Conversations with Dada Vaswani

Ruzbeh N. Bharucha 2016 The zenith of spirituality lies not in being a Master, but being the perfect disciple. In the womb of humility lies the greatest reality-not only for this life, but also for the one beyond. In this book, Dada Vawasni, a Guru to millions, shares His innermost thoughts and ideals with Ruzbeh N. Bharucha, the author of The Fakir trilogy. Their discussions, punctuated by Dada's trademark sense of humour, are filled with laughter and joy, and yet, within them, lie ancient truths and the wisdom of life. Their talks cover a range of topics-from the power of prayer to how to live in the world and not be imprisoned by circumstances; from true surrender to the role of the Guru and the disciple, from the concepts of karma and free will to life after death and positive acceptance. Conversations with Dada Vaswani is a

2011-01-01 When Ravin first said 'I love you . . .' he meant it forever. The world has known this through Ravin's bestselling novel; *I Too Had a Love Story*. But did Ravin's story really end on the last page of that book? On Valentine's Day; a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin's love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener's mind: what has happened to Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin's incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

Nehru Shashi Tharoor 2011-10-17 Shashi Tharoor delivers an incisive biography of the great secularist who—alongside his spiritual father, Mahatma Gandhi—led the movement for India’s independence from British rule and ushered his newly independent country into the modern world. The man who would one day help topple British rule and become India’s first prime minister started out as a surprisingly unremarkable student. Born into a wealthy, politically influential Indian family in the waning years of the Raj, Jawaharlal Nehru was raised on Western secularism and the humanist ideas of the Enlightenment. Once he met Gandhi in 1916, Nehru threw himself into the nonviolent struggle for India’s independence, a struggle that wasn’t won until 1947. India had found a perfect political complement to her more spiritual advocate, but neither Nehru nor

What Shiva Told Shakti Devdutt Pattanaik 2017-10-09 Ramayana isn't a single text. It is a belief, a tradition, a subjective truth, a thought materialized, ritualized and celebrated through narrations, songs, dances, sculptures, plays, paintings, and puppets across hundreds of locations over hundreds of years.' But where did it all originate? It is believed that when Shakti wanted to hear a tale that had the power to comfort during turbulent times, Shiva narrated the Ramayana. It is from this brief exchange that all that came followed. With *What Shiva Told Shakti*, Devdutt Pattanaik offers a brief glimpse into the vast and historical tradition that is the Ramayana.

There Were Herd Dogs, Watchdogs And Hunting Dogs, And Dogs Were Used As Beasts Of Burden. But By The Time Of The Mahabharata, Negative Associations Had Begun To Creep In. Debroy Argues Convincingly That The Change In The Status Of The Dog In India Has To Do With The Progressive Decline Of The Traditional Vedic Gods Indra, Yama And Rudra (Who Were Associated With Dogs), And The Accompanying Elevation Of Vishnu, Associated With An Increase In Brahmana Influence. Debroy Demonstrates That Outside The Mainstream Caste Hindu Influence, As Reflected In Doctrines Associated With Shiva And In Buddhist Jataka Tales, Dogs Did Not Become Outcasts Or Outcastes. Born with Wings Daisy Khan 2018-04-24

The dramatic, spiritual memoir of a prominent Muslim woman working to empower women and girls across the world—for readers of Malala Yousafzai and Azar Nafisi. Raised in a progressive Muslim family in the shadows of the Himalayan mountains, where she attended a Catholic girls' school, Daisy experienced culture shock when her family sent her to the States to attend high school in a mostly Jewish Long Island suburb. Ambitious and talented, she quickly climbed the corporate ladder after college as an architectural designer in New York City. Though she loved the freedom that came with being a career woman, she felt that something was missing from her life. One day a friend suggested that she visit a Sufi mosque in

To her surprise, she discovered a home there, eventually marrying the mosque's imam, Feisal Abdul Rauf, and finding herself, as his wife, at the center of a community in which women turned to her for advice. Guided by her faith, she embraced her role as a women's advocate and has devised innovative ways to help end child marriage, fight against genital mutilation, and, most recently, educate young Muslims to resist the false promises of ISIS recruiters. *Born with Wings* is a powerful, moving, and eye-opening account of Daisy Khan's inspiring journey—of her self-actualization and her success in opening doors for other Muslim women and building bridges between cultures. It powerfully demonstrates what one woman can do—with faith, love, and resilience. Sharing Air Manjula Padmanabhan

2018-01-25 Picture living in a world that has you constantly tethered to an oxygen tank, covered from head to toe in a body suit and buying dated air that you can sniff without your head gear on for cheap thrills. A world where the elders tell their children stories about the time their ancestors lived and breathed through an air cocktail—like savages! As if it wasn't already hard living in a world like this, imagine having to go through the pressure of attending "sharing air" parties that everyone seems to be going to these days. Apparently, membership at The ToxiClub society is at an all-time high. Whether or not you believe you can handle the ToxiClub, "Sharing Air" is a fascinating glimpse into a world that's scarily plausible. The Forest of Enchantments Chitra Banerjee Divakaruni 2019-01-07 'One of the most strikingly lyrical voices writing about the lives of Indian women' -- Amitav Ghosh 'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita ... this inversion is a gift - it presents us with a way to know an already well-known story better and to love an already beloved story more' -- Arshia Sattar 'This inspired evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity. It brings to life the personalities and predicaments of the Ramayana' -- Namita Gokhale 'Among the many, many Ramayanas there are now even - thankfully - some "Sitayanas", but I know of none with the special magic that Chitra Divakaruni ... brings to the telling' -- Philip Lutgendorf 'Chitra Banerjee Divakaruni's Sita ... is an epitome of courage and self-respect, showing a path for all women.

In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. There is a general perception about the authors of autobiographies that they tell truth about other people while they need to tell truth about themselves. I have tried to be objective throughout my book and highlighted my failures and mistakes too. The present book is an account of my life that began on February 8, 1947, when I was born in the Sarpanch Mohammad Khurshid Haq family in a small town on the banks of the river Kanhan known as Kamptee in India. Sarpanch is a title used for the head of Panchayat. The title remained in our family for three generations. After my father died, Anis bhaijan (elder brother) would have become the next sarpanch, but he had already migrated to Pakistan in 1947 and later we all left. I take great pride to be part of the Khurshid family, which has its roots in Kamptee but now known internationally through the contributions of several family members not only in library

and information science but also in physics, business administration, computer engineering, medicine, and biology. During my sixty-six years of life, I migrated or relocated to four different countries and benefitted from their rich cultures. When I look back into the history, I find the following four distinct periods, each representing the years that I spent in one country before migration or relocation to another: 1947-1964, India 1964-1974, Pakistan 1974-2011, Saudi Arabia 2011-present, United States The culture, social system, history, tradition, arts, language, literature, education system, and others will definitely influence anybody who has spent ten years or more in a country. Some may adopt a particular part of the local culture quickly, such as clothing, language, food, and so on. I had to be a little modest in preparing those drafts. I always felt that if the bosses had written those letters themselves, they would have used more superlatives for me. Therefore, I am already feeling a little uncomfortable writing my own biography. I will try to make this volume an objective and fair account of my personal and professional life. Priyadarshi’s profound account of his lifelong journey as a seeker. At its heart is a story of striving for enlightenment, the vital importance of mentors in that search, and of the many remarkable teachers he met along the way, among them the Dalai Lama, Archbishop Desmond Tutu, and Mother Teresa. “Teachers come and go on their own schedule,” Priyadarshi writes. “I clearly wasn’t in charge of the timetable and it wasn’t my place to specify how a teacher should teach.” And arrive they did, at the right time, in the right way, to impart the lessons that shaped a life of seeking, devotion, and deep human connection across all barriers. *Running Toward Mystery* is the bracing and beautiful story of a singular life compelled to contemplation, and a riveting narrative of just how exciting that journey can be.
