation of Dreams in the Ancient Near East, with a Translation of an Assyrian Dream Book A. Leo Oppenheim 2011-09 Transactions Of The American Philosophical Society, V46, Part 3, September, 1956.

Moses in the Qur'an and Islamic Exegesis Brannon M. Wheeler 2013-01-11 Relating the Muslim understanding of Moses in the Qur'an to the Epic of Gilgamesh, Alexander Romances, Aramaic Targums, Rabbinic Bible exegesis, and folklore from the ancient and medieval Mediterranean, this book shows how Muslim scholars authorize and identify themselves through allusions to the Bible and Jewish tradition. Exegesis of Qur'an 18:60-82 shows how Muslim exegetes engage Biblical theology through interpretation of the ancient Israelites, their prophets, and their Torah. This Muslim use of a scripture shared with Jews and Christians suggests fresh perspectives for the history of religions, Biblical studies, cultural studies, and Jewish-Arabic studies.

Signs and Symbols Adrian Frutiger 1998 Discusses the elements of a sign, and looks at pictograms, alphabets, calligraphy, monograms, text type, numerical signs, symbols, and trademarks.

The Jinn and Human Sickness Abu Muhammad Khaleel ibn Ibraaheem Ameen 2005

The Sumerians Samuel Noah Kramer 2010-09-17 The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . .

One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

Empires of Medieval West Africa David C. Conrad 2010 Explores empires of medieval west Africa.

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies

the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Guidelines for the Management of Snakebites Second Edition WHO Regional Office for South-East Asia 2016-08-17 Snakebites are well-known medical emergencies in many parts of the world especially in rural areas. Agricultural workers and children are most affected. The incidence of snakebite mortality is particularly high in South-East Asia. Rational use of snake anti-venom can substantially reduce mortality and morbidity due to snake bites. These guidelines are a revised and updated version of those published in 2011. The geographical coverage extends from India in the west to DPR Korea and Indonesia in the east Nepal and Bhutan in the north and to Sri Lanka and Indonesia in the south and south-east. Snakes inhabiting the Indonesian islands east of Wallace's line (West Papua and Maluku Islands) are part of the Australasian elapid fauna differing from those west of this line. This publication aims to pass on a digest of available knowledge about all clinical aspects of snake-bite to medically trained personnel including medical doctors nurses dispensers and community health workers. They aim to provide sufficient practical information to allow medically trained personnel to assess and treat patients with snake-bites at different levels of the health service.

The Dreamer's Handbook Al-Jibaly 2018-12-04 The book deals with dream interpretation, its correct rules and procedures, drills to help understand these rules, and a large glossary of interpreted dream symbols. This, we hope, fulfills important goals regarding sleep and dreams and eliminates a great deal of superstition that surrounds them.

Muhammad, the Messenger of Islam 2002 Adil writes of the Holy Prophet and how he prayed for mercy upon his enemies. Despite the fact that they did him such harm and caused him so much hurt, he would not curse them, for all prophets' curses instantly take effect.

Insignificant Events in the Life of a Cactus Dusti Bowling 2017-09-05 "Aven is a perky, hilarious, and inspiring protagonist whose attitude and humor will linger even after the last page has turned." —School Library Journal (Starred review) Aven Green loves to tell people that she lost her arms in an alligator wrestling match, or a wildfire in Tanzania, but the truth is she was born without them. And when her parents take a job running Stagecoach Pass, a rundown western theme park in Arizona, Aven moves with them across the country knowing that she'll have to answer the question over and over again. Her new life takes an unexpected turn when she bonds with Connor, a classmate who also feels isolated because of his own disability, and they discover a room at Stagecoach Pass that holds bigger secrets than Aven ever could have imagined. It's hard to solve a mystery, help a friend, and face your worst fears. But Aven's about to discover she can do it all . . . even without arms. Autumn 2017 Kids' Indie Next Pick Junior Library Guild Selection Library of Congress's 52

Risalah Ibn Abi Zayd Al-Qayrawani 2019-12-07 Almost unique among the works of Muslim scholars, this book, which for Maliki is THE Risalah, was written for children when the author was 17 years old. The sheer pedagogical audacity of introducing children to what is in effect a complete overview of life and human society escapes most people and most Muslims today. The author commences with *usul ad-deen* - the roots of the *deen* - a survey of the vital Muslim worldview, proceeding then through purification and the acts of *'ibadah*, the ordinary transactions such as marriage, divorce, buying and selling and so forth, and concluding with chapters of a general and miscellaneous nature. The book is here matched by the outstanding lucidity of the translation which reveals a book written in a narrative descriptive style rather than in a didactic scholarly tone, making it breathtakingly accessible. So significant was the book's authorship and so quickly was it recognised that its author became known as the "Young Malik" and his work became a foundational pillar of the madhhab of the School of Madinah and has endured for a millennium, in use both to teach absolute beginners as intended and as a resource for scholars. This edition presents the translation in parallel with the Arabic text without vowelisation (*tashkeel*). Ibn Abi Zayd al-Qayrawani (310 AH/922 CE - 386 AH/996 CE) was born in Qayrawan in Tunisia, arguably one of the most important Muslim cities after Makkah and Madinah, which was always famous for learning and in particular for its staunch adherence to the school of the people of Madinah as transmitted by Imam Malik. His life was overshadowed by the Fatimid dynasty, during which he and the other teachers of Qayrawan calmly kept alive the teaching of the Book of Allah and the Sunnah. Among his other well-known works are the massive multi-volume *an-Nawadir wa'z-Ziyadat* and a mukhtasar-abridgement of the *Mudawwanah* of which only the *Kitab al-Jami'*, a comprehensive work containing a wide variety of topics, is extant. Aisha Bewley is the translator of a large number of classical works of Islam and Sufism, often in collaboration with Abdalhaqq Bewley, notably *The Noble Qur'an - a New Rendering of Its Meanings in English*; *Muhammad, Messenger of Allah - the translation of Qadi 'Iyad's ash-Shifa'*; the *Muwatta'* of Imam Malik ibn Anas; and Imam an-Nawawi's *Riyad as-Salihin*.

Muhammad Messenger of Allah Qadi Iyad 2013-12 *Kitab Ash-Shifa bi ta'rif huquq al-Mustafa*, (Healing by the recognition of the Rights of the Chosen One), of Qadi 'Iyad (d. 544H/1149CE) is perhaps the most frequently used and commented upon handbook in which the Prophet's, may Allah bless him and grant him peace, life, his qualities and his miracles are described in every detail. Generally known by its short title, *Ash-Shifa*, this work was so highly admired throughout the Muslim world that it soon acquired a sanctity of its own for it is said: "If *Ash-Shifa* is found in a house, this house will not suffer any harm... when a sick person reads it or it is recited to him, Allah will restore his health." *Ash-Shifa* gathers together all that is necessary to acquaint the reader with the true stature of the Prophet, may

Allah bless him and grant him peace, with the esteem and respect which is due to him, and with the verdict regarding anyone who does not fulfil what his stature demands or who attempts to denigrate his supreme status - even by as much as a nail paring. QADI 'IYAD His full name was Abu al-Fadl 'Iyad ibn Musa ibn 'Iyad ibn 'Imran ibn Musa ibn Muhammad ibn 'Abdullah ibn Musa ibn 'Iyad al-Yahsubi, the famous Imam. He was born in Ceuta in the month of Sha'ban, 496 AH and lived there although his family originated from Andalusia. According to his son, Muhammad, his ancestors originated in Andalusia and then moved to the city of Fes, staying in the Qarawiyyin at some point. 'Imran moved to Ceuta after having lived in Fes. Qadi 'Iyad was the Imam of his time in hadith and its sciences. He was a scholar of tafsir and its sciences, a faqih in *usul*, a scholar in grammar, language and Arabic speech, as well as in the battles and lineages of the Arabs. He had insight into judgements and had the legal competence to write contracts. He preserved and knew the Maliki madhhab. He was an excellent poet, familiar with literature and an eloquent orator. He was steadfast, forbearing and a good companion. He was generous and gave a lot of sadaqa. He was constant in action and tenacious in the truth. He died in Marrakesh in the month of Jumada al-Akhira or Ramadan in 544 AH. AISHA BEWLEY Aisha Abdurrahman at Tarjumana Bewley is one of today's most prolific translators of classical Arabic works into English. For more than thirty-five years she has been concerned with making the contents of many classical Arabic works more accessible to English-speaking readers. She is co-translator of *The Noble Qur'an A New Rendering of its Meaning in English*. Other works include *Al-Muwatta' of Imam Malik*, *The Meaning of Man*, *Mu'awiya - Restorer of the Muslim Faith*, *A Glossary of Islamic Terms*, *Islam: The Empowering of Women and Muslim Women*, a *Biographical Dictionary*.

Milestones Sayyid Quṭb 2005 *On Islam and Islamic civilization*.

Dreams 1-2-3 J. M. DeBord 2013-11-01 You've got the best life coach imaginable talking to you in your sleep."Dream work is a very personal process. There is no Rosetta Stone for interpreting dreams, no universal meaning for every dream symbol," says reddit.com dreams forum moderator DeBord. But don't let that scare you. With a few simple tools, you will soon be on your way to discovering just how much specific, guiding wisdom is packed into your dreams. This groundbreaking book takes you step-by-step through the process of learning the language of your dreams. It is a language like any other. It has nouns (characters and settings), verbs (actions and your reactions), and adjectives (symbols and feelings). At first you may only catch the simple words and phrases, then whole sentences and paragraphs, but soon enough you will get all the subtext, humor, irony, and slang. You will not only understand the language but speak it fluently. You'll see that we dream to help reconcile with the past, handle the present, and step into the future. Three steps: remember, interpret, and live your dreams. It's easier than you think.

INTERPRETATION OF DREAMS IBN SERIN 2014-01-01 □□ □□□□ □□□□

الكتاب الذي يتحدث عن العلاج السفي هو كتاب "The Book of Sufi Healing" لـ أبو عبد الله غلام موين الدين، الصادر في 1989. هذا الكتاب يشرح كيفية استخدام الطرق السفية لعلاج الأمراض النفسية والجسدية. كما يتحدث عن أهمية الصيام في العلاج السفي.

The Book of Sufi Healing Abu Abdullah Ghulam Moinuddin 1989

Muslims Under Non-Muslim Rule Ahmad ibn Abd al-Qalim Ibn Taymīyah 2006-01-01

Purification of the Heart Hamza Yusuf 2004 This exploration of Islamic spirituality delves into the psychological diseases and cure of the heart. Diseases examined include miserliness, envy, hatred, treachery, rancour, malice, ostentation, arrogance, covetousness, lust, and other afflictions that assail people and often control them.

Understand Your Dreams Now Doug Addison 2013 "I took the essence of my years of dream interpretation training and what I look for as a dream expert. I also found a way to teach people that would allow them to catch on quickly through an accelerated dream learning process." Doug Addison Spiritual dream interpretation could possibly help you meet your future spouse, make the right business decisions at work, learn the calling of your children, see what may take place ahead of time, or even be at the right place at the right time! Understand Your Dreams Now is a crash course in dream interpretation drawn from decades of classroom and real world experience. It contains everything you need to get started, including a dream dictionary. In this concise book you will learn to: - Get your dream's meaning quickly with pinpoint accuracy. - Develop your ability to hear God through your dreams and daily life. - Recognize which dreams are important and in need of interpretation. - Discover destiny dreams and life-calling dreams. - Effectively deal with nightmares to get a positive outcome. - Track and journal your dreams for future application. - Discern the symbolic meaning behind zombies, vampires, and other dark images. - Find out the meaning of flying dreams, being chased, teeth coming loose, and more. Although not all dreams are from God, quite often God guides us through dreams. For most of us, the most important thing to discover is the purpose of a dream, not just its meaning. Only then will we know how we should respond to it. This book will help you do just that.

Edible Insects Arnold van Huis 2013 Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Although the majority of consumed insects are gathered in forest habitats, mass-rearing systems are being developed in many countries. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. It shows the many traditional and potential new uses of insects for direct human consumption and the opportunities for and constraints to farming them for food and feed. It examines the body of research on

issues such as insect nutrition and food safety, the use of insects as animal feed, and the processing and preservation of insects and their products. It highlights the need to develop a regulatory framework to govern the use of insects for food security. And it presents case studies and examples from around the world. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. To fully realise this potential, much work needs to be done by a wide range of stakeholders. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

Memories, Dreams, Reflections C. G. Jung 2011-01-26 An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. Memories, Dreams, Reflections is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos.

Dreams and Their Meanings in the Old Arab Tradition Yehia Gouda 1991
Y Stephen P. Lambert 2005

Man and His Symbols Carl G. Jung 2012-02-01 The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung's revolutionary ideas "What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society."—The Guardian "Our psyche is part of nature, and its enigma is limitless." Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life's work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, Man and His Symbols is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding,

why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

Orientalism Edward W. Said 2014-10-01 More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, *Orientalism* remains one of the most important books written about our divided world.

The Exorcist Tradition in Islam Abu Ameenah Bilal Philips 2007

Usool At-Tafseer Abu Ameenah Bilal Philips 2002

Our Teaching Hazrat Mirza Ghulam Ahmad 1990 *Our Teaching* is an abridged version of the teaching of the Holy Founder of the Ahmadiyya Muslim Community as laid down in his book *Kashti-e-Nuh* [Noah's Ark]. This book is addressed primarily to members of the Ahmadiyya Muslim Community for their moral and spiritual education. Its contents, however, are so spiritually-inspiring that anyone in search of truth and spirituality can derive benefit from it. It is a must read for anyone who wishes to understand the essence of Ahmadiyya beliefs and the standard of righteousness that Ahmadi Muslims must strive to uphold. This teaching is none other than what has been taught in the Holy Quran. Indeed, the Promised Messiah(as) and the Holy Founder of the Ahmadiyya Muslim Community has said, 'Whoever neglects even a minor commandment out of the 700 commandments of the Holy Quran closes the door of salvation upon himself.'

Ibn Seerīn's Dictionary of Dreams According to Islāmic Inner Traditions

Muhammad M. Al-Akili 1992

No god but God (Updated Edition) Reza Aslan 2011-08-30 A fascinating, accessible introduction to Islam from the #1 New York Times bestselling

author of *Zealot* and host of *Believer* FINALIST FOR THE GUARDIAN FIRST BOOK AWARD In *No god but God*, internationally acclaimed scholar Reza Aslan explains Islam—the origins and evolution of the faith—in all its beauty and complexity. This updated edition addresses the events of the past decade, analyzing how they have influenced Islam's position in modern culture. Aslan explores what the popular demonstrations pushing for democracy in the Middle East mean for the future of Islam in the region, how the Internet and social media have affected Islam's evolution, and how the war on terror has altered the geopolitical balance of power in the Middle East. He also provides an update on the contemporary Muslim women's movement, a discussion of the controversy over veiling in Europe, an in-depth history of Jihadism, and a look at how Muslims living in North America and Europe are changing the face of Islam. Timely and persuasive, *No god but God* is an elegantly written account that explains this magnificent yet misunderstood faith. Praise for *No god but God* "Grippingly narrated and thoughtfully examined . . . a literate, accessible introduction to Islam."—The New York Times "[Reza] Aslan offers an invaluable introduction to the forces that have shaped Islam [in this] eloquent, erudite paean to Islam in all of its complicated glory."—Los Angeles Times Book Review "Wise and passionate . . . an incisive, scholarly primer in Muslim history and an engaging personal exploration."—The New York Times Book Review "Acutely perceptive . . . For many troubled Muslims, this book will feel like a revelation, an opening up of knowledge too long buried."—The Independent (U.K.) "Thoroughly engaging and excellently written . . . While [Aslan] might claim to be a mere scholar of the Islamic Reformation, he is also one of its most articulate advocates."—The Oregonian *When The Moon Split* 2020-12-21 *Story Of The Moon Splitting Titled When The Moon Split A Biography Of Prophet Muhammad* □ This Story about an Islamic theological issue. For theories of formation of the Moon which involve fragments, See *Origin of the Moon Accretion*. The splitting of the moon (Arabic: انقسام القمر) is a miracle in Muslim tradition attributed to the Islamic prophet Muhammad. It is derived from the Quran, Surah Al Qamar verses 54:1-2, and mentioned by Muslim traditions such as the *Asbab al-nuzul* (context of revelation). Edited and Translated by: Tabassum Siraj, Michael Richardson, and Badr Azimbadi.
