Kamikaze Diaries Emiko Ohnuki-Tierney 2007-03-01 "We tried to live with 120 percent intensity, rather than waiting for death. We read and read, trying to understand why we had to die in our early twenties. We

felt the clock ticking away towards our death, every sound of the clock shortening our lives." So wrote Irokawa Daikichi, one of the many kamikaze pilots, or tokkotai, who faced almost certain death in the futile military operations conducted by Japan at the end of World War II. This moving history presents diaries and correspondence left by members of the tokkotai and other Japanese student soldiers who perished during the war. Outside of Japan, these kamikaze pilots were considered unbridled fanatics and chauvinists who willingly sacrificed their lives for the emperor. But the writings explored here by Emiko Ohnuki-Tierney clearly and eloquently speak otherwise. A significant number of the kamikaze were university students who were drafted and forced to volunteer for this desperate military operation. Such young men were the intellectual elite of modern Japan: steeped in the classics and major works of philosophy, they took Descartes' "I think, therefore I am" as their motto. And in their diaries and correspondence, as Ohnuki-Tierney shows, these student soldiers wrote long and often heartbreaking soliloquies in which they poured out their anguish and fear, expressed profound ambivalence toward the war, and articulated thoughtful opposition to their nation's imperialism. A salutary correction to the many caricatures of the kamikaze, this poignant work will be essential to anyone interested in the history of Japan and World War II.

Dongri to Dubai - Six Decades of the Mumbai Mafia

Hussain Zaidi 2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man

who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

The Qur'an & Modern Science: Compatible or Incompatible? Zakir Naik 2007 Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be

divinely inspired, others have relied solely on human experience. Al-Qur'aan, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains guidance for all mankind. Since the message of the Qur'aan is believed to be for all times, it should be relevant to every age. Does the Qur'aan pass this test? In this booklet, I intend to give an objective analysis...

R. D. Burman -The Man, The Music Balaji Vittal 2012-07-21 To a nation fed on classical music, the advent of Rahul Dev Burman with his repertoire of Western beats was a godsend. RD revolutionized Hindi film music in the 1970s, and with his emphasis on rhythm and beats, this Pied Piper of Hindi film music had young India swinging to his tunes. At the same time, this genius proved his many detractors who criticized him for corrupting popular taste wrong by composing some of the most influential raga-based songs in Hindi cinema and showing an immense comfort with all kinds of music, including Indian folk. RD: The Man, The Music looks at the phenomenon called R.D. Burman and how he changed the way Indians perceived Hindi film music. Through anecdotes and trivia that went into the making of Pancham's music - the many innovations he introduced, like mixed rhythm patterns, piquant chords and sound mixing - and through interactions with the musicians who were part of RD's team, the authors create a fascinating portrait of a man who, through his music, continues to thrive, even fifteen years after his death.

One Day in the Season of Rain Mohan Rakesh 2015-04-24 In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimaging of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Dilip Kumar Dilip Kumar 2014-07-28 An authentic,

heartfelt and compelling narrative – straight from the horse’s mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is ‘full of distortions and misinformation’, he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was

spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his ‘second innings’ with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila. Crescent and Dove Qamar-ul Huda 2010 Crescent and Dove looks at the relationship between contemporary Islam and peacemaking by tackling the diverse interpretations, concepts, and problems in the field of Islamic peacemaking. It addresses both theory and practice by delving into the intellectual heritage of Islam to discuss historical examples of addressing conflict in Islam and exploring the practical challenges of contemporary peacemaking in Arab countries, Turkey, Iran, Pakistan, and Indonesia.

Islamicate Cultures of Bombay Cinema Ira Bhaskar 2009
This book explores the Islamicate cultures that richly inform Bombay cinema. These cultures are imagined forms of the past and therefore a contested site of histories and identities. Yet they also form a culturally potent and aesthetically fertile reservoir of images and idioms through which Muslim communities are represented and represent themselves. Islamicate influences inform the language, poetry, music, ideas, and even the characteristic emotional responses elicited by Bombay cinema in general; however, the authors argue that it is in the three genre forms of The Muslim Historical. The Muslim Courtesan Film and The Muslim Social that these cultures are concentrated and distilled into precise iconographic, performative and narrative idioms. Furthermore, the authors argue that it is through these three genres, and their critical re-working by New Wave filmmakers, that social and historical significance is attributed to Muslim cultures for Muslims and non-Muslims alike. Ira Bhaskar is Associate Professor of Cinema Studies at the School of Arts and Aesthetics, Jawaharlal Nehru University, New Delhi. Richard Allen is Professor and Chair of Cinema Studies at the Tisch School of the Arts, New York University.

Sahaja Yoga Shri Mataji Nirmala Devi 2018-04-15 Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be

described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Happiness Unlimited Sister Shivani 2019 In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

Daughter of the East: An Autobiography Benazir Bhutto 2014-06-05 Beautiful and charismatic, the daughter of one of Pakistan's most popular leaders -- Zulfikar Ali Bhutto, hanged by General Zia in 1979 -- Benazir Bhutto is not only the first woman to lead a post-colonial Muslim state, she achieved a status approaching that of a royal princess, only to be stripped of her power in another example of the bitter political in-fighting that has riven her country. From her upbringing in one of Pakistan's richest families, the shock of the contrast

of her Harvard and Oxford education, and subsequent politicisation and arrest after her father's death, Bhutto's life has been full of drama. Her riveting autobiography, first published in 1988 and now updated

to cover her own activities since then and how her country has changed since being thrust into the international limelight after 9/11, is an inspiring tale of strength, dedication and courage in the face of adversity.
