Indestructible Cristy C. Road 2014-11-29 The follow up to Greenzine #14; Cristy Road now offers up a novel about her years in grade school and high school in Miami - valiantly trying to figure out and defend her gender identity, cultural roots, punk rock nature, and mortality. You know that the artwork alone in here makes this a page-turner and the whole package more exciting. Cristy has always existed to remind us of the strength and ability of punk youth - for addressing things like rape, homophobia, and misogyny. This is no exception; giving voice to every frustrated 15-year-old girl under fire from her peers for being queer or butch or punk.

Sex and the City Candace Bushnell 2011-05-11 Dive into the mating habits of privileged New Yorkers in this hilarious collection of Bushnell's newspaper columns that inspired the hit HBO series. Sex and the City is a fantastic and sometimes terrifying foray into the hearts, minds, and mating habits of modern-day New Yorkers. Traveling in packs from lavish parties to high-end clubs, Bushnell's vividly candid characters live out the never-ending search for the perfect relationship. Bushnell's firsthand commentary on the behavior of the rich and famous is by turns witty and shocking, and always boldly true. In these pages you will meet "Carrie," the young writer looking for love in all the wrong places; "Samantha Jones," the successful proto-cougar who approaches sex just like a man; and "Mr. Big," the captain of industry who jumps from one bed to the next. Equal parts soap opera, gossip page, sociological study, and dating manual, Sex and the City, Candace Bushnell's former New York Observer column, has attracted a cult following and been adapted into two major motion pictures and one of the most popular TV series of our time. This is the groundbreaking work that both decoded and shaped a culture and a generation. Praise for Sex and the City "An Armistead Maupin-like canvas tinged with a liberal smattering of Judith Krantz." —Publishers Weekly "Fascinating Hilarious Welcome to the cruel planet that is Manhattan." —The Los Angeles Times "Bushnell is a deft writer, possessing a sly sense of humor and sharp insight into human behavior." —People

Lesbian Sex Licking Techniques & Positions Marie Turner 2015-12-02 How to please your partner with different lesbian techniques to reach an orgasm Licking Techniques Eating P***y Positions Vaginal and Anal Strap-On Positions 50 Threesome Positions Want to do something different with your partner whether it is a lover, girlfriend or your wife. Want to add a little spice to your sex life and add another person to the mix try 50 different threesome positions. For men who want to please their women this book can help you as well.

Trans Figured Brian Belovitch 2018-09-25 Imagine experiencing life not as the gender dictated by birth but as one of your own design. In Trans Figured, Brian Belovitch shares his true story of life as a gender outlier and his dramatic journey through the jungle of gender identity. Brian has the rare distinction of coming out three times: first as a queer teenager; second as a glamorous transgender woman named Tish, and later, Natalia Gervais; and finally as an HIV-positive gay man surviving the AIDS crisis in the 1980s. From growing up in a barely-working-class first-generation immigrant family in Fall River, Massachusetts, to spinning across the disco dance floor of Studio 54 in New York City . . . from falling into military lock-step as the Army wife of a domineering GI in Germany to having a brush with fame as Natalia, high-flying downtown darling of the boozy and druggy pre-Giuliani New York nightclub scene, Brian escaped many near-death experiences. Trans Figured chronicles a life lived on the edge with an unforgettable cast of characters during a dangerous and chaotic era. Rich with drama and excitement, this no-holds-barred memoir tells it all. Most importantly, Brian's candid and poignant story of recovery shines a light on the perseverance of the human spirit.

A Queer History of Fashion Valerie Steele 2013 From Christian Dior to Yves Saint Laurent and Alexander McQueen, many of the greatest fashion designers of the past century have been gay. This provocative book looks at the history of fashion through a queer lens, examining high fashion as a site of gay cultural production and exploring the aesthetic sensibilities and unconventional dress of LGBTQ people to demonstrate the centrality of gay culture to the creation of modern fashion.

Sphinx Anne Garreta 2015-04-21 A landmark literary event: the first novel by a female member of Oulipo in English, a sexy genderless love story.

Sex Wars Marge Piercy 2005-11-22 Post-Civil War New York City is the battleground of the American dream. In this era of free love, emerging rights of women, and brutal sexual repression, Freydeh, a spirited young Jewish immigrant, toils at different jobs to earn passage to America for her family. Learning that her younger sister is adrift somewhere in the city, she begins a determined search that carries her from tenement to brothel to prison—as her story interweaves with those of some of the epoch's most notorious figures: Elizabeth Cady Stanton; Susan B. Anthony; sexual freedom activist Victoria Woodhull, the first woman to run for president; and Anthony Comstock, founder of the Society for the Suppression of Vice, whose censorship laws are still on the books. In the tradition of her bestselling World War II epic Gone to Soldiers, Marge Piercy once again re-creates a turbulent period in American history and explores changing attitudes in a land of sacrifice, suffering, promise, and reward.

Let's Pretend This Never Happened Jenny Lawson 2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The Braid Lauren Levin 2016 Poetry. Women's Studies. Parenting. THE BRAID is a fever dream of pregnancy and early parenting in the era of the police state. Meditative and urgent, it interrogates the idealized portrait of mother and child to wind up somewhere much messier. A love poem shot through with ambivalence; a sustained fuck you to Ronald Reagan and his legacy; a moment of feminist possibility on the far side of collapse. "I eat crumbs out of the baby's neck / I'm glad there are no great poems by women / I'm glad there are no great poems by Jews / I'm glad there are no great poems about motherhood / I'm glad no great poems have ever been written."

LGBTQ Las Vegas Dennis McBride 2017 Being gay in Las Vegas until the 1990s was a felony with a hefty fine and long prison sentence. The Las Vegas LGBTQ community did not organize to fight for its rights until the late 1970s and by the early 1980s had made headway, before AIDS stopped their momentum. While AIDS was devastating, it taught compassion, self-reliance, and political savvy. By 2017, Las Vegas was a city among the most welcoming of the nation's queer community.

Small World Jonathan Evison 2023-01-10 Four modern families aboard a passenger train hurtle into the night. One hundred and seventy years earlier their forebearers make their way in a young nation built on grand promises. Each family follows their own path, only to find that their destinies are linked inextricably, the culmination of five generations of shared history. Jonathan Evison's *Small World* is a novel that speaks to the present moment, a grand adventure that explores the American experiment in its most human and

intimate aspects, a novel that asks whether America has made good on those early promises. Humming with heart and adventure, and love and hope and ideas, *Small World* delivers the thrill of great storytelling straight through to its deeply satisfying conclusion.

The New Walt Whitman Studies Matt Cohen 2019-11-21 Highlights the latest currents in Whitman scholarship and demonstrates how Whitman's work transforms discussions in literary studies.

Gay Priori Libby Adler 2018-04-27 Libby Adler offers a comprehensive critique of the mainstream LGBT legal agenda in the United States, showing how LGBT equal rights discourse drives legal advocates toward a narrow array of reform objectives that do little to help the lives of the most marginalized members of the LGBT community.

Against Love Laura Kipnis 2009-01-16 A polemic against love that is "engagingly acerbic ... extremely funny.... A deft indictment of the marital ideal, as well as a celebration of the dissent that constitutes adultery, delivered in pointed daggers of prose" (The New Yorker). Who would dream of being against love? No one. Love is, as everyone knows, a mysterious and all-controlling force, with vast power over our thoughts and life decisions. But is there something a bit worrisome about all this uniformity of opinion? Is this the one subject about which no disagreement will be entertained, about which one truth alone is permissible? Consider that the most powerful organized religions produce the occasional heretic; every ideology has its apostates; even sacred cows find their butchers. Except for love. Hence the necessity for a polemic against it. A polemic is designed to be the prose equivalent of a small explosive device placed under your E-Z-Boy lounge. It won't injure you (well not severely); it's just supposed to shake things up and rattle a few convictions.

Soviet Daughter Julia Alekseyeva 2017 This is the story of Julia Alekseyeva and her great-grandmother Lola. Born in 1910 to a poor, Jewish family outside of Kiev, Lola lived through the Bolshevik revolution, a horrifying civil war, Stalinist purges, and the Holocaust. She taught herself to read, and supported her extended family working as a secretary for the notorious NKVD (which became the KGB) and later as a lieutenant for the Red Army. Interwoven with Lola's history we find Julia's own struggles of coming of age in an immigrant family in Chicago, and her political awakening in the midst of the radical politics of the turn of the millennium.

Same Sex in the City Lauren Blitzer 2012-12-11 At last lesbian culture is becoming more visible in the mainstream media. From *The O.C.* to *The L Word*, gay women (and the occasional bi-curious straight girl) are portrayed coming to terms with their sexuality and embracing it. But the journey from sexual curiosity to finally coming out can be confusing without proper guidance and empowering role models. Lauren Blitzer and Lauren Levin know first-hand the challenges that lesbian women face in our society, and *SAME SEX IN THE CITY* is their uplifting and at times irreverent response. The Laurens are both prominent figures in the New York lesbian community, though their stories are very different. Here they relate their own experiences and those of the women they interview, as well as offer serious advice, alluring anecdotes, and a positive attitude for girls who know they're gay - and those who are wondering about their sexuality but are not yet sure whether their Prince Charming is really a Cinderella. Part confessional, part informational, *SAME SEX IN THE CITY* covers the gamut of lesbian life from dating to heartbreak, from hooking up with straight chicks to being out at work. It's the book that millions of women have been searching for - a step-by-step guide that will help every woman come to terms with and celebrate her sexuality, whatever it may be.

Masked by Trust Matthew Reidsma 2019 "Examines library discovery systems to show how the algorithms that power them are not the neutral and unbiased systems that they are claimed to be, but are affected by the human biases of programmers and the commercial influences of their production"--

The Oxford Encyclopedia of LGBT Politics and Policy: 3-Volume Set Donald P. Haider-Markel 2021 "This encyclopedia reviews and interprets a broad array of social science and humanities research on LGBT people, politics, and public policy around the world. The articles are organized around six major themes of the study of identity politics, with a focus on movement politics, public attitudes, political institutions, elections, and the broader context of political theory. Through peer-reviewed contributions by leading researchers, the encyclopedia offers the most comprehensive view of research on LGBT politics and policy to date"--

Sweating the Small Stuff David Whitman 2008 This book tells the story of six secondary schools that have succeeded in eliminating or dramatically shrinking the achievement gap between whites and disadvantaged

black and Hispanic students. It recounts the stories of the University Park Campus School (UPCS) in Worcester, the American Indian Public Charter School in Oakland, Amistad Academy in New Haven, the Cristo Rey Jesuit High School in Chicago, the KIPP Academy in the Bronx, and the SEED school in Washington, D.C. **Math, Heaven, Time** Mandy Kahn 2016 Poetry. After selling out its British edition, Mandy Kahn's stunning first collection of poems, *MATH, HEAVEN, TIME*, is now available in an American paperback edition. This is a collection with easy lyricism and clear-eyed wisdom woven effortlessly into its remarkably readable fabric, written by a poet whom *World Literature Today* calls "a rising star of West Coast poetry," and about whom *Flaunt* magazine says, "She is that relatively rare cultural anomaly, the professional poet, who confounds the warnings of finger-wagging parents and college counsellors everywhere."

Honey Mine Camille Roy 2021-06-29 This visceral, thrilling collection of stories by prescient lesbian writer Camille Roy explores what it takes to survive as a young sex and gender outlaw in the heart of America.

Summer of '69 Elin Hilderbrand 2019-06-18 Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.

The Dark Side of Samuel Pepys Geoffrey Pimm 2018-02-28 This historical biography reveals how the famous diarist of Restoration England used his professional position to act as a sexual predator. Samuel Pepys is popularly known as the founder of the modern navy, a member of the Royal Society and, most of all, as a unique and frank diarist. Less well known is that he was a serial sexual offender by modern standards; a voyeur, a groper, and a rapist. Set against the London society of Charles II's restoration, and extensively using Pepys' own words, this book concerns his numerous extramarital affairs. It demonstrates how he used his position of power and influence to advance the careers of his subordinates—in return for the sexual favors of their wives. With his own descriptions, translated from the strange mix of languages and the seventeenth-century shorthand he used to camouflage the content, the reader witnesses in graphic detail how Pepys set about achieving his lascivious objectives - on occasion resorting to physical force where persuasion or bribery failed. Whether she be wife, daughter, mother, or humble maidservant, no woman was safe from his rapacious sexual appetite.

What's Good? Daniel Levin Becker 2022 A love letter to the verbal artistry of hip-hop, *What's Good* is a work of passionate lyrical analysis.

Sexographies Gabriela Wiener

The Straight Girl's Guide to Sleeping with Chicks Jen Sincero 2005-02 A humorous guide to gay experimentation for straight women offers a wealth of advice on how to spice up a relationship with a boyfriend, enter into a same-sex relationship, and more. By the author of *Don't Sleep with Your Drummer*. Original. 30,000 first printing.

Plugged In Patti M. Valkenburg 2017-04-25 An illuminating study of the complex relationship between children and media in the digital age Now, as never before, young people are surrounded by media—thanks to the sophistication and portability of the technology that puts it literally in the palms of their hands. Drawing on data and empirical research that cross many fields and continents, authors Valkenburg and Piotrowski examine the role of media in the lives of children from birth through adolescence, addressing the complex issues of how media affect the young and what adults can do to encourage responsible use in an age of selfies, Twitter, Facebook, and Instagram. This important study looks at both the sunny and the dark

side of media use by today's youth, including why and how their preferences change throughout childhood, whether digital gaming is harmful or helpful, the effects of placing tablets and smartphones in the hands of toddlers, the susceptibility of young people to online advertising, the legitimacy of parental concerns about media multitasking, and more.

Queer Representation, Visibility, and Race in American Film and Television Melanie Kohnen 2015-11-06 This book traces the uneven history of queer media visibility through crucial turning points including the Hollywood Production Code era, the AIDS crisis of the 1980s, the so-called explosion of gay visibility on television during the 1990s, and the re-imagining of queer representations on TV after the events of 9/11. Kohnen intervenes in previous academic and popular accounts that paint the increase in queer visibility over the past four decades as a largely progressive development. She examines how and why a limited and limiting concept of queer visibility structured around white gay and lesbian characters in committed relationships has become the embodiment of progressive LGBT media representations. She also investigates queer visibility across film, TV, and print media, and highlights previously unexplored connections, such as the lingering traces of classical Hollywood cinema's queer tropes in the X-Men franchise. Across all chapters, narratives and arguments emerge that demonstrate how queer visibility shapes and reflects not only media representations, but the real and imagined geographies, histories, and people of the American nation.

Justice Piece Lauren Levin 2018 Poetry. LGBTQIA Studies. JUSTICE PIECE // TRANSMISSION is a perverse and anxious attack on the concept of justice, asking "If I am the symptom, what is the cause?" Ranging from The Rocky Horror Picture Show to feminist sci-fi, white supremacy to the Berkeley Parents Network, gendered violence to Led Zeppelin, disciplinary heterosexuality to hypochondria, these twin poems tackle questions of how personal history and pop culture both build us up and tear us to shreds. Levin's writing lives in a space of contradiction, a call to "Make everything ugly / No aesthetics left / no mysteries / only problems."

Lesbian Sex Positions Shanna Katz 2014-02-25 Spice up the bedroom with over 100 fun, sexy positions to try out as well as helpful tips and tricks for keeping things hot and exciting every night of the week. Few things spice up a couple's sex life faster and easier than a new position. Opening the pages of Lesbian Sex Positions is like pouring fuel on a fire for any lesbian couple, or any two women who want to get it on together. From sensual to steamy, these innovative and sexy positions take lovemaking to the next level. Each participant discovers ways to be closer and more intimate with her lover as they explore both classic positions and erotic acrobatics, including: • The Cat's Meow • That's a Wrap • Blinded by Delight • And more! Lesbian Sex Positions emphasizes the fun, adventure, and enjoyment of two partners probing for previously untapped pleasures. Complete with detailed information and step-by-step instructions, and illustrated with gorgeous erotic photos, this book makes it easy for couples to discover new heights of passion. This book is for you to do with what you wish. Read it cover to cover, or hone in on the areas that interest you the most. Enjoy it, put it to good use, and relish your sexual explorations as you continue to grow as a sexual being!

The Book Bible Susan Shapiro 2022-02-01 A Brilliant, Buoyant Guide to Publishing Your Book Hundreds of thousands of books come out every year worldwide. So why not yours? In The Book Bible, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor, mystery, crime, poetry, picture books, young adult and middle grade, fiction and nonfiction. Shapiro once worried that selling 16 books in varied sub-sections made her a literary dabbler. Yet after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her versatility had a huge upside. She could explain, from personal experience, the differences in making each kind of book, as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes. This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author.

Free Negro Owners of Slaves in the United States in 1830 Carter Godwin Woodson 1924 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations

seen are left intentionally to preserve its true nature.

Yiddishkeit Harvey Pekar 2012-04-15 A "fascinating and enlightening" collection of comics and writings that explore the Yiddish language and the Jewish experience (The Miami Herald). We hear words like nosh, schlep, and schmutz, but how did they come to pepper American English? In Yiddishkeit, Harvey Pekar and Paul Buhle trace the far-reaching influences of Yiddish from medieval Europe to the tenements of New York's Lower East Side. This comics anthology contains original stories by such notable writers and artists as Barry Deutsch, Peter Kuper, Spain Rodriguez, and Sharon Rudahl. Through illustrations, comics art, and a full-length play, four major themes are explored: culture, performance, assimilation, and the revival of the language. "The book is about what Neal Gabler in his introduction labels 'Jewish sensibility.'...he writes: 'You really can't define Yiddishkeit neatly in words or pictures. You sort of have to feel it by wading into it.' The book does this with gusto." —TheNew York Times "As colorful, bawdy, and charming as the culture it seeks to represent." —Print magazine "Brimming with the charm and flavor of its subject...a genuinely compelling, scholarly comics experience." —Publishers Weekly "A book that truly informs about Jewish culture and, in the process, challenges readers to pick apart their own vocabulary." —Chicago Tribune "A postvernacular tour de force." —The Forward "With a loving eye Pekar and Buhle extract moments and personalities from Yiddish history." —Hadassah "Gorgeous comix-style portraits of Yiddish writers." —Tablet "Yiddishkeit has managed to survive, if just barely...because [it] is an essential part of both the Jewish and the human experience." —Neal Gabler, author of An Empire of Their Own: How the Jews Invented Hollywood, from his introduction "A scrumptious smorgasbord of comics, essays, and illustrations...concentrated tastes, with historical context, of Yiddish theater, literature, characters and culture." —Heeb magazine

The Case for Marriage Linda Waite 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

Politics Beyond Black and White Lauren Davenport 2018-03-29 This book investigates the social and political implications of the US multiracial population, which has surged in recent decades.

Girl Meets Boy Ali Smith 2021-06-30 From the astonishingly talented writer of The Accidental and Hotel World comes Ali Smith's brilliant retelling of Ovid's gender-bending myth of Iphis and Ianthe, as seen through the eyes of two Scottish sisters. Girl Meets Boy is about girls and boys, girls and girls, love and transformation, and the absurdity of consumerism, as well as a story of reversals and revelations that is as sharply witty as it is lyrical. Funny, fresh, poetic, and political, Girl Meets Boy is a myth of metamorphosis for a world made in Madison Avenues image, and the funniest addition to the Myths series from Canongate since Margaret Atwoods The Penelopiad.

The Revised Fundamentals of Caregiving Jonathan Evison 2013-05-07 In The Revised Fundamentals of Caregiving (releasing June 24, 2016 as a Netflix Original Film titled The Fundamentals of Caring, starring Paul Rudd and Selena Gomez), Jonathan Evison, author of the new novel This Is Your Life, Harriet Chance! and the

New York Times bestseller *West of Here*, has crafted a novel of the heart, a story of unlikely heroes in a grand American landscape. For Ben Benjamin, all has been lost--his wife, his family, his home, his livelihood. Hoping to find a new direction, he enrolls in a night class called *The Fundamentals of Caregiving*, where he will learn to take care of people with disabilities. He is instructed about professionalism, about how to keep an emotional distance between client and provider, and about the art of inserting catheters while avoiding liability. But when Ben is assigned his first client--a tyrannical nineteen-year-old boy named Trevor, who is in the advanced stages of Duchenne muscular dystrophy--he soon discovers that the endless service checklists have done nothing to prepare him for the reality of caring for a fiercely stubborn, sexually frustrated teenager who has an ax to grind with the whole world. Over time, the relationship between Ben and Trev, which had begun with mutual misgivings, evolves into a close friendship, and the traditional boundaries between patient and caregiver begin to blur. The bond between them strengthens as they embark on a road trip to visit Trev's ailing father--a journey rerouted by a series of bizarre roadside attractions that propel them into an impulsive adventure disrupted by one birth, two arrests, a freakish dust storm, and a six-hundred-mile cat-and-mouse pursuit by a mysterious brown Buick Skylark. By the end of that journey, Trev has had his first taste of love, and Ben has found a new reason to love life. Bursting with energy and filled with moments of absolute beauty, this big-hearted and inspired novel ponders life's terrible surprises as well as what it takes to truly care for another human being.

Genuine Authentic Michael Gross 2018-07-24 A fascinating and comprehensive look into the life of American fashion designer Ralph Lauren, now with an afterword. "Deep-dish...sharp-clawed...honestly admiring."—New York Times There are at least two Ralph Laurens. To the public he's a gentle, modest, yet secure and

purposeful man. Inside the walls of Polo Ralph Lauren, though, he was long seen by some as a narcissist, an insecure ditherer, and, at times, a rampaging tyrant. Michael Gross, author of the bestsellers *Model* and *740 Park*, lays bare the truths of this fashion emperor's rise, and reveals not only the secrets of his meteoric success in marketing our shared fantasies, but also a widely unknown side that's behind the designer's chic façade.

Five Women Wearing the Same Dress Alan Ball 1993 THE STORY: During an ostentatious wedding reception at a Knoxville, Tennessee, estate, five reluctant, identically clad bridesmaids hide out in an upstairs bedroom, each with her own reason to avoid the proceedings below. They are Frances, a painful
Objects of Desire Clare Sestanovich 2021-06-29 "A debut story collection of the rarest kind ... you wish that every single entry could be an entire novel." —Entertainment Weekly Fresh, intimate stories of women's lives from an extraordinary new literary voice, laying bare the unexpected beauty and irony in contemporary life A college freshman, traveling home, strikes up an odd, ephemeral friendship with the couple next to her on the plane. A mother prepares for her son's wedding, her own life unraveling as his comes together. A long-lost stepbrother's visit to New York prompts a family's reckoning with its old taboos. A wife considers the secrets her marriage once contained. An office worker, exhausted by the ambitions of the men around her, emerges into a gridlocked city one afternoon to make a decision. In these eleven powerful stories, thrilling desire and melancholic yearning animate women's lives, from the brink of adulthood to the labyrinthine path between twenty and thirty, to middle age, when certain possibilities quietly elapse. Tender, lucid, and piercingly funny, *Objects of Desire* is a collection pulsing with subtle drama, rich with unforgettable scenes, and alive with moments of recognition each more startling than the last—a spellbinding debut that announces a major talent.
